ACKNOWLEDGEMENTS

I would like to thank the following for their assistance with this publication; British Newspaper Library, Phil Heady, Leigh Edwards, Peter Grace, Robbie Drummie, Lloyd Brown, Tony Booth, Jon Swan, Richard Markiewicz, Fred Hawthorn, Gareth Stephens, Mike Bodman, Gareth Stephens and anyone who I may have omitted.

FOREWORD

It gives me great pleasure to present the third and final volume of the Athenian Football League covering the dates from 1966-1984 when the league decided to go into hibernation due to lack of member clubs. On a personal note it was a privilege to be associated with the Athenian League as it's press secretary in the last playing season.

During the league's history there have been some notable achievements by member clubs, particularly in the F.A.Cup and F.A. Amateur cup... After reading this book, I am sure a lot of memories from officials, players and supporters will come back. Most importantly the history and statistics of this popular league have now been recorded and although the majority of research was compiled by myself, I would like to give special thanks to Phil Heady and Leigh Edwards for their assistance in providing the brief history and 'star' graduates respectively.

The books in this series have been very popular and I do anticipate doing similar projects on the Spartan, London, Surrey Senior and Great Western Suburban leagues in the future although a lot of research still needs to be done.

Finally, I hope you enjoy reading this book as much as I have in researching and compiling it.

THE ATHENIAN LEAGUE: A SHORT HISTORY -1966-1984

Compiled by Phillip Heady

The League went through a period of relative stability after the 1965/66 season with no top club leaving to move upwards until 1971. Meanwhile the League saw some success in National Cup competition.

Cup Successes

The 1966/67 F.A. Amateur Cup saw three Isthmian League semi-finalists with the Athenian League represented by two clubs, Slough Town and Leatherhead in the previous round.

In the F.A. Cup Chesham reached the competition proper losing at Enfield 6-0. To get there they beat Wembley, Southall, Hemel Hempstead Town, and, in the final qualifying round, fellow Athenians Leatherhead. Horsham went down to Football League Division Three club Swindon Town in the First Round, 3-0 at home. They had earlier defeated Dorking, Fleet, Woking and Hastings United. Finchley and Hornchurch also reached the competition's Fourth Qualifying Round.

Chesham won the 1967 Berks & Bucks Senior Cup and Hertford Town won the Herts Senior Cup. Dagenham were London Charity Cup winners while Leyton won the prestigious Essex Thames-side Trophy.

The following season, 1967/68, in the Amateur Cup Chesham United got all the way to Wembley. Despite being reduced through injury to ten men, Isthmians Leytonstone took the prize by the only goal of the game in front of 52,000 people. By coincidence, in the F.A. Cup First Qualifying Round the clubs had been drawn together, Leytonstone winning 3-0 at Chesham.

Remarkably Chesham had fought through from the competition's preliminary round beating Hemel Hempstead Town, Didcot Town, Hazells (Aylesbury), Marlow and Soham Town Rangers in the qualifying competition. In the competition proper they accounted for Maidenhead United and four Isthmian sides, Dulwich Hamlet, Corinthian-Casuals, Oxford City and in the semi-final at Fulham, Wealdstone. Seven of the last eight in the competition that season were from the Isthmian League.

In the 1967/68 F.A. Cup Dagenham reached the Second Round Proper by way of Redhill, Dartford, Cray Wanderers, Wycombe Wanderers and, in the First Round, Tonbridge, beaten at home 1-0. Dagenham lost against the Football League Division Three side Reading 1-0 in a home replay. Slough Town, Ware and Eastbourne Town reached the competition's Fourth Qualifying Round.

Dagenham won the 1968 Essex Senior, London Senior and London Charity Cups. Wembley became joint holders, with Wealdstone, of the Middlesex Charity Cup.

Chesham United automatically gained a place in the 1968/69 F.A. Cup First Round, but they were soundly beaten, 5-0, at Fourth Division Colchester United. Slough Town and Eastbourne Town were again knocked out in the Fourth Qualifying Round as were Walton & Hersham.

Ware, however, got to the First Round Proper where they secured a dream tie with Football League Division Three neighbours Luton Town. They first beat Braintree & Crittall Athletic, Hounslow, Vauxhall Motors and Walthamstow Avenue in front of 800 spectators. An 11,000 crowd at Kenilworth Road saw a goal-less first half. After an hour Luton's superiority told and Ware were five down before grabbing a joyously received consolation goal, eventually losing 6-1.

In the Amateur Cup the furthest an Athenian League progressed was the Third Round, the last 16, Harwich & Parkeston, Hayes and Slough Town all losing. Wokingham Town won the Berks & Bucks Senior Cup, Eastbourne United won the Sussex Senior Cup while Leatherhead won both the Surrey Senior Cup and Senior Shield. Dagenham won the London Charity Cup and Essex Thames-side Trophy and Southall were Middlesex Charity Cup winners.

In 1969/70, however, the league had another Amateur Cup finalist. Dagenham got to Wembley only to lose heavily, 5-1, to Isthmian Enfield in front of a 33,000 crowd. They got to the final again the next season, losing again, this time 4-1 to Skelmersdale in front of 45,000. Elsewhere Maidenhead won the Berks & Bucks Senior Cup, Hertford Town the East Anglian Cup, and Dagenham the Essex Thames-side Trophy.

In the 1969/70 F.A.Cup Dagenham again won through to the competition proper, this time via Cray Wanderers, Hornchurch, Romford and Leytonstone. Visiting Isthmians Sutton United beat them 1-0. By virtue of their Amateur Cup final appearance the previous season, they also appeared in the 1970/71 First Round. There they beat Margate 2-0 before losing 1-0 at Fourth Division Southend United.

The 1969/70 F.A.Cup also saw other Athenian League sides have some success. Carshalton Athletic beat Banstead, Metropolitan Police, Staines Town and Ramsgate to qualify for the First Round where they lost 5-3 at Isthmian Leaguers Hendon. Walton & Hersham beat Leatherhead, Huntley & Palmers, Barking and Ashford Town to likewise qualify for the First Round. They too lost, 1-0 at home to Barnet of the Southern League

The 1970/71 F.A.Cup competition saw success for others; Aveley beat Braintree & Crittall Athletic, Boreham Wood, Hayes and Leytonstone. In the First Round Proper they lost 1-0 at Yeovil, Southern League champions that season in front of 4,773 crowd. Bishop's Stortford beat Canvey Island, Bromley, Dartford and, in the final qualifying round, fellow Athenians Cheshunt, then lost away in the First Round 6-1 to Reading who were relegated from Football League Division Three on goal average at the end of the season. The attendance at Elm Park was 6,000.

Slough Town beat Tilbury, Kingstonian, Ilford and Hillingdon Borough. In the First Round Proper they beat Wycombe in a replay, but in the Second Round in front of 4,000 fans lost at home 1-0 to Southern League Barnet.

Walton & Hersham beat Chertsey Town, Hitchin Town, Romford and Sutton United before meeting Southern League Telford United. At home, in front of 3,000 fans, they lost 2-5.

Slough played Wycombe Wanderers too in the Berks & Bucks Senior Cup final. Again the match went to a replay and, again, Slough emerged victorious, 1-0. Bishop's Stortford beat St.Albans City to win the Herts Senior Cup. Walton & Hersham beat Woking to win the Surrey Senior Cup. Lewes beat fellow Athenians Eastbourne United 2-0 in the Sussex Senior Cup final. Dagenham beat Leyton 2-0 to win the London Charity Cup. The Essex Senior Cup final was also won by Dagenham, the second of the final's two legs being carried over into the following season. Hayes won the Middlesex Charity Cup.

Into the Seventies

In the League meantime, although there was no losses to the Isthmian League, there were a few changes. At the end of the 1965/66 campaign, poor finances led Division Two founder members, ex-Delphian Leaguers, Berkhamsted Town to drop down to the Spartan League.

The replacement was Boreham Wood from the same league. The Hertfordshire side had been formed in 1948 by the amalgamation of Boreham Wood Rovers and Royal Retournez when the new club joined the Mid-Herts League. they moved on to the Spartan League in 1957. 10th in their debut season, they were runners-up in 1964, 8th in 1965 and runners-up again in 1966.

There was another new name for the 1966/67 season. Once known as Roxonian, Harrow Town were renamed Harrow Borough. In 1968 Edgware Town dropped the 'Town'.

The 1968/69 season was the last for the Memorial Shield, a competition for Division One clubs. Chesham United won the last competition, their second win, the first having been the first time the shield became an Athenian League competition, 1963/64. After this the trophy was given to the Athenian League Cup runners-up.

A League Cup competition was started for the 1969/70 season and Redhill were the first winners and they retained it the following campaign. The 1970/71 season was the last for the Division Two Cup, a knock-out competition. Uxbridge were the last winners.

At the end of the 1970/71 season three clubs moved on to the Isthmian League, runner-up Walton & Hersham, 8th placed Hayes, and 12th placed Bishop's Stortford making the move. There was no relegation from the top division; the top three Division One clubs were all promoted to the Premier Division; and the top three Division Two were promoted to Division One. Division Two remained at 16 clubs by the addition of three newcomers.

Elsewhere 1971 saw the formation of the Metropolitan London League upon the merging of the Metropolitan and Greater London Leagues. The first mentioned had been founded as the Metropolitan & District League in 1949, and the second-named had been formed in 1964 on the amalgamation of the Aetolian and London Leagues. The new league was to supply several clubs for the Athenian League in due course.

Addlestone, Hampton and Staines Town were the new Athenians for the 1971/72 campaign. Hemel Hempstead Town amalgamated with Hemel Hempstead United to form Hemel Hempstead, while Eastbourne added 'Town' to their title.

STAINES TOWN, formed in 1892, had participated in a vast number of competitions. Known as Staines Albany, they won the West London Alliance and West London League at the turn of the century: the Middlesex Junior Cup in 1904 and 1904; and the West Middlesex League in 1905. They spent eight years in the Great Western Suburban League. In 1910 they were Middlesex Senior Cup runners-up.

After the Great War they played in the Great Western Combination while known as Staines Lagonda, eventually joining the Spartan League in 1924. They enjoyed considerable Amateur Cup success, but, having been relegated from the top flight a few years earlier, in 1937 dropped out of the Spartan League and looked close to extinction. They survived, purchased a ground in Wheatsheaf Road in 1951 and, via the Parthenon and Hellenic Leagues, reached the Spartan League again in 1958. They were champions in their second season, and runners-up, on 52 points, three adrift of champions Hoddesdon Town in their final season.

HAMPTON were founded in 1920 and reached the Surrey Senior League in 1957, when they moved to the Beveree Ground, by way of the Kingston & District and South West Middlesex Leagues. In 1964 they moved to the Spartan League as champions of the Senior League, part of a trend in the early years of the decade. Hampton won three straight championships, won again in 1970 and were third on 51 points in their final season.

ADDLESTONE were original formed in 1885 but after a short break in the 1900s were re-formed in 1908 when they played in the Surrey Junior League. After the Great War they moved on to the Surrey Intermediate League and then, in 1924, to the Senior League. Later they returned to Intermediate level, but in 1954 joined the Parthenon League returning to the Senior League the following season of which they were champions in 1961.

In 1964 Addlestone joined the Spartan League. There they had a couple of poor seasons before being runners-up in 1967 and 1970. In their final Spartan League season they finished 4th with 51 points.

1971/72 saw Leatherhead make the most progress in the Amateur Cup by an Athenian League side when they lost in a quarter final replay to Blyth Spartans. Maidenhead United reached the First Round Proper of the F.A.Cup losing 2-0 at Enfield where there was an attendance of 1,506. They had previously beaten Wycombe Wanderers, Leytonstone, Aveley and Walton & N Hershams. Tilbury also reached the Fourth Qualifying Round.

Slough Town retained the Berks & Bucks Senior Cup in 1972, Boreham Wood won the Herts Senior Cup, and Horsham the Sussex competition. Dagenham won both the London Charity Cup and the East Anglian Cup.

Slough Town also achieved the League and Cup double, but it was Leatherhead who followed the increasingly well-wore path to the Isthmian League at the end of the season. Only one club was relegated to Division One with Hertford Town dropping out of Division One and moving to the Eastern Counties League. The Division remained at 16 clubs with none being relegated. Division Two, however, was reduced to 14 clubs as no new clubs were introduced.

During 1972 Edmonton left their Barrass Stadium and secured the White Hart Lane ground of Wood Green Town, by then renamed 'Haringey Borough'. The two clubs joined together as Edmonton & Haringey Borough. Oddly, Wood Green Town were a very early off-shoot of Tufnell Park F.C., early Isthmians and predecessor of the Edmonton club.

The 1973 F.A.Amateur Cup final saw Slough Town go down to the game's only goal to ex-Athenians Walton & Hershams who had not conceded a goal throughout the whole of the season's competition. 41,000 saw the final. In the F.A.Cup Redhill reached the Fourth Qualifying Round. In more local cups, Tilbury beat Dagenham to win the Essex Senior, while Dagenham won the London Charity.

Reduction by One Division

A major upheaval occurred at the end of the season 1972/73. 15 clubs plus Hertford Town formed the new Division Two of the Isthmian League. Eight were drawn from the Premier Division (Slough Town, champions and League Cup double winners for the second consecutive season: Dagenham, Runners-Up: Tilbury 3rd, Harlow Town 4th, Harwich & Parkeston 6th, Aveley 7th, Maidenhead United 9th and Southall 10th), six came from Division One (Horsham, the champions: Staines Town, runners-up, Wokingham Town 5th, Carshalton Athletic 6th, Chesham United 10th and Finchley 12th), while runners-up Hampton were plucked from Division Two. The league was further depleted as Epsom & Ewell were not re-elected and moved to the Surrey Senior League.

The League was reorganised into a Division One of 18 clubs and a Second Division of 16. Membership was boosted by the addition of four new clubs.

ALTON TOWN were founded in 1947 when they joined the newly constituted Division Three East of the Hampshire League of which they were the first champions. They were Division Two champions the following season. Division One runners-up in 1951, they became champions in 1958. They had reached the First Round Proper of the F.A.Cup in 1972/73 where they went down 5-1 at Newport County.

FAVERSHAM TOWN were formed in 1901, an earlier Faverham F.C. having been members of Division Two of the Kent League. The new club also played in the County League before the Great War. They rejoined the Kent League in 1946 and on that league's disbandment in 1959 were Aetolian League founder members. They played in that competition throughout its existence, later playing in the Greater London and Metropolitan London Leagues, being runners-up in the latter in 1972. They won the Kent Amateur Cup in 1972 and retained it the following season.

FELTHAM started as a Sunday side, but via the Staines & District League and the Hounslow & District League, of which they were runners-up in 1957 and 1958, they joined the Surrey Senior League in 1963. There they won several honours, including League runners-up and League Cup winners in 1966, and League Cup runners-up in 1968. They moved on to the Spartan League in 1968. They were third in their first season and this feat was matched in their final one.

MOLESEY had been known as Molesey St Pauls United and participated in the Surrey Intermediate League. In 1953 they became Molesey and joined the Surrey Senior League. They were champions in 1958 and moved on to the Spartan League in 1959 where they were runners-up to Staines Town in their first season. Rarely above midway in that League, they came third, their best performance since 1959, in their final season.

End of the Amateurs

The 1973/74 season was the last for the F.A.Amateur Cup after 81 years of competition, the Football Association finally admitting that the amateur game was no more. The Athenian League made hardly any impression in this final tournament. Leyton, once proud winners, lost in a replay to Aveley in the Second Round thus ending the league's interest. Croydon dropped the 'Amateurs' from their name at this time.

Boreham Wood were the only Athenian League club to reach the First Round of the F.A.Cup. Having beaten Addlestone, Finchley, Bexley United and Aveley they lost 3-0 at Southend United, by now members of Football League Division Three. Worthing reached the Fourth Qualifying Round.

There was relatively little success either in local knock-out competitions. Ware were 1974 East Anglian Cup winners: Faverham Town won the Kent Amateur Cup; and Cheshunt won the London Charity Cup.

The League's strength continued to be sapped with champions, Boreham Wood and 6th placed Croydon becoming Isthmians in 1974 and Harrow Borough (9th, Division Two), Hornchurch (7th Division One), Ware (12th, Division One) and Wembley (Division One runners-up) doing likewise at the end of the 1974/75. Meanwhile others returned to less senior leagues.

In 1974 Herne Bay, bottom of Division One joined the Kent League. With the other losses the top flight was, therefore, three short so there was no relegation and the top three in Division Two were promoted. Dorking, one of bottom of Division Two amalgamated with Guildford City to form Guildford & Dorking United and the new club continued in the Southern League. Division One gained just one new club and operated in 1974/75 with 14 clubs.

EPPING TOWN from the Spartan League were the newcomers. Founded in 1888, they had confined themselves to local soccer until gaining senior status and being elected to the Spartan League in 1936 where initially they did well. Their first major success, however, was winning the League Cup in 1954, a competition played to a league format, won on goal average from Letchworth Town.

In 1954 Epping moved on to the Parthenon League but after just one season they moved to the London League. Twice champions, in 1970 they joined the Metropolitan League where they also gained a couple of championships. In the 1973/74 season they reached the final qualifying round of the F.A.Cup where they went down 2-1 to Chelmsford City in front of over 2,000 spectators at their own Stonards Hill ground.

The F.A.Challenge Vase competition was launched for the 1974/75 season to offer an alternative to the old Amateur Cup for those clubs that did not play in the F.A.Trophy. With many Isthmians League clubs going in the Vase rather than the Trophy, Athenian success in the later rounds might have been expected to be limited. Indeed, this proved generally to be the case, although Addlestone did reach the last eight in the inaugural competition.

Success in the F.A.Cup was also becoming rarer with no Athenian League presence in the final qualifying round for the first time for many seasons. In the County Senior Cups only Worthing in Sussex were Athenian winners. Letchworth won the Herts Charity Cup and Cheshunt the East Anglian Cup.

More Losses to the Isthmian League

In 1975 Wingate amalgamated with Leyton to form Leyton-Wingate, the Hare & Hounds ground in Lea Bridge Road being renamed the Wingate-Leyton Stadium. Three clubs in Division One moved to the Isthmian League, while Eastbourne United were relegated. Only the top two in Division One were promoted and, for 1975/76 the top Division operated with 16 clubs.

In Division Two meantime the number was upped to sixteen again **EPSOM & EWELL** returning after a two season break in which they had been first runners-up, then champions, of the Surrey Senior League. In the 1975 F.A.Vase Epsom had reached the final where they lost to Hoddesdon Town. The other newcomers were Camberley Town., Harefield United, Tring Town and Willesden.

HAREFIELD UNITED were founded in 1868, and had played in the Great Western Combination, the Parthenon League and the Middlesex County League. They joined the Spartan League in 1971 finishing 9th, 10th, 9th again and then third of 16 in the competition's final season.

CAMBERLEY TOWN were founded as Camberley & Yorktown in 1896 and were Surrey County Senior League founder members in 1922. They won three consecutive championships 1931/33 and were Senior Cup runners-up in 1936 losing to Isthmian Leaguers Wimbledon. After the Second War they became Camberley Town on merging with Camberley Wanderers. They joined the Spartan League in 1973 and finished 10th then 8th in the competition's final season.

TRING TOWN were founded in 1904 and played in the West Herts and the County Leagues before joining Division One of the Spartan League in 1953. Runners-up in their first season, the division's last, they struggled, finishing bottom in 1956 and 1947, not finishing in the top half of the table until 1963 when they were 4th. They were League champions in 1968 and were 10th in the competition's final season.

WILLESDEN spent the 1974/75 season in the Metropolitan-London League, a competition of which they had been founder members. In 1946 a team of established senior players resident within the Borough of Willesden visited Holland and soon after many got together to form a permanent club.

The new club won the Middlesex Senior League in its first season and in 1947/48 moved to the Western Section of the Spartan League's First Division. Champions in the first season, they moved to the top section and then onto the Delphian League in 1951. Ground problems forced them to move on to the Parthenon League in 1953: In 1958 they joined the London League: and in 1959 they were Aetolian League founder members. In 1963 they returned to the Spartan League, moving on to the Greater London League in 1966.

The continued loss of its better clubs finally brought the end of the Spartan League. Formed in 1907, five years before the Athenian League, in the 1930s it had boasted a Premier Division, a First Division, and a regionals Division Two. Reduced to just one division by the early 1950s, regular losses of member clubs could not be compensated for by the addition of clubs from the senior county leagues. The competition merged with the Metropolitan-London League to form the London Spartan League for the 1975/76 season.

Addlestone again reached the last eight of the Vase in 1975/76, the competition's second season, where they lost to Stamford. There were no notable F.A.Cup or local cup achievements recorded by member clubs apart from Leyton-Wingate winning the Essex Thames-side Trophy.

From Division Two Faverham joined the Kent League and Eastbourne Town the Sussex League at the end of the 1975/76 season while Aylesbury United joined the Southern League. No club was relegated from Division One for the following season, but two were promoted to bring the top division up to 16 clubs. Letchworth Town changed their name to Letchworth Garden City for the new season.

Division Two was reduced by one for 1976/77, four vacancies being filled.

FARNBOROUGH TOWN had recorded outstanding success since being formed in 1967. They were Surrey Senior League members for four seasons being runners-up once, Spartan League members for three seasons when they were champions each time and Hampshire Senior Cup winners once, and Champions and League Cup winners in their only London Spartan League season. They were also Vase semi-finalists in 1976/77.

CHALFONT ST.PETER were formed in 1926 and kept to local football until entering the Great Western Combination in 1948. In 1952 Wokingham Town were defeated in the Berks & Bucks Intermediate Cup final and the club moved on to the Parthenon League. By way of of the London League, the Spartan League was entered in 1962. In 1965 Athenian League champions Slough Town had been defeated in the last ever Berks & Bucks Benevolent Cup in front of over 2,000 spectators.

KINGSBURY TOWN were founded in 1929 as Davis Sports and, by way of junior soccer reached the Middlesex Senior League in 1943, winning the championship in 1952. They joined the Spartan League in 1960 but finished last in their debut season. One off the bottom for the next three campaigns, it was a decade before they regularly appeared in the top half of the table. They ended up 8th, of 16, in the competition's final season before spending a year in the London Spartan League where they finished 7th.

CHERTSEY TOWN were founded in 1890 as Chertsey F.C. and played in the West Surrey league. They won the Surrey Junior Cup in 1897. In 1929 they moved to Alwyns Lane ground. They became Surrey County League members upon resumption of football after the Second War and added 'Town' to their name in 1950. They were League champions in 1960, 1962 and 1963 when they controversially turned professional and moved to the Metropolitan League. After three seasons, on finding the costs too great, they moved to the Greater London League, the Spartan League, where they were runners-up in the League's last season. They spent a season in the London Spartan League where they finished bottom of the 16 clubs.

There was another name change for the new season. Edmonton & Haringey Borough, having completed, with the support of the local Council, Haringey, changed their name to Haringey Borough F.C.

In the 1976/77 season Vase, Farnborough lost an extraordinary semi-final tie to Billericay Town, the opponents that had beaten them at the same stage the previous season. 2-0 up the first leg, they travelled to Essex only to lose 6-0. Lewes represented the League in the F.A.Cup Fourth Qualifying Round where they went down to a replay. Worthing won the Sussex Senior Cup and Letchworth won the East Anglian Cup.

Reduction to One Division

But 1976/77 was to be the last with two divisions. At the end of the season the Isthmian League again took the better clubs by the establishment of a new 17 club Division Two. 16 came from the Athenian League, eight from Division One (Letchworth, runners-up: Lewes 4th: Cheshunt 5th: Epping Town 6th: Rainham Town 8th: Egham Town 9th: Epsom & Ewell 10th: and Worthing 13th), and eight from Division Two (Farnborough Town, champions: Tring Town, runners-up: Molesey 3rd: Hemel Hempstead 4th: Feltham 8th: Eastbourne United 10th: Camberley Town 12th: and Willesden, one of bottom 14th).

Other clubs also left; Addlestone, having failed in their attempts to join the Isthmian League, joined the Southern League. Hounslow did likewise. Thus reduced to only 15 members, the League added Billericay Town, Burnham and Hoddesdon Town to bring the sole division up to 18 clubs.

One of the oldest clubs in Essex, **BILLERICAY TOWN**, were founded in 1880, playing in the Romford & District League before the Great War, and the Mid-Essex League throughout the inter-war period. They joined the South Essex Combination in 1947, then the Essex Olympian League. They were League champions in 1971 and moved grounds to New Lodge and became Essex Senior League founder members.

The hugely successful 1970s for Billericay saw them win the League championship three times, the League Cup four times and win the F.A.Vase twice, once at Wembley and once in a replay at City Ground, Nottingham.

BURNHAM were founded in 1878 and played in local football, including the Slough & District League. They joined the great Western Combination after the Second War, but dropped to a more junior standard when that league closed down. In 1971 they joined the Hellenic League and were runners-up in one of the two Division One sections that operated that year. They became League champions and Cup winners in 1976 and were third in their last season in that competition.

HODDESDON TOWN were founded in 1879 and were three times Herts Senior Cup winners before the turn of the century. They joined the Herts County League and from there joined the Spartan League in 1925. They won the Division One championship in 1936, but their most famous moment came in winning the very first F.A.Vase, in 1975. They played for two seasons in the new London Spartan League finishing 8th and 11th.

Burnham and Haringey Borough both lost in the 1977/78 Vase Sixth Round, the last 16. Essex Senior Trophy winners, Billericay Town got to the Fourth Qualifying Round of the F.A.Cup where they lost narrowly at Hendon 3-2. Alton Town won the Hampshire Senior Cup. Billericay won a Rothmans Merit Award in 1978 for "having made a worthwhile contribution to the wide spectrum of the game in 1977/78".

Erith & Belvedere joined the Southern League at the end of the 1977/78 season and Kingsbury Town returned to the London Spartan League. The League, however, increased its size by one by the addition of three new clubs.

WELLING UNITED were formed as a Sunday youth side in 1963. They switched to Saturdays and joined the non-senior part of the Spartan League in 1971. Gained senior status in 1976 in the London Spartan League, they took occupation of the disbanded Bexley United's Park View Road ground in 1977. They won the competition's League Cup in 1976.

The amalgamation of Dorking & Guildford City had not been a success and, after two seasons the venture collapsed. **DORKING TOWN** was formed in 1977 and completed Guildford and Dorking United's fixtures before joining the Surrey Senior League for the 1977/78 season

FLEET TOWN came from the Hampshire League of which they had been members since 1961 when they were Division Three champions in their first season. They won Division Two in 1966 and in 1973 were Division One runners-up. They had been founded in 1890 as Fleet, adding the 'Town' in 1963.

The league became known as the Kingsmead-Athenian League in 1978 following a sponsorship arrangement. Kingsmead Parks Ltd had been formed in 1946 and, by the time of the deal with the league, was a leading supplier of mobile homes with divisions dealing with parks, retail leisure and industrial cleaning services. The Group's Chairman was also President of Alton Town. The arrangement lasted for two seasons.

Billericay Town provided another Athenian League Wembley winner in season 1978/79. They beat Epping Town, Royston Town, Worthing, Eastbourne United and Shephed Charterhouse to reach the Vase final. There 17,000 saw them beat Gloucestershire's Almondsbury Greenway 4-1. In the F.A.Cup Edgware reached the Fourth Qualifying Round. Hoddesdon won the Herts Charity Shield.

Champions Billericay Town moved on to the Isthmian League for the 1979/80 season, the first champions since Boreham Wood in 1974 to do so. Again, however, the League increased its membership, this time to 20 clubs.

BANSTEAD ATHLETIC were formed during the 1944/45 season as Banstead Juniors playing in the Epsom Ewell league. They moved on to the Sutton & District League, then the Surrey Intermediate League, changing their name to Banstead Athletic in 1947. They joined the Surrey Senior League in 1949 and moved to their Merland Rise ground in 1950. Difficulties in developing their ground held up their progress, but a Spartan League place was secured in 1965. They were 7th of 16 in their last London Spartan League season.

WOODFORD TOWN were founded in 1937 and played in the South Essex League. In the post-war period they moved to Snakes Lane and played in the London, Delphian, Metropolitan, Greater London, Metropolitan again, Southern and Essex Senior Leagues, although in 1972/73 they dropped to intermediate level football. They finished 13th of 17 in their last Senior League season.

The Final Days

The league was to see little more Vase success. In 1979/80 Windsor & Eton reached the last eight. They reached the semi-final in 1980/81 with Basildon getting to the last eight. In 1981/82 Leyton-Wingate, Grays Athletic and Redhill were all eliminated in Round 4, the last 32. In 1982/83 Burnham reached the semi-finals but lost both legs 2-1 to Halesowen Town. Harefield United were the only Athenian League side in Round 3 in 1983/84, but they got no further.

Significant progress was in short supply in the F.A.Cup and an Athenian club was to reach the competition proper on only one more occasion. In 1980/81 Windsor & Eton beat Tooting & Mitcham, Waterlooville, Kingstonian and Gosport Borough before falling 7-2 away to Wimbledon where there was an attendance of 3,087. The Football League side were promoted from the Fourth Division at the end of that season. In 1979/80 Welling United reached the Fourth Qualifying Round.

The days of widespread local knock-out cup success were also over. Uxbridge won the Middlesex Charity Cup in 1982. Grays Athletic won the Essex Thames-Side Trophy in 1981 and Leyton-Wingate won it the following season.

4th placed Dorking became Isthmians at the end of 1979/80, but **BASILDON UNITED** were added for 1980/81 to keep membership to 20 clubs.

Basildon were from the Essex Senior League. They came into being in 1967, previously having been known as Armada Sports. The new club entered the Grays & Thurrock League, moving on to the Greater London League the following season. In 1971 they were among the founder members of the Essex Senior League. During their time in that competition they won the championship four times.

But after just one season Basildon moved to the Isthmian League as did long time members Windsor & Eton. The championship had been won that season by Windsor who generated an exciting finish by playing 'games in hand' to overtake eventual runners-up Basildon, and Banstead. Bottom placed Alton Town went to the Combined Counties League and Welling United started a trial that was to lead to the Conference by moving to the Southern League. Membership was reduced to 19 as only three replacements came in, all coming from the London Spartan League, won by Fisher Athletic.

Third placed **WHYTELEAFE** were founded in 1946 and joined the Surrey County League in 1958, moving on to be founder members of the London Spartan League in 1975.

KINGSBURY TOWN rejoined after a gap of three seasons spent in the London Spartan League, finishing 5th in their final season.

HORLEY TOWN finished 10th in the 16 club table. Founded in 1898, they had played non-senior football for most of that time, joining the Surrey Senior League from the Intermediate League in 1972. They joined the London Spartan League in 1978.

Two long serving members became Isthmians at the end of 1981/82, champions Leyton-Wingate, undefeated in the League throughout the season, a feat never before achieved, and Uxbridge who were kept in third by virtue of runners-up Edgware drawing their final game of the season against the champions. Woodford Town joined the Southern League at the same time.

Four new clubs came in again including **CAMBERLEY TOWN** relegated from the Isthmian League, bringing the number up to 20. The three others all came from the Hellenic League, a competition won by Forest Green Rovers, the F.A.Vase winners from Gloucestershire.

NEWBURY TOWN had finished 4th in the 16 club Premier Division. Formed in 1887, they won the Berks & Bucks Senior Cup in 1898. They played in the Great Western Suburban League from 1919 to 1928 then dropped down to intermediate football, winning the Reading & District League five times. They were elected to the Metropolitan League in 1952, moving on to the Hellenic League in 1960 winning the League Cup twice before securing the championship in 1979 and 1981.

FLACKWELL HEATH finished four places behind Newbury. Founded in 1907, they had been Hellenic League members since 1976 where they were promoted to the Premier Division at the first attempt as runners-up to Didcot Town.

THATCHAM TOWN finished 11th in the league's 16 club First Division. Founded in 1896, as members of the Oxfordshire Senior League, they had been Hellenic League founder members since 1953 and members ever since. They were Division One champions in 1959, 1965 and 1973, and Premier League champions and Cup winners in 1975. Also in 1975, although losing in the Berks & Bucks Senior Cup Final to Wycombe Wanderers, they were awarded the trophy because of circumstances arising from a dispute the Isthmian side had with the County F.A.

As from 1982/83 it was arranged that the top two clubs would, subject to facilities of the appropriate standard, be taken into the Isthmian League. The top two that season Newbury Town and Grays Athletic accordingly benefited from the arrangement, Redhill, leaders for much of the season missing out.

The League, which adopted the three-points-for-a-win system for 1983/84, acquired new members, again increasing its numbers, this time to 21, the highest ever in one division.

Former Athenians **HARWICH & PARKESTON**, relegated after a decade of Isthmian League football after finishing bottom of Division Two on goal difference, and **BERKHAMSTED TOWN**, 8th of 13 in the Premier Division of the London Spartan League and who had spent a period also in the Spartan League since leaving the Athenian in 1966, re-joining. Berkhamsted won the London Spartan League title in 1979/80 and had twice been Herts Charity Cup winners since last being Athenian League members. In 19083 they sold their Lower Kings Road Ground and moved nearby, to Broadwater, the new facilities helping to earn a return to the Athenian League.

The third new club was **WOLVERTON TOWN**, 6th in the 13 club London Spartan League's Senior Division. Wolverton L & NLR were formed in 1887 as a railway team and won Southern League Division Two and promotion in 1895. They then played as a semi-professionals in the Northampton League later moving to the South Midlands League, winning the title in 1939.

Railway network changes saw name changes, to LMS between the wars and then to BR in 1948. They joined the Spartan League in 1946 and as runners-up in Division One West were promoted in their first season. Their best final place was runners-up in 1952, but they also won the Berks & Bucks Benevolent Cup in 1949 and 1950. They returned to the Northampton League (which had become the United Counties League) in 1956. Berks & Bucks Senior Cup finalists in 1970, later that decade they became simply Wolverton Town. They had joined the London Spartan League for 1982/83.

1983/84 was, however, the last competitive season. The Isthmian League expanded by regionalising its lowest division, in effect adding a new division. Of the 21 clubs in membership, 13 joined the Isthmian League (Chalfont St. Peter, runners-up; Whyteleafe 4th, Flackwell Heath 5th, Harefield United 6th, Banstead Athletic 7th, Marlow 8th, Ruislip Manor 10th, Kingsbury Town 11th, Wolverton Town 12th, Chertsey Town 15th, Berkhamsted Town 16th, Haringey Borough 19th and Camberley Town 21st), champions Redhill, who secured the title by winning their last game of the season, missing out because of the ground stipulations.

The League could not continue with eight clubs so those had to find new homes: Four found themselves in the London Spartan League (Redhill, the champions, Burham 3rd, Edgware 13th and Thatcham Town 17th) two joined the Combined Counties League (Horley Town 18th and Fleet Town 20th) one went to the South Midlands League (Hoddesdon Town 9th) and one re-joined the Eastern Counties League (Harwich & Parkeston 14th).
