### FOREWORD

For twenty five years, the **ESSEX SENIOR FOOTBALL LEAGUE** has promoted and encouraged the game at Amateur level and since 1974 at Semi-professional grade. We are very proud of our tradition and strength in the non-league game and have reached the pinnacle of the game with three F.A.VASE victories at Wembley thanks to the exploits of **BILLERICAY TOWN** and **STANSTED**.

Many clubs have built up from nothing, such as Wivenhoe Town and Purfleet, used the Senior League as a stepping stone and moved on and up the pyramid of football.

In earlier days, both Billericay and Basildon took similar routes followed by Heybridge Swifts, all having been junior clubs to start with and then building grounds to specifications that determine Senior Football. The standards are set by the Essex County Football Association from whom Senior status is granted and we as a League give the opportunities to clubs to play their football at a level that the status determines.

I have been involved in the League since 1983, first as a member of Canvey Island F.C. and from 1984 as Publicity Officer, then latterly Chairman. Sadly, one major drawback has been the lack of information and statistics relating to seasons prior to my joining and it has been very difficult indeed trying to collate the required material. Thanks to the hard work put in by Leigh Edwards and Mike Wilson, together with Billericay Town historian Phil Heady and self confessed lover of all Essex football Keith Roe, a definitive statistical record of the **ESSEX SENIOR FOOTBALL LEAGUE** from its inception has now been painstakingly put together.

I am delighted to give the League's blessing to its publication and hope that a copy will sit alongside every club-member, fan and follower of the League and may answer most of the questions raised on past issues. Many great players have passed our way, from former greats Jimmy Greaves and Alan Brazil as well as notable graduates Trevor Putney and Steve Tilson and clubs from Pegasus in 1971 to Ilford in 1996. I hope you all enjoy the read.

## THE ESSEX SENIOR LEAGUE A CONCISE HISTORY

Compiled by Phil Heady

### Formation and First Season

Following a preliminary meeting, representatives of ten Essex clubs of mixed status met together at the Shire Hall, Chelmsford on 8th February 1971 and resolved that "A Senior League be formed provided that there are at least eight clubs approved for Senior Status by the E.C.F.A. and the ten applicants (the clubs represented at the meeting) be founder members of the competition".

The same meeting agreed that the competition would be known as the "Essex Senior Football League" but it was to be some time before it was certain that the new league would actually start the season.

The principal early difficulty was the number of participants. The ten clubs represented at the first meeting were - Basildon United, Billericay Town, Coggeshall Town, Collier Row Motor Gear, Heybridge Swifts, Pegasus Athletic (Coryton), Saffron Walden Town, Stansted, Tiptree United and Witham Town. The resolution of the clubs at their February meeting had been adopted by nine votes to nil with one abstention and as the weeks went by there were some misgivings expressed both privately and publicly.

In early May, Coggeshall Town were still in two minds. A club management committee meeting decided that they would join if the competition was to have ten clubs, but at that time there were only eight. Collier Row Motor Gear did not join so Coggeshall Town ended up staying where they were.

The eight remaining teams were supplemented by the 'A' team of Fourth Division SOUTHEND UNITED to bring the number of participants in the first season, 1971/72, up to nine.

**BASILDON UNITED** came into being in 1967, having previously operated as junior club Armada Sports since 1963. In 1967/68 they were in the Grays & Thurrock League, moving on to the Greater London League the following season. They finished in 4th in the Reserve Section Division Two, then runners-up and, in their final season, finished 6th of twelve in the Reserve Section Division One.

**BILLERICAY TOWN** were formed in 1880 and after the First World War played in the Mid-Essex League. In 1947 they joined the Southern Essex Combination and in 1966 were founder members of the Essex Olympian League. They were League champions on goal average from Chadwell Heath in 1969 and won the League and Cup 'double' in 1970. The club moved to new premises at New Lodge, Blunts Wall Road for the first Senior League season.

**HEYBRIDGE SWIFTS** had also been formed in 1880. After the First World War they joined the Essex & Suffolk Border League, spending some time in the North Essex League before returning. On being reformed after the Second World War they played in the North Essex and South Essex Leagues before returning to the Essex & Suffolk League from where they joined the Essex Senior League.

**PEGASUS ATHLETIC**, then known simply as Pegasus, were Greater London League Reserve Division One champions in 1970/71, having been champions of Division Two the previous campaign. In 1969/70 they won the Essex Intermediate Cup, beating Hornchurch Reserves 3-0 and lifted it again in 1972 after beating Eastern Gas (Colchester) 2-1.

**SAFFRON WALDEN TOWN** had been founded in 1872 and had played in various competitions including the Cambridgeshire Senior, Herts & Essex Border, North Essex, Spartan and Parthenon Leagues. On the scrapping of the Spartan League First Division in 1954, the club's Secretary had tried to start an Essex League to accommodate his club and several others struggling to find a competition of a suitable standard.

The efforts came to nothing and Saffron Walden Town found themselves in the Parthenon League, moving to the Herts County League for the 1955/56 campaign. Runners-up to Leggatts Way Old Boys in the Premier Division in 1969, they struggled the following season and were bottom in 1970/71 and due to be relegated.

STANSTED were formed in 1902 and played local football until joining the Spartan League after World War Two where they finished last in their debut season. Switching to the London League, Stansted struggled there also prior to joining the Herts County League where they failed to make an impression before they joined the Essex Senior League.

TIPTREE UNITED were formed in 1932 and competed in local leagues prior to joining the Colchester & East Essex League in 1947. They joined the Essex & Suffolk Border League in 1960, working their way up to the Premier Division before being founder members of the Essex Senior League.

WITHAM TOWN had been reformed after the Second World War, both wars forcing the club's disbandment. They had gained intermediate status on joining the Essex & Suffolk Border League in 1958, having previously been in the Mid-Essex League since 1949 and the South Essex League.

Among the early principles by which the new competition operated was that professional players would be excluded but 'permit' players, those who had once been professionals, would be allowed to play.

Witham Town won the first championship after Billericay and Pegasus Athletic maintained a challenge throughout the campaign. With insufficient fixtures for a full season, a League Cup based on a league format was run after Christmas once the League championship had been decided. Witham made a poor start and Billericay emerged as the best team, with Pegasus again finishing third despite an unplayed fixture.

The Essex Senior League won a representative game against the Olympian League 2-0 at Billericay: Witham lost 2-1 to Eastern Gas (Colchester) - the Essex & Suffolk Border Combination winners - in the J.T.Clark Memorial Trophy, while Billericay beat Witham 2-1 in a special challenge match at Maldon.

#### League Enlarges for its Second Season

In the latter part of 1971, with the new competition at an embryonic stage, other Essex Clubs showed an interest in joining. Even as early as October, Maldon Town successfully applied for membership.

Formed in 1946, MALDON TOWN started in the Mid-Essex League and had a period in the North Essex League before returning to the Mid-Essex. They moved to the Essex & Suffolk Border League in the 1960s and after winning the title, joined the Eastern Counties League. They were 19th of 20 teams in their final season.

League officials had other requests to tackle as well, including one from Southend United proposing that two to four professional players under a certain age be allowed to play.

In January 1972 three applications for membership were considered. However, an application from Silver End was not pursued as the club failed to secure senior status.

The two other applications were accepted. Both were from the Essex & Suffolk Border Combination. In the event that competition was won in the 1971/72 season by Eastern Gas (Colchester) who, with a 4-1 win over Silver End in the last game of the season, won the title by one point from Coggeshall who themselves were a point ahead of Brightlingsea - these last two being the successful candidates.

Membership was increased to eleven clubs for the second season. With Southend's team dropping out, three new clubs, including Maldon, came in.

BRIGHTLINGSEA UNITED had been founded as Brightlingsea Town in 1902, but changed their name on amalgamation with an athletics club. Via local leagues they joined the Essex & Suffolk Border League. They had been League Premier Cup winners the previous season and their application for membership was accepted unanimously.

COGGESHALL TOWN were formed in 1878 and had been Essex & Herts Border League Champions in 1968/69. They had won it on two other occasions and been runners-up twice. When they applied to join they were Essex Intermediate Cup holders having beaten Great Wakering Rovers 2-0 in the 1971 final.

Pegasus Athletic lost their first match of the season 11-1 at Tiptree United and then resigned, leaving the league to run with ten teams. Pegasus had struggled with ground difficulties and late efforts to secure the use of Melbourne Park Stadium in Chelmsford failed to come to fruition despite strong support from the League.

The League Cup was again run on a league format but split into North and South divisions giving clubs an eight game programme. The matches were also spread throughout the season rather than as in the previous year.

A Reserve Section was also introduced with all the Senior Section's teams taking part together with the Reserve side of Braintree & Crittall whose first team were in the Eastern Counties League. A Reserve League Cup was also run on a regionalised basis similar to the Senior Section Cup. Basildon United's Reserves won the League title and the Essex Intermediate Cup, beating Great Wakering Rovers 4-0.

The third season, 1973/74 saw no changes in the senior section membership, although Silver End had applied again. The League agreed that the club should be admitted subject to senior status being granted, but such status was not achieved. Canvey Island also showed some interest in joining for the 1973/74 campaign but eventually decided not to seek a move, while East Thurrock and Benfleet also corresponded with the League regarding prospective membership.

In the Reserve Section, Clacton Town Reserves joined to take the number up to twelve. The Senior League Cup was again played as a full league format, while the Reserve Section Cup remained regionalised.

Saffron Walden Town enjoyed perhaps their best ever season as a senior club: After drawing their first game, they went on to win 22 of the next 23. A run of indifferent results then threatened their championship hopes but coming from one down they beat Billericay Town at home in the last game of the season to take the title. Saffron Walden also reached the fifth round of the Essex Senior Cup where they went down to Ilford - who were F.A. Amateur Cup finalists that season - in front of a crowd of 722.

#### Increase by Half as Much Again

The League's membership was increased from ten to fifteen for the 1974/75 season. Unsettled by rumours that some clubs were thinking of moving elsewhere, champions Saffron Walden Town moved to the Eastern Counties League but they left their reserve side in the Reserve Section.

Six new clubs joined, including SOUTHEND UNITED 'A' team returning after a two season gap. Third Division rivals COLCHESTER UNITED also put in their 'A' team.

There were four other newcomers:

**BOWERS UNITED** were formed in 1947 and competed in the Southend & District League. They were later in the Thurrock & Thameside Combination, where they were 1959 champions prior to becoming founder members of the Essex Olympian League in 1966. Bowers finished 8th in both of their last two seasons in the competition, a mid-table place being typical of their eight seasons in that league. They had moved to a new ground for their last Olympian League season.

**ROMFORD RESERVES** were a new team. Romford were in the Southern League operating with a squad of 20 playing, without a reserve side but competing in the Eastern Professional Floodlight Cup. In 1974 they reduced the first team squad to 16 and introduced a reserve team in the Senior League.

**FORD UNITED** came into being in 1958 on the amalgamation of the very successful Briggs Sports and Ford Sports, both of which had been formed in 1934. They spent time in the Spartan, Aetolian and Greater London Leagues being among the founder members of the Metropolitan London League in 1971. In their final season they finished 12th of 14 clubs in the newly created Premier Division having been 10th in Senior Division One the previous campaign.

**BRENTWOOD** had been founded in 1955 as Manor Athletic and joined the Essex Olympian League as Brentwood Athletic in 1970. Runners-up in their debut campaign, they finished third in the season before joining the Essex Senior League and had been top of the table when their application was considered.

Meantime, the Reserve Section lost Braintree & Crittall who were Champions in their last season.

### The League goes 'Open'

The League decided that it should, for the 1974/75 season, be an 'open' competition thus allowing both professionals and amateurs to play in the league.

Champions Billericay established a new goalscoring record with 63, a record bettered in 1976 when they scored 84.

The Colchester United and Romford sides left after one season and their replacements for the 1975/76 campaign were Eton Manor and Canvey Island to keep the number of participants at 15. Five applicants were, however, turned down. Romford's reason for leaving was that they were having difficulty securing playing accommodation for the new season. In the Reserve Section, Woodford Town joined Clacton and Saffron Walden as the only clubs not to have a first team in the Senior Section.

While the Senior League had been gradually consolidating, elsewhere in the Home Counties there were considerable changes beneath the Isthmian and Athenian Leagues as these two competitions grew in membership. These changes affected several Essex clubs destined to find their way into the Essex Senior League. The Metropolitan London League was formed in 1971 by the Metropolitan and Greater London Leagues merging. The former had been founded in 1949, while the latter had been formed on the amalgamation of the Aetolian and London Leagues.

Among the clubs affected by these changes were the 1975 newcomers:

ETON MANOR were formed in 1901, gaining senior status and a London League place in 1933. In 1959 they were founder members of the Aetolian League but played first in the Greater London League, of which they were inaugural champions, and then the Metropolitan London League. From 1968 they played their games at Green Pond Road, the home of Isthmian Leaguers Walthamstow Avenue.

After finishing mid-table in 1972/73, Eton Manor improved to third the following year. They were fifth of 20 Senior Division clubs in the last season, most of the others moving to the London Spartan League following yet another amalgamation of leagues.

Formed in 1926, CANVEY ISLAND followed a similar pattern of league membership over the ten or so seasons before joining the Senior League. Founder members of the Greater London League in 1964 they became founder members of the Metropolitan London League in 1971, After finishing third in 1973, they came fifth the following year.

Canvey were third again in 1974/75 behind champions Cray Wanderers in a table that included Chingford (8th), East Ham United (10th), East Thurrock United (12th) and Barkingside (16th). In earlier seasons, they had also competed in the Parthenon and London Leagues.

### Represented at Wembley

Billericay Town were the team of 1975/76. In 1974 the F.A.Vase was introduced as a competition for those clubs not entering the F.A.Trophy, in effect a knock-out competition for clubs which may have previously entered the F.A. Amateur Cup.

That first competition had seen Billericay and Basildon United knocked out by eventual winners Hoddesdon Town, with Basildon and Coggeshall having reached the last 32.

The 1975/76 F.A. Vase saw Billericay taken to a first round replay by Spartan League Hatfield Town, with Witham Town, Maldon Town, Basildon United and Heybridge Swifts progressing at the first attempt. London-Spartan League side Crown & Manor were beaten at home by Billericay in the next round while Basildon beat Witham to become the only other Essex Senior League survivor.

Billericay won 1-0 at home to Athenian League Epping Town in the third round, while Basildon beat Eastern Counties League Clacton by the same score. In the last 32, Basildon lost by the odd goal in five at South Midlands League Barton Rovers, while Billericay beat City of Norwich School OBU 2-1 at home.

Hungerford Town of the Hellenic League were next to fall to Billericay, after a 2-0 victory at New Lodge. Facing Farnborough Town in the Semi-Final, the Athenian Leaguers were beaten 2-1 in front of a record 3,193 crowd and the teams played out a goalless draw at Farnborough in the second leg watched by 2,603.

And so to Wembley and a final against United Counties League Stamford. A single goal was enough to bring the Vase to Essex, a 11,858 crowd witnessing the Senior League side's triumph.

Billericay also won the Essex Senior League title, while in the Essex Senior Cup, Heybridge, Chingford and Eton Manor were all beaten before a 3-2 win over Epping Town secured the 'Double' for Billericay. They bettered the league's goalscoring record by getting 84 goals, while Woodford scored 97 times in the Reserve Section.

Tiptree led the League for much of the season but had to be content with second place. Two representative games were played; the Herts County League being convincingly beaten 5-2 at Ware F.C. and a side faced Witham to celebrate the official opening of their Spa Road Ground. Witham marked the occasion with a 4-3 win.

Southend 'A' dropped out for financial reasons at the end of the season and, with an increase in membership to 17 for 1976/77, the three new clubs, including CHELMSFORD CITY'S reserve side.

WOODFORD TOWN were founded in 1937 and had played in the South Essex League, then the London League prior to being Delphian League founder members in 1951. Seasons in the Metropolitan and Greater London Leagues followed before they joined the Southern League in 1971. After a terrible season they returned to junior soccer.

SAWBRIDGEWORTH TOWN were another founder member of the Essex Olympian League, following an unsuccessful period in the Spartan League. One off bottom in that first season, 1966/67, there was little improvement for five seasons until they pipped Chadwell Heath to the championship in 1972. They also won the West Essex Border Cup, a trophy retained the following season and finished 4th in the last of their ten Olympian League seasons.

#### Another Wembley Triumph

Remarkably, Billericay were at Wembley again in the 1977 Vase final. Swanley Town lost 2-0 in Essex in the second round and former winners Hoddesdon Town were beaten 4-1 at Billericay in the next round. The last 32 saw Redhill hold Billericay to a draw before going down 3-1 at New Lodge.

In the Vase quarter finals the Essex Senior League side beat Winterton Rangers 1-0, while in the semi-final Billericay again faced Farnborough Town. Having lost 2-0 in Surrey, Billericay appeared to have a lot to do in the second leg but ran out 6-0 winners.

In the Wembley final against one of the oldest clubs in football, Sheffield, two hours play could not separate the teams in front of a 15,150 crowd and a replay was held at Nottingham Forest's ground. Watched by 3,482 at the City Ground, Billericay won 2-1.

Elsewhere, Brightlingsea reached the semi-final of the Essex Senior Trophy while Bowers went one better and got to the final. East Ham United emerged as winners by the only goal of the game. This was actually the same Cup won by Billericay the season before, as in 1976 the Essex Professional Cup was renamed the Senior Cup with the Senior Cup becoming the Senior Trophy.

Basildon won the League title for the first time and became the first club to win the championship with over fifty points. Billericay beat Bowers in the League Cup final 1-0 in front of a 1,400 crowd, the competition's highest ever gate.

With the Essex Senior Trophy competition launched in 1976/77, Bowers United were beaten by East Ham United in the Final. Brentwood beat Epping Town Reserves 3-1 to win the Essex Intermediate Cup.

### First Loss to the Athenian League

Third placed Billericay Town, who again improved the League's goalscoring record to 88, became the first club to move into the Athenian League when they did so for the 1977/78 season and the Essex Senior League operated with 16 clubs. The Athenian League had lost 16 clubs that summer as the Isthmian League established a Second Division.

The Essex Senior League returned to a 17 club competition the following year with the addition of **EAST HAM UNITED**. Formed in 1933 as Storey Old Boys, they played in local leagues until joining the South Essex League as Storey Athletic in 1946.

East Ham United won the London Junior Cup in 1951 and joined the London League, changing their name to their present title in 1955. They then took a trail through the Aetolian, Greater London and Metropolitan London Leagues. Founder members of the London Spartan League in 1975, East Ham finished fifth in Division One of the Senior Section, then third and fourth in the new Premier Division in 1977/78. They were Vase quarter finalists in 1977.

Basildon became the first club to achieve three consecutive title wins and in doing so broke their own record for the highest points total with 57. They also won the Essex Senior Trophy by beating Isthmian League side Clapton 3-2 after extra time.

Woodford became the second Essex Senior League side to move to the Athenian League and Chelmsford Reserves left at the end of the 1978/79 season, while founder members Tiptree United joined Saffron Walden in the Eastern Counties League. In their eight seasons Tiptree had twice been League runners-up but never won the league title. The Essex Senior League continued with 16 clubs, the two newcomers being:

**WIVENHOE TOWN** came from the Essex & Suffolk Border League. Founded as Wivenhoe Rangers in 1925, they had played in the Brightlingsea & District, Colchester and East Essex Leagues with much success. They won the Border League's Second Division at the first attempt in 1971/72 and were champions of the Premier Division in their last Border League season.

**EAST THURROCK UNITED** were founded in April 1969 and were initially members of the Southern Essex Combination but moved on to the Intermediate Section of the Greater London League in 1970/71, then the Metropolitan London League. They were founder members of the London Spartan League in 1975 and finished 6th in the 17 club Senior Division Two but gained a Premier Division place for their last season, finishing 14th out of 18.

### Into the Eighties

Four times champions Basildon United became the third club to join the Athenian League at the end of 1979/80. Brentwood were Essex Senior Trophy runners-up, losing 1-0 to Billericay after a goalless first match.

Membership was back to 17 with the return of **CHELMSFORD CITY RESERVES** and the addition of **HALSTEAD TOWN**. Founded in 1879, Halstead had played in local soccer and joined the Senior League from the Essex & Suffolk Border League, having been champions in 1978. They had managed a hat-trick of title wins in the late 1950's.

A period of stability followed. The competition ran with 17 clubs for the next four seasons without any changes in membership. The Annual General Meeting in June 1981 heard that due to the non-attendance of representatives from Bata Sports and Bishop's Stortford Swifts, their applications were not considered. In 1981/82 the Stansted v Sawbridgeworth fixture was not played and the hosts were awarded the points, while Ford United had one point deducted for fielding an ineligible player. In 1982/83 Heybridge scored 90 goals to beat Billericay's six year old record.

Witham Town were Essex Senior Trophy runners-up in 1981 - losing 1-0 to Tiptree United in a replay - and again in 1982 when they lost 2-1 to champions Heybridge Swifts.

Heybridge Reserves were undefeated in their 1979/80 Reserve Section campaign, an achievement equalled by Witham Town Reserves the following season and repeated by Heybridge in 1984.

### Third Visit to Wembley

The 1983/84 F.A.Vase Preliminary Round saw a mixed bag of results. Defending League champions Heybridge Swifts beat Felixstowe Town 3-0, while Saffron Walden beat Maldon by the same score. Stansted won 2-0 at Epping and Witham won at Berkhamsted in a replay. Sawbridgeworth, Brightlingsea, Halstead, Coggeshall and East Ham United all lost. Bowers went down 5-3 at home to Hoddesdon after extra time, while Ford conceded five without reply.

In the First Round proper, Wivenhoe beat Newmarket Town 2-1, Witham beat Pirton 2-0, Saffron Walden beat Norseman 4-0, Heybridge Swifts beat Edgware Town after extra time in a five goal replay and Stansted beat Barkingside 4-1.

The five successful Essex Senior League sides took their place in the Second Round alongside previously exempt clubs. These included former Essex Senior League side Basildon who lost 2-1 at home to Stansted. Witham lost at home to Baldock Town 2-1, Wivenhoe Town beat Haverhill at home 2-1, and Saffron Walden won at Eaton Bray United by the same score. Heybridge Swifts beat Wolverton Town 4-0.

With four Essex Senior League clubs in the Third Round, Wivenhoe were drawn away to Stansted to ensure that at least one Essex Senior League side would reach the last 32. Stansted went through 2-0, while Heybridge won by the odd goal in seven at Harefield United and Saffron Walden lost 2-1 at Uxbridge.

Fate played a cruel trick on the aspirations of the two Essex Senior League survivors for they were paired together in the fourth round, with Heybridge at home. A 326 crowd got two hours football for their money as Stansted squeezed through 2-1.

Bristol Manor Farm were eliminated in Round Five and Stansted reached the semi-finals with a 2-0 replay win over Gloucester County Leaguers Old Georgians. The least fancied of the four semi-finalists, Stansted were held at home by former winners Whickham in front of an 828 crowd and managed an amazing 2-0 victory on Wearside to secure a trip to Wembley.

Stansted's opponents on the big Wembley occasion were United Counties League side Stamford, winners in 1980 and runners-up to Billericay in 1976. An 8,125 crowd saw Stansted go two up by half-time and despite conceding one shortly after the interval, they eventually won 3-2. Stansted also lifted the East Anglian Cup (beating Sudbury Town and becoming the first Essex Senior League side to win the competition) and the Eastern Floodlit competition (winning a two-legged final against Basildon).

### Into the 'Pyramid'

A threat that an expansion of the Eastern Counties League would seriously damage the Essex Senior League's strength was successfully avoided and the clubs agreed plans to join with the London Spartan, South Midlands and Combined Counties Leagues to form the feeder leagues into the Isthmian Pyramid.

This arrangement saw the last competitive season for the Athenian League. In November 1983, representatives of the leagues met at Lancaster Gate and came to the 'Pyramid' agreement. In effect, on the establishment of a regionalised division two of the Isthmian League (that competition already had a premier, first and second division) any Athenian League club without a league was to be accommodated in one of the others. As from the end of 1984/85 four clubs were to be accepted into the Isthmian League, subject to ground grading, while four clubs would be relegated into the feeder leagues.

Founder members Heybridge Swifts completed three consecutive championships in 1984/85 and equalled Basildon's record of 57 points. They moved up in accordance with the new arrangements to join the Isthmian League, being allocated to the Northern Section of Division Two. Loughton Athletic were the first non reserve side in the Reserve Section.

The 1984/85 championship race (the first run on a three-points-for-a-win basis) went to the last day of the season. Witham finished their programme leaving Maldon Town needing to win their remaining five games. This they did, a 1-0 victory at Bowers United giving them the title on goal difference with a new record 64 points.

Loughton Athletic won the Reserve Section, becoming the fourth team to do so without losing. With Southern League Woodford Town keen to field a team in the Essex Senior League and Loughton Athletic experiencing ground difficulties, the two amalgamated and formed the nucleus of Woodford Town's reserve team.

#### First Newcomer in Five Years

**BURNHAM RAMBLERS** were the Essex Senior League's first newcomers for five years when they came in for the 1985/86 season as membership returned to 17. They had been Essex Olympian League founder members and inaugural champions, then runners-up the following season but had not matched these performances again.

A relatively new club, Epping decided against taking up a place in the League allocated to them. The Local Council allowed them only limited use of facilities at Stonards Hill Recreation ground (the home of the former Epping Town club) and Epping disbanded during the summer of 1985.

The Reserve Division was re-named Division One and comprised 19 clubs, 15 reserve sides of Senior Division clubs, Woodford Town Reserves, junior sides Southend Manor and Purfleet and intermediate side Stambridge.

Wivenhoe Town led the table for most of the 1985/86 campaign but eventually lost out to Witham Town, winning their first championship since the 1971/72 season with a new record of 77 points. Witham also won the Essex Senior Trophy (beating Heybridge Swifts 3-2 after extra time).

Woodford Town's Reserve team won Division One with a record 95 points from 36 games. They also scored a record 118 goals equalled by Stambridge while both Southend Manor and Purfleet reach three figures. Two First Division clubs conceded over 100 goals.

Senior Division runners-up Wivenhoe Town joined the Isthmian League Division Two North at the end of the 1985/86, season while bottom club Coggeshall dropped down to Division One. Two replacements came in from the lower division:

**PURFLEET** were formed in April 1985 and moved straight into the Senior League's Division One. After finishing third they were granted senior status and joined the top section. First Division champions **WOODFORD TOWN RESERVES** also moved up. Their first team finished 16th in the Southern League Southern Section.

With the loss of these two teams, Division One was re-arranged into North and South sections with Southend Manor and Coggeshall as the only non-reserve sides. St.Osyth were elected to Division One but were not able to take up their place.

Canvey Island won the championship in their twelfth season whilst Purfleet won the League Cup at the first attempt. This was the second time that Ford United had a point deducted for fielding an ineligible player.

Woodford finished third in the Southern League after challenging for promotion and also reached the First Round of the F.A.Cup. Beset with financial difficulties they left the Southern League and took up a place in the Essex Senior League for the 1987/88 season.

#### 'Essex Football League'

With Woodford's reserve side replaced by the first team, Witham Town moving up to the Isthmian League and Coggeshall returning, the Senior Division retained its 17 club format for the 1987/88 season, as not all clubs of senior status, however, the competition was renamed 'The Essex Football League'. Division One was unified again with Stambridge and St. Osyth joining Southend Manor as the only non-reserve teams.

The 1987/88 title race was fought out by Sawbridgeworth, Brentwood and Halstead, with Purfleet coming through late to clinch their first championship and complete an Essex Senior League & Cup 'double'.

Purfleet joined the Isthmian League, whilst Halstead transferred to the Eastern Counties League with their reserve team staying on. Two new clubs were also needed for the 1988/89 campaign and they were the top pair from Division One. With St.Osyth dropping out, Division One was left with reserve teams only and as the competition comprised senior clubs only, the name reverted to the 'Essex Senior League'.

SOUTHEND MANOR were formed in 1955 and granted senior status in May 1988 whilst members of Division One. They had been elected in 1985 from the ill-fated Southend Alliance League.

STAMBRIDGE were granted senior status in March 1988 and immediately applied to join the Essex Senior League's Senior section for the 1988/89, season having also joined from the Southend Alliance League in 1985.

Coggeshall resigned for financial reasons and dropped out again at the end of 1988/89, their two seasons back at the top having seen little improvement in League position than the final seasons of their earlier run in the senior section.

Brightlingsea retained the championship and transferred to the Eastern Counties League at the end of the season, the fourth Essex Senior League club to join that league, although their reserve team retained a place in Division One, Chelmsford Reserves transferred to the Essex & Herts Border Combination, a competition for reserve teams.

There was just one replacement, HULLBRIDGE SPORTS, as membership stood at 15 clubs, the lowest since 1975/76. Founded in 1945, Hullbridge had joined the Essex Olympian League Division Two in 1985 and had been promoted in third place. The competition was renamed the Essex Intermediate League for the 1986/87 season. Relegated after two years, their final three seasons saw them finish mid-table.

#### Back into the 'Pyramid'

In 1990 came a return to participation in the 'Pyramid' and a new look Management Committee declared that their priority was actively to assist clubs at intermediate level who wished to gain senior status and progress up through the Pyramid.

Southend Manor won the 1990/91 championship race with their reserve team winning Division One, the first championship double since Heybridge's achievement in 1983/84.

After ten seasons in the Isthmian League, Basildon United returned to the Senior League for 1991/92, the first club to make this move. They had been Division Two champions in 1984 but were relegated in 1989. Basildon's last two seasons had seen them finish 7th and 18th in Division Two North and their resignation came after they found the league too demanding.

With CONCORD RANGERS also joining, there were 17 clubs competing again in the Senior Section. Concord had joined the Intermediate League two seasons earlier and had just been crowned champions of Division Two.

In a thrilling climax to the season, Ford United, Brentwood and East Thurrock United all finished with 66 points while Sawbridgeworth were just a point behind. Ford won on goal difference, just as Maldon had clinched the 1984/85 title.

Ford United also won the Essex Senior Trophy, beating Tiptree, Harwich & Parkeston and Bowers en route to the final in which they defeated East Thurrock United 3-0 at Burnham Ramblers F.C. They lost the Essex Thames Side Trophy final in a penalty shoot-out at Billericay Town having earlier won at Purfleet, Chelmsford City and Canvey Island.

GREAT WAKERING ROVERS and ROMFORD replaced Stambidge (who lost their senior status) and East Thurrock United (another club moving up to the Isthmian League) for the 1992/93 season. Canvey Island started with 14 straight wins and lifted the title by a nine points margin.

Great Wakering Rovers were another Intermediate League team and had won Division Three and Division Two championships in successive years. Romford were a newly formed club bringing with them much of the old support and enthusiasm of the area which once supported a Southern League side with Football League aspirations, but no permanent home of their own.

League runners-up Sawbridgeworth had to make up a huge gap between them and Bowers but managed it on the last day. Additionally, Sawbridgeworth won the Herts Charity Shield (beating Leverstock Green in the final), and were runners-up in the Herts Centenary Trophy to St. Margaretsbury. Southend Manor were Essex Senior Trophy winners after beating Barkingside, Brightlingsea United, Concord Rangers and Ford United en route to a 1-0 win over Jewson League Harwich & Parkeston in the final at New Writtle Street.

### Another Vase Near Miss

Meantime, Canvey Island nearly made it to Wembley. The F.A. Vase First Round saw them at Wroxham where they won 3-0, then they won 3-2 at Sudbury Town and 1-0 at home to King's Lynn before a 1-0 replay win at Harefield.

A goal in extra time clinched a 1-0 win at home to Clevedon Town in front of a 1,243 crowd and a place in the quarter finals. Another home victory, 2-0 against Bilston Town, put them into the two-legged semi-final but a two goal defeat at Tiverton Town was too big a deficit to make up back in Essex and Canvey lost 2-1 on aggregate. Both semi-final legs had attendances of 2,600.

With the loss of Woodford, the Essex Senior League had 16 members in 1993/94. Canvey failed to retain the league title but became the first Essex Senior League side to reach the F.A. Cup Fourth Qualifying Round. They won at Brightlingsea in the Preliminary Round, then beat Basildon United, eventual League champions, after a replay. An extraordinary 3-2 win in front of 855 at Boston United followed before a 1-0 win at Diadora League Bishop's Stortford in the Group Final. Canvey eventually lost 3-1 in front of 2,191 at Conference side Kettering Town.

Canvey also made more progress than any other Essex Senior League club in the Vase, reaching the Fourth Round where they narrowly lost to Newbury Town by the odd goal in three. They also won the Essex Thames Side Trophy (the first time the magnificent trophy had been won by an Essex Senior League club) after beating Grays Athletic on penalties following a 2-2 draw.

Ford United lifted the London Senior Cup with a victory over Hanwell Town in the final, while Sawbridgeworth again won the Herts Centenary Trophy with a 2-1 extra-time win over Bushey Rangers at Ware F.C.

The Essex Senior League was reduced further with the elevation of Canvey Island to the Isthmian League for 1994/95 campaign. The championship was won by Great Wakering Rovers while Basildon kept Essex Senior League interest in the F.A. Vase until losing at home to Raunds Town at the quarter-final stage, having earlier won at Royston Town, Wingate & Finchley, Stotfold and Eastwood Hanley.

Reigning champions Great Wakering Rovers were early pace-setters in 1995/96 but were overhauled as Romford played matches in hand and eventually won the Premier Division title by a seven point margin. Backed by excellent support, Romford completed the 'double' after beating Southend Manor 2-0 in the Premier Division Cup final.

Sharing Ford United's Rush Green Arena, Romford also progressed furthest in the F.A. Cup with wins over Hadleigh United 1-0 and Stotfold 4-1 before losing at St. Albans City for the second successive year. Brentwood reached the F.A. Vase third round and also beat Eton Manor 3-2 in the Harry Fisher Memorial Trophy.

The last-ever Reserve Division title was won by Canvey Island Reserves after 21 years unbroken Reserve Section membership and they completed the 'double' by beating Southend Manor Reserves 1-0 in the Reserve Division Cup final. Sawbridgeworth Reserves beat Brentwood Reserves 5-1 in the Reserve Shield final.

Champions Romford promptly entered the ICIS League as Collier Row & Romford, while Maldon Town joined the Jewson Eastern Counties League after 24 years in the Essex Senior League. Newcomers for the 1996/97 season are Saffron Walden Town - returning from the ICIS League - and Ilford, having gained Senior status.
