MONTHLY AWARDS

The fourth series of the Ryman Football League Monthly Awards, covering the month of December, will be held over following the exceptional bad weather conditions this month.

WEEKEND REVIEW

By Peter Butcher – Ryman League Communications Administrator

Premier Division

Much hard work enabled Carshalton's Premier Division derby against Sutton to go ahead and it was Sutton who made the most of it with a 2-0 victory which takes them six points clear at the top of the table.

They made the breakthrough moments before half-time with a header by Andy Forbes and Bradley Woods-Garness added the second, also with his head, ten minutes after the restart.

Carshalton's reward for their efforts was a four-figure crowd, with 1,052 fans going through the Colston Avenue turnstiles.

The only other Premier Division game also produced a 2-0 away victory, for Cray at Margate. It was goalless for 62 minutes until Mark Willy claimed the opener, and Laurent Hamici hit his 17th goal of the season two minutes later. Of those, 14 have come in the league and he is three clear of Kingstonian's Bobby Traynor in the race for the Premier Division's golden boot.

The victory means that Cray finish their 150th anniversary year in third place, the highest they have ever been.

Division One North

All games were postponed in Division One North.

Division One South

Three matches were played in Division One South and there was no joy for new Horsham YMCA manager John Cumberbatch. The former Ashford Town boss took over a team at the foot of the table, with the league's worst defensive record by a distance.

Cumberbatch had an early chance to assess his side's defensive woes as they crashed to a 6-1 defeat at Whitehawk, who themselves moved into second place, a point behind leaders Leatherhead who have two matches in hand. Four Hawks players netted their tenth goals of the season in all competitions during the afternoon.

It could have been worse: Josh Jones, Paul Armstrong and Jamahl Hughes made it 3-0 after only 19 minutes, each of them taking their personal tallies into double figures. Armstrong's strike made Hawks the third team to reach 50 Ryman League goals. Hughes struck again on the half-hour but there was some consolation for YM when Gavin Gordon scored three minutes before half-time.

Wes Tate restored Hawks' command with goals in the 50th and 56th minutes, the second of them being his tenth of the season as well.

Hawks thus became the league's top scorers with 54, one more than Leatherhead and four more than Division One North side Needham Market.

It was a different story for the side above YMCA in the table as managerless Whitstable grabbed all three points at home to Ramsgate with a dramatic Stuart Vahid goal in the fourth minute of added time. They should have gone ahead in the first half when James Gregory brought down Lloyd Blackman. But Rams keeper Jack Smelt parried Ian Pulman's penalty and blocked his follow-up effort. Smelt pulled off another fine save from the same player shortly afterwards, and Pulman's unhappy first half was complete when his lob hit the bar.

A Mark Lovell header that flew narrowly wide in the second half was as close as Rams would come and the game looked destined to finish goalless as it passed the 90-minute mark. The Oystermen then introduced Vahid for Pulman and the switch paid off as the newcomer turned in a cross from Michael Yianni to win it.

The points were not enough to lift Whitstable out of the relegation zone. They remain

behind Corinthian-Casuals, but now by just a single goal.

One fixture guaranteed to attract a big crowd is a Sussex coast derby between Worthing and Bognor, and 676, almost 300 more than the previous best crowd in the division this season, turned up at Woodside Road to see the renewal of their rivalry. It was their first league meeting for eight seasons and finished with honours even at 2-2.

Bognor started brightly but it was Worthing who took the lead in the 28th minute with a curling 20-yard free-kick by John Lansdale. Luke Nightingale headed the equaliser soon after half-time, only for Rebels to regain the lead in the 64th minute through Callum Saunders, who followed up to score after his initial effort had been parried by keeper Craig Stoner.

Promotion-chasing Rocks saved a point with six minutes left when the ever-reliable Jason Prior headed his 16th goal of the season from a cross by former Worthing favourite Ben Johnson.

CLUB GOSSIP

HEYBRIDGE SWIFTS FC

Heybridge Swifts did everything it could to get the local derby game on against Maldon & Tiptree yesterday. From Pre Breakfast time an army of fans and staff were working on the pitch at Scraley Road to give the local Christmas derby a chance after the overnight temperature gave a little hope.

Cars were placed on an area of frozen penalty area at the far end of the ground which ended up being the area that decided the games fate. Car engines were turned on to direct heat onto the pitch and the cars were then placed under covers. The 11 a.m. inspection was put back to 12 noon.

Rock Salt and grit spreading took place in a frozen car park whilst a walkway was prepared to guide fans into the car park in the safest possible way. Two cars then did circuits of the car park to grind in the grit and break up the ice.

The outcome of the 12 noon inspection was that there would be another inspection at 1:00 p.m. where a final decision would be made. The Referee indicated at 12 noon that he was

still concerned about the penalty area should players or the keeper go diving in. At one point the Swifts groundsman braved car fumes as he went under the covers to fork the pitch such was the passion to do everything he could for the pitch.

Sadly the 1 p.m. inspection brought the bad news that the game was off but the Referee praised the wonderful efforts of all the helpers that had fought so hard to get the game so close to being played.

A statement from Heybridge Swifts Manager Wayne Bond said, "I would like to thank all the people who worked so hard on the pitch to try to get this afternoons game played. Rob has done a fantastic job just to get the game in a state that it needed an inspection. The people who turned up to help today meant that we had a great chance to play. It was just one part of the pitch that couldn't be de-iced.

HORSHAM YMCA FC

New Horsham YMCA manager John Cumberbatch believes he can help his side achieve a mid-table finish this season. Cumberbatch was appointed last week in the wake of Colin Jenkinson's departure with YM rock bottom of the Ryman League Division

One South. And with experience of helping drag a team up the table, from his time at Ashford Town, he is confident he can help the Gorings Mead side avoid the drop.

"I have got a lot of decisions to make for the first two to three games," Cumberbatch said. "They will be very tough matches and this period of a month will be used to assess what we have. What I won't do is go in there and make sweeping changes before I see what is there.

"We would like to be mid table by the end of the season. It's going to be very difficult. If we manage to avoid relegation, then from our point of view that's task done."

WEALDSTONE FC

Wealdstone's dynamic midfielder Kieron Forbes has signed for Blue Square Premier club Forest Green Rovers.

With consistently outstanding performances since he signed from Watford two seasons ago it is of little surprise that he has caught the eye of a number of full time professional clubs and recently that interest has intensified. Very understandably Kieron has always expressed a strong desire to play full time football and further develop his career in the game so this move will tick all the boxes and he will sign for the Gloucestershire based Conference outfit.

David Hockaday, Rover's Manager, has previous links with the player and was Watford's under 18's coach when Forbes was a member of the Hornets Academy set up.

Forbes, 20, who has recently completed a one hundred appearance milestone for Wealdstone and a deal that includes a fee and sell-on clause has been agreed between the two clubs. He becomes yet another young player to progress from the Wealdstone FC talent development conveyor belt following the likes of Jermaine Beckford, Graeme Montgomery and Carl Martin who have all moved on to the full time pro ranks in recent seasons.

Stones manager Gordon Bartlett said: 'I am disappointed to lose him because not only is he a good player but he is also a genuine character who has been an important part of our squad for the last two years. This has been a very difficult situation that has been going on for about six weeks. Kieron was coming to the end of his contract and was desperate for the chance to go back to full time

football and I felt we could not stand in his way. As with all our young players, we try to help their careers and give them the platform to go on to bigger and better things and purely on Kieron's attitude and commitment he has given us over the last two and a half seasons, he deserves this opportunity. We are all sad to see him go but he has been an absolute pleasure to work with and we will all have very positive memories of his time with us. We all wish him every success and look forward to seeing him in the future.

Wealdstone Chairman Howard Kraiss said: 'We certainly didn't want to see Kieron leave but we believe it is right we do not stand in the way of young players who have a chance to make their way in the full time game. Moves like this encourage other young players who want to get back into the pro game to come to Wealdstone and I'm sure that Kieron won't be the last Wealdstone player to go full time.'

WINGATE & FINCHLEY FC

On Saturday 12th February 2011, a group of Wingate & Finchley Football Club supporters will brave the Winter conditions and walk a frosty 13 miles from the Abrahams Stadium in Finchley to Waltham Abbey's ground in Essex, arriving in time (all being well!) for kick off at 3pm.

The walk is part of Wingate & Finchley FC's fund raising work for Jewish Blind and Disabled who provide purpose built modern mobility apartments for people of all ages who are physically disabled or vision impaired. The charity is particular important to the club who are proud of their Jewish heritage, and wider links with the Jewish community in North London.
