**QUALITY COMES FIRST**

**The Diadora Football League as we know it today was originally born over 80 years ago when three men of vision saw the need in the London area for a really strong amateur league. Those men, Tom Kirkup for many years Secretary of the London F.A., George Clarke, Hon. Treasurer of Ilford F.C. and Frank Evans, Hon. Secretary of Clapton F.C. met and sent out invitations to six clubs to attend a meeting at the Winchester Hotel in Old Broad Street to informally discuss the subject.**

**The meeting met with enthusiasm and soon the representatives had persuaded their committees of the value of such a competition. The late Harry Huband was approached to become Hon. Secretary and the Isthmian League was officially formed on March 8th, 1905 with Lord Kinnaird as President and Percy Timbs as chairman.**

**The six clubs that formed the League on that inaugural season were London Caledonians, Clapton, the Casuals, Civil Service, Ealing and Ilford. London Caledonians were the first winners and Clapton were runners-up and it wasn't long before the League started an expansion programme which in due course was to lead to the present set-up of 86 clubs this season in four separate divisions.**

**Personalities in those early days were all important, and no more so than Henry Huband who was Hon. Secretary and Treasurer for the first thirty years until 1935 and then President until his death in 1952. During those years, the Isthmian League as far as the South of England was concerned also had a vice-like grip on the Amateur Cup with too many to name winners and finalists drawn from its ranks.**

**The League can also boast two clubs who have gone on to become members of the Football League, although in both cases they had long since shed their Amateur mantle. Wimbledon joined the Isthmian ranks in 1921 and were members until 1964. Maidstone United one of the Football League's newest recruits had a much shorter stay. They joined the league in 1959 and stayed until 1971, but the knowledge they gained during those years would have stood them in good stead on their upward climb.**

**The Isthmian League under the Chairmanship of Barry East first embraced professionalism and sponsorship in the mid 70's when Rothmans, Berger, and Servowarm all took turn at being the league's main sponsor. It was during these years that the present management structure under the guiding hand of current Chairman and Managing Director Alan Turvey transformed the league from two to four divisions and the highly successful sponsorship of Vauxhall Motors was obtained. The league enjoyed two three year sponsorship agreements which were a most attractive and rewarding package for all parties concerned.**

**It is during the past decade that the league has also really emerged from the "amateur" tag that it once had, and now plays a full part each year in the pyramid of football where it provides clubs with both a platform to rise from and a in the case of clubs in lower leagues a target of membership to aim at.**

**In recent years, member clubs, Southall reached the Final of the F.A. Challenge Vase, whilst Yeading went one step better and won the competition in 1990.**

**This season the Diadora sponsorship has commenced with the Italian Sportswear company signing an initial two year agreement with the Isthmian Football League Limited.**

## EGHAM TOWN FOOTBALL CLUB

The original Egham Town Football Club was formed in 1896, and competed in the Hounslow and District League. The club, as with many others, closed down during the First World War, but in 1919 reformed and joined the Surrey Intermediate League. Playing at Manorcroft Road, their new home, the 1920/21 season saw success in the Surrey Intermediate Charity Cup by 3-0 against Farnham United Breweries, who beat Egham 1-0 in that season's Surrey Intermediate Challenge Cup Final. The following season, Egham won the Surrey Intermediate League Championship, with 31 from a possible 32 points. The Surrey Intermediate Charity Cup was retained, with a 2-1 win over Woking II, and they also won the N.W. Surrey Charity Cup. Leading scorer "Jimmy" Riddle bagged 42 goals, one-third of the total scored by the team.

Season 1922/23 had Egham as founder members of the Surrey Senior League, which they won ahead of Carshalton Athletic, whom they also beat 2-0 in the Surrey County Senior League Charity Cup. Egham found another home in 1926, in Vicarage Road, that season seeing two more finals - the Intermediate Charity Cup was again won, but the Senior League Charity Cup went to Epsom Town after a 0-1 defeat. In season 1927/8 Egham were runners-up to Aldershot Traction Company in the League, a success which earned Egham promotion to the Spartan League, but there they had no tangible reward and a return to the County League ranks in 1933 was followed by a 34/5 League Charity Cup final appearance with Egham losing 1-4.

Another World War again meant disbandment; this time the gap was much longer. The ground was sold to meet debts and other commitments, the monies left being held in trust in the hope of another resurrection. The advancing years of the trustees heralded a rethink and the funds were given to Englefield Green Cricket Club to finance the erection of a new pavilion.

The date of December 9th. 1963 is significant in the history of the club, for it was then that a public meeting, held in Egham Literary Institute, attended by approximately 100 people, raised the princely sum of £7.6s., and got the club started. That money was the club's sole asset, and it was only after hard work and persuasion that Egham Urban District Council gave the club use of the Tempest Road site that is still the club's home. The council offices served as changing rooms, the players being ferried to and from the ground in a lorry owned by Chairman Jack Godfrey and members' cars. Egham Town entered the Parthenon League for season 1964/65 and a year later re-joined the Surrey Senior League after a 26 year break. Two years later Spartan League membership was attained, the Championship being won in 71/2 after being League Cup runners-up in 67/8. Promotion to the Athenian league was instantly successful, the Division Two Championship and, the next season, the runners-up slot in Division One going a long way to earning Isthmian status in 1977. A first season fifth place preceded some fallow years, but third place in 1990/91 went hand in hand with a record run in the F.A. Cup, Egham losing 0-2 at Telford United in the fourth qualifying round. To date the club's best F.A. Vase run was in 1984/5, losing 0-2 to Sudbury Town in the fourth round.

Dedicated work by club members, supporters, committee and players earned the club an 'A' grading. At the start of this season the club opened up a new pitch, for training and Youth Team games. Apart from the first team there are now four others stretching down to Under 15 level. The under 18's reached the Second Round of the FA Youth Cup in 1990/91, losing 0-2 in a replay at Exeter City, the first game ending 0-0.

Club history was made in 88/9 with the sale of Mark Butler to Wycombe Wanderers, after he had netted 68 goals in 2½ seasons. Just prior to the 90/1 campaign he became the club's first ever "buy", rewarding us with 37 strikes in all competitions.

# Introducing .. ..

## PURFLEET FOOTBALL CLUB

The Purfleet Football Club was founded as recently as April 1985 which probably makes it one of the youngest senior clubs in the country. The first competitive game played by the Club was on 24 August 1985 against Canvey Island Reserves in Division One of the Essex Senior League and resulted in a 3-0 win.

The club's ground forms part of the Thurrock Hotel and Oasis Leisure Complex and at first consisted of two pitches and dressing rooms in the main building. Under this set-up the Club could only compete at Junior level, and mid-way through the season the playing area was turned round to give one pitch and the building of dressing rooms started in order for the Club to become a self contained unit away from the main Hotel Complex.

At the end of its first season the Club finished third in the League and was granted Senior Status by the Essex County F.A. The next season Purfleet were able to compete in the Senior Section of the Essex Senior League. Their first competitive match as a senior club was at home to Witham Town, which Witham won by 2-0. At the end of the season Purfleet had finished third in the league and were winners of the League Cup, defeating Burnham Ramblers 2-0 in the final.

Planning permission was obtained from the local council for the erection of floodlights and the building of a Grand Stand. The floodlights went up in January 1988 and the first game under them was an Essex Thames-side Trophy match against Pennant which the visitors won 2-1.

An application was made to join the Isthmian (Vauxhall) League and as the Essex was at that time part of the "Pyramid" would be conditional on the Club finishing in the top three. Purfleet not only won the League but also achieved the double, retaining the League Cup by defeating Canvey Island 2-1. Election into the Isthmian League was obtained at the League's AGM in June 1988 and the Club's new 300 seater stand was made ready for the start of the season. At the end of the season Purfleet finished as runners-up to Harlow Town in Division Two North and were thus promoted to Division One.

Life in Division One proved to be beyond the capabilities of the team, and after struggling for most of the year were relegated back to Division Two North. That relegation should of course be taken in the context that Senior Status had only been obtained a year after formation and three years later Purfleet were members of Division One of the Vauxhall league. This is quite a unique achievement and could well never be achieved by any other Club again.

Last season saw the Club have its best run so far in the FA Vase, reaching the last 32 before going down by a single goal in three at Harwich & Parkeston. The club also finished in seventh place in the Division Two North thus ensuring a place in the new Division Two following the de-regionalisation of the two lower divisions.

As Purfleet go in to today's match they have already clinched promotion back to Division One for next season and could well be the Division Two champions by May 2nd.
