Introducing today's finalists.....

CHERTSEY TOWN F.C.

Organised football was evident in Chertsey well over a century ago but county affiliation did not take place immediately. The official founding of the Chertsey club took place in 1890 when matches were played in the West Surrey League. The first success came in 1897 when the Surrey Junior Cup was secured. Almost fifty undistinguished years were then spent in junior and intermediate county football.

The club played at various locations within the parish before settling down at its present ground in 1929. The suffix "Town", was added to its title 21 years later. The ground was donated by Sir Edward Stern as a football ground to the "premier club in the parish". Next door, a similar trust provides facilities for Chertsey Cricket Club.

The main stand was constructed in the mid-fifties; the original clubhouse was added in 1960 and the covered enclosure was built some three years later. Other improvements have since earned a "B" grading in the Diadora League ground grading system. A grassed (to eventually be an all weather) training area has been recently developed with the aid of Runnymede Borough Council and substantial expansion of spectator facilities over the past two years has further enhanced the tight ground.

Immediately after the Second World War, Chertsey attained senior status and entered the Surrey Senior League, but it was not until the 1959/60 season that success came with the league championship. This was repeated twice in the next three years, a halcyon period when the league cup was also won on three occasions.

Due to the static nature of amateur football in those days, the club could not progress to the preferred Corinthian League, so in 1963 it was controversially decided to turn professional and enter the Metropolitan League. Although an entertaining three seasons were experienced, it was felt that the cost involved were too much to bear and so a move down to the Greater London League for one season occurred, before a further shift to the Spartan League was effected in 1967.

An indifferent set of results then dogged the club for almost two decades. This situation was only briefly relieved in 1974/75 when the club were Spartan League and League Cup winners runners-up behind the then rampant Farnborough Town. Meanwhile, the fabric of the club was steadily being built up behind the scenes and movement through the London Spartan (1975/76) and Athenian Leagues saw admission to the Isthmian League Division Two South in 1984. A disastrous season on the park resulted in immediate relegation to the Combined Counties League, but a re-organised side soon won promotion back to the Isthmian ranks.

Good positions in the league table were subsequently enjoyed but without a serious challenge towards further promotion. Ironically, the worse season for Chertsey Town since returning to their present competition came when the two division two's were split in 1991 and a place in Division Three had to suffice. This situation came under the guidance of the current manager Jim Kelman, and was immediately rectified with the runners-up slot two seasons ago in a closely fought campaign. That season also witnessed the club reaching the quarter-final of the F.A. Vase, emulating a similar performance in 1986/87. Last season a strong promotion challenge for a Division One position faded but, still, a creditable 7th. place was attained in Division Two.

The Chairmanship of the club was taken over by David Rayner in 1988 and, together with a management company, consolidated, off the park, the progress made with the football team on the field of play.

This season, Chertsey have assured themselves of a Division One place next season and will meet Enfield in the final of the Diadora League Cup next Monday at Hayes.

Chertsey Town's nickname, the "Curfews", is derived from a locally famous bell that hangs in nearby St. Peters Church. The bell has rung out the evening curfew, now ceremoniously of course, for over 500 years and was the inspiration of the once popular son "Hang on the Bell Nellie".

Introducing today's finalists.....

HORNCHURCH F.C.

Hornchurch Football Club were founded in 1923 as Upminster Wanderers F.C. and played on the Recreation Ground in Upminster. They were elected to the Romford League two years later, winning the Second Division Championship in their first season.

The Club then joined the Spartan League shortly after the Second World War and played in Division One East until 1951/52 when they were promoted to the Premier Division. They then moved on to the Delphian League in 1952/53

Soon after this the name was changed to Hornchurch and Upminster, after moving to their present ground at Upminster Bridge. They joined the Athenian League in 1959 and again changed their name to Hornchurch Football Club in 1961.

In 1966/67 they enjoyed their best run in the F.A. Cup reaching the Fourth Qualifying Round. During the same season they won the Division One Championship. They were back in Division One by the end of the 1968/69 season, returning to the Premier once more in 1971/72.

In the first season of the FA Vase (74/75) they reached the fifth round, losing to the eventual finalists, Epsom & Ewell. The club was elected into the Isthmian League the following season. They were relegated to the Second Division in 1977/78 and returned to Division One in 1980/1 as runners-up to Feltham.

Despite narrowly missing relegation in 1984/85 they did win the Essex Thameside Trophy, beating Grays on penalties. The following season they did

not escape relegation to the then Division Two North. Since the re-organisation of the League, Hornchurch have been members of Division Three.

Their only other cup final during the last decade has been in the Essex Senior Trophy of 1986/7 when they reached the Final, but were defeated 2-0 by Braintree Town.

Before last weekend's fixtures they were currently placed 17th. in Division Three.

The Hornchurch Players

BRIAN BALKWELL (Goalkeeper) 27 appearances for the Club since joining from Clapton in December. Was also Clapton's manager. A very positive custodian who dominates his penalty area.

DAVE GORDON (Defender) Joined from Rainham Town at the beginning of the season as has since made 42 appearances. A talented right back who has recently returned to the side after injury. Three goals this season.

SEAN O'DEA (Defender) Has worked his way up from the Youth and Reserve sides. One of the longest serving players in the squad and has done well to fight his way back to a First Team place. Eighteen appearances so far.

GARY MOULDING (Defender) The Club Captain with 43 appearances, he is now in his fourth year at Hornchurch. Very quick sweeper who always manages to complete every game without a mark on his shirt.

RAY WAITE (Defender) Formerly a striker. He signed from Barking this year for his second spell with the club in the last two years. Has made eleven appearances and was voted Man of the Match at Newbury in the semi-final.

MARK SEXTON (Midfield) Another long serving player who, following a short spell at Aveley, returned to the club at the start of this season and has made 42 appearances. Small aggressive player known as "*pit bull*".

CHRIS DRISCOLL (Midfield) Returned to the Club midway through the season after leaving two years ago for spells with Clapton and Collier Row. He has made 27 appearances.

GLEN DYSON (Midfield) Another aggressive player who will "run through brick walls" throughout the game. Has made 42 appearances since joining from Aveley in the close season. Has also scored five times.

LEE O'CONNER (Midfield) 48 appearances from this skilful player so far. After starting his career with East Ham, he joined Dagenham where he played for four seasons. Joined Hornchurch at the start of the season for his second spell at the club. Scorer of seven goals this season.

BRIAN WEEKES (Striker) The club's leading scorer for the past three seasons and again this season where so far he has netted 20 times in 38 games. Joined Dagenham from Enfield before moving on for short spells with both Collier Row and Ford United. Last season's Supporters' Player of the Year.

TOMMY LEE (Striker) Joined Hornchurch at the beginning of the season from Aveley. Son of the Reserve Team Manager. Since breaking into the First Team he has achieved an excellent scoring rate of ten goals in 16 games. Scored a hat-trick in the quarter-final over Edgware and was named Man of the Match.

RUPERT NELSON (Striker) Joined the club during the close season after a two year absence from senior football due to a serious knee injury. Another ex-Dagenham player, he has made 36 appearances and scored nine times.

CHRIS BULGEN (Defender) Rejoined the club following a short spell at Aveley. This former Charlton Youth player was Supporters' Player of the Year two seasons ago. His only goal in 38 games this season came in the second round match at Leighton Town. (Figures up to and including 16/4/94).

Newbury Town 0 Hornchurch 2 aet

Hornchurch reached tonight's Final by way of a 2-0 win after extra time at high-flying Division Two side, Newbury Town. Newbury, with ten contract players and two ex-international's in their side were beaten as Hornchurch belied their lowly position in the division below. A fairly even first half saw the score sheet remain blank with both sides having their chances to open the scoring.

However, it was the home side who dominated the opening minutes of the second period with Hornchurch custodian Balkwell in the thick of things. It was in the last ten minutes of normal time that things really livened up with Driscoll going close for the "Urchins" and Balkwell called into action to tip over from a corner.

Early into extra time came the break for Hornchurch. From a quick break, Sexton out wide passed to Lee who beat two defenders to shoot goalwards past the keeper - even then the ball rebounded from the foot of a post, but Weekes was unmarked and had a simple tap-in from some six yards out.

Late in the second period of extra time, Balkwell pushed over another 25 yard effort from the home side and as Newbury committed men to the attack, Hornchurch broke forward.

A three man move involving Lee, O'Conner and Sexton was finished off by the latter who ran into the penalty area unchallenged and drove the ball into the far corner.

THE DIADORA FOOTBALL LEAGUE

The Diadora Football League as we know it today was originally born over 80 years ago when three men of vision saw the need in the London area for a really strong amateur league. Those men, Tom Kirkup, for many years Secretary of the London F.A., George Clarke, Hon. Treasurer of Ilford F.C. and Frank Evans, Hon. Secretary of Clapton F.C. met and sent out invitations to six clubs to attend a meeting at the Winchester Hotel in Old Broad Street to informally discuss the subject.

The meeting met with enthusiasm and soon the representatives had persuaded their committees of the value of such a competition. The late Harry Huband was approached to become Hon. Secretary and the Isthmian League was officially formed on March 8th. 1905 with Lord Kinnaid as President and Percy Timbs as Chairman.

The six clubs that formed the League on that inaugural season were London Caledonians, Clapton, The Casuals, Civil Service, Ealing and Ilford. London Caledonians were the first winners and Clapton were runners-up. It wasn't long before the League started an expansion programme which in due course led to the 87 club set-up of the present season in four separate divisions.

Personalities in those early days were all important, and none more so than Henry Huband who was Hon. Secretary and Treasurer for the first thirty years until 1935 and then President until his death in 1952. In fact, in many Isthmian boardrooms from the older clubs in the competition, his portrait which was presented to clubs after his death still looks out over the modern day running of clubs. During those years, the Isthmian League as far as the South of England was concerned also had a vice-like grip on the Amateur Cup with too many to name winners and finalists drawn from its ranks.

The League can now boast of three clubs who have gone on to embrace Football League membership. Wimbledon now in fact a Premier League club joined the Isthmian ranks in 1921 and were members until 1964. Maidstone United who sadly went out of business at the start of last season, were also members of the Isthmian League between 1959 and 1971 and of course Wycombe Wanderers are now in the Football League only six years after leaving our ranks.

The Isthmian League under the then Chairmanship of Barry East first embraced professionalism and sponsorship in the early 70's when Rothmans, Berger Paints and Servowarm all took turns at being the league's main sponsor. During the 1980's the present management structure under the guiding hand of present Chairman and Managing Director Alan Turvey transformed the league from two to four divisions and the highly successful sponsorship of Vauxhall Motors was obtained. The league enjoyed two three year sponsorship agreements which were attractive and rewarding for all parties concerned.

The league is now in its second two year agreement with the Diadora organisation which has seen the Italian Sportswear Company gain a share of the UK market and become a high profile advertiser on sports grounds around the country. We are sure that the extension to the agreement will be as successful and fulfilling as the previous two seasons.

Earlier this season the Carlsberg-Tetley Brewing Company signed an agreement to sponsor the Full and Associate Members Cup competitions of which tonight's final is the first climax. We feel sure that the Company will be delighted at what they have so far witnessed in our circle of football.

It is during the past decade that the league has emerged from the "amateur" tag that it previously had, and now plays a full part each year in the pyramid of football where it provides clubs with both a platform to rise from, and in the case of the clubs at a lower level, a target of membership to aim at. In recent years, member club Southall reached the Final of the F.A. Challenge Vase, whilst Yeading went one step better and won the competition in 1990. The notes for this programme went to press prior to Saturday's games but it is to be hoped that Enfield won and will have qualified to fly the flag at Wembley for the Diadora Football League in the Final of this year's F.A. Trophy competition - the league's first finalists in the competition since 1981.
