### RANDOM NOTES

In this first official programme of the 1960-61 season we take this opportunity to tell you that we have just received a most generous donation of £500 from our Supporters' Club. Our most grateful thanks are due to all these hard-working supporters whose efforts for their club make such a gift possible.

Now, all you boys ready for your new school term! Pay great attention to your masters—masters of craft—football craft—out there in the middle. You have a good staff of teachers although some are still on vacation and one of your teachers, Professor Paddy, has gone to Rome to teach the Italians some tricks . . . However we have a good staff including Mr. Brian Bennett, M.A. (Master of the Art of Football) and Dr. George Edwards, Ph.D. (Doctor of Phiddleosophy) so learn all you can. Now we will go through our rules, just two to start with. Repeat after me. "We must not invade the pitch after the game." Good!—and now particularly you naughty boys in the front row behind the goals—rule No. 2, "We must not shout at the goalkeeper when he is taking his kick." Remember those rules or our prefects will be after you. We have 48 prefects this year. Car Park Prefects, Stand Prefects, Ground Prefects and Gate Prefects. Please obey your prefects and above all remember Big Brother Tiny Hall is always looking at you.

Today we have the inspectors here from the Isthmian League so be on your best behaviour so that Inspector Donaldson, H.M.I. McKenzie and Inspector Peacock can take back a good report.

But enough of this levity. Although we all seem a little excited at getting together again, we must not blind ourselves to the importance of this occasion which is unique. It is the first time in the 55 years of the Isthmian League history that such a game as Champions v. Rest has been played, and we feel particularly honoured to measure ourselves against the strength of the Isthmian League.

We welcome here representatives of the clubs who make up our league, as well as the league officials, and hope from all points of view the occasion will be worth repeating annually. Many of our visitors are household names in amateur football and we expect a good exhibition.

The Reserves commence their league programme with a match against Kingstonian; the chosen team is: B. Stevens; F. Chapman, D. Firmin; B. Lees, D. Atkins, D. Gradi; M. Griffiths, K. Holder, W. Mackay, J. Nicholls and H. Hill.

Supporters' Club members wishing to travel to see away games, please note that they are advised to book seats for coaches either at the Supporters' Hut after the Saturday game or at the ground on Tuesday or Thursday evenings, 7.30 to 8 p.m. Ask for Mr. T. Cross or Mrs. L. Webb. All enquiries to Mr. Cross at 25, Heyford Road, Mitcham, (MIT 3570) or to Mrs. Webb, 57, Rialto Road, Mitcham. First come first served of course.

Tuesday and Thursday evenings are still Supporters' nights in the Club room. Join now (Mr. K. G. Littlejohn, 10, Fernlea Road, Mitcham) and help the Supporters help the club. Our friend Ernie Potter of 33, Rialto Road (MIT 7701) is still Treasurer. He also can receive your subscriptions.

*The records being played today are kindly loaned by Tring's of Mitcham.*
