CLUB NOTES

Good evening, everyone.

This evening it is our privilege, as Isthmian League Champions to play the Rest of the Isthmian League XI. We extend a very warm welcome to the Officers of the League, the Players, Club Officials and other guests and trust they enjoy their evening at Sutton.

The Isthmian League XI are all very well known players, the majority are Internationals and we should see an excellent game this evening.

After that terrific second half display against Hillingdon last Saturday in the F.A. Cup, we now have to travel to Stevenage for the next round on Saturday, October 14th. Hillingdon deservedly led by one goal at half time, but a second half onslaught by Sutton produced five goals and a hat trick for Mick Mellows.

Adrian Webb, who has been playing so well at centre half goes to Manchester University this week so he will not be available for some time, we wish Adrian the best of luck with his studies.

The Reserves also had a good win at Hendon, an own goal put Sutton ahead and Allan Noonan scored to put Sutton two in front. Hendon reduced the arrears but our boys held on to their lead to win two - one.

Next Saturday the 7th October, the first XI return to the league programme with a visit to Ilford. The Reserves are at home to Ilford Reserves.

Next Tuesday, the 10th October, the first XI are at home to Wycombe Wanderers in a league match, kick-off 7.30 p.m.

This is followed on Thursday the 12th October, with our Youth XI playing Portal Athletic in the second round of the F.A. Youth Challenge Cup, these boys play some good football and are well worth supporting. The boys are nearly all from local schools and are coached by Dario Gradi.

'400' Club. The first winner of £50 in our '400' Club, was No. 202, Mr Chessum, from Woodford. More members are still needed, so join now before the draw for the first 'MINI' or £500 in November. Membership forms can be obtained from Mr. Hunt, in the clubroom.
