CLUB NOTES

Good evening,

Tonight we have the pleasure to wish the Isthmian League and Club Officials and their guests a very enjoyable evening at our Stadium.

The side selected to represent the Isthmian League is a fine array of playing talent. Consisting of all International and representative players, it should be a fine test for our lads. An entertaining and interesting game, I'm sure is in store for us all. The lads will be out to redeem our faith after our disappointing display at Hitchin. But I'm sure our loss is not to be taken too seriously. Had the ball run a little kinder and had we taken some of the good chances we had we would still have knocked in our usual five or six.

Our game with Maidstone started with fairly even exchanges and Maidstone with a young side were doing quite well to hold us to no score at half-time. But in the second half the lads started putting the pressure on and then it was just a matter of how many we'd score. John Connell has now scored 97 goals for the club and needs three for his 100. Good luck John.

The Reserves lost at Barking last Saturday week 2-3, Gordon Clayton playing his first game this year scored both our goals.
