CLUB NOTES

THIS afternoon we have the pleasure in staging the annual **"Champions v. Rest of the League"** challenge match. We, as a club, are proud of the fact that this is the third year running we are playing in this game. To the League officials we extend our usual warm welcome, and also to any club officials that are here today. With almost a full league programme being played today, we extend our thanks to the clubs who have released their players to enable the League to field a strong side. Having won the first game, we shall be anxious to avenge the 2-1 defeat inflicted last season.

These notes were written before last Tuesday's result at Wycombe was known, but the boys are again challenging for the top spot. Two recent home victories against Oxford, and an injury-hit Hitchin, kept us in second position. Both games ended 1-0 but with a bit more luck this could have been a lot higher. With only prestige at stake this afternoon, we look forward to an entertaining game with the good football that these games usually provide.

The first leg of our European Amateur Cup match for the Barrassi Cup will be

played at the Stadium on 30th September against Ponte San Pietro of Bergamo. Full details of this game will appear later, but tickets for the stand and enclosure will be on sale shortly. No tickets will be needed for the ground. For that evening, refreshments will only be available from the tea huts in the ground.

No additional games are known at the time of writing, but the forthcoming fixtures will be announced today.

PEN PICTURES

Pen Picture No. 1 — **Sid Hill** joined us at the start of the season from Bishop's Stortford after previously playing for Corinthian Casuals. Sid is presently studying at Jesus College, Cambridge, who were quick to notice his talents. He represented Cambridge in the annual university match at Wembley in 1967, 1968 (when he was captain) and 1969. Sid has also represented England Grammar Schools, the Athenian League, Hertfordshire F.A. and in 1969 and 1970 the British University Team.

SUPPORTERS' CLUB NOTES

Good afternoon everybody. Today we welcome to Enfield the club officials, players and supporters of the Isthmian League, for the Champions v. The Rest of the League match. This fixture seems to be becoming a regular habit with the E's, let's hope it continues this way for at least a little longer. We lost this game 1-2 last season, but it should be different this time.

September 30th as you all know is the date of the great home match against San

Pietro. It is also the date that the second issue of "Attack," your great new monthly Supporters' Club magazine, comes out. And it can be obtained around the ground, or at the programme hut where other items are also on sale. Also please don't forget that anything in the way of cigarettes and chocolate are at the other hut and there is always the jackpot for a lucky flutter.

I hope you all have a nice afternoon.

M.H.
