**DEREK BAKER:** Another player familiar to Wycombe fans. Derek scored Enfield's first goal in the 2—2 draw at Southbury Road. A midfield player with Hendon's great side two years ago, Enfield have successfully converted him into a fast raiding front runner. Extremely quick and talented footballer.

**HOWARD KETTLEBOROUGH:** Hitchin's top goal-scorer for several seasons. Joined the Herts club from Southern League football and soon made his mark. Although somewhat slow, he makes up for his lack of pace with his ability in the air. Regarded by many as one of the best headers of a ball in the league.

**PETER McGILLICUDDY:** Joined Wycombe at the start of last season but was unable to get a regular game and so moved to Leatherhead. Peter stamped his claim for a regular place in the 'Tanner's' side this season and scored the first goal in their 3—2 defeat at Leicester City in the F.A. Cup.

**ALEC JACKSON:** Dulwich Hamlet striker who has recently returned to the club after a spell with Chelsea. Another player with pace and good finishing power.

**TONY JENNINGS:** Like Baker, one of the Hendon team of two years ago. Moved to Enfield last season and has held his place at right back ever since. A good competitor, extremely strong in the tackle and good distributor of the ball.

**JOHN KNAPMAN:** A regular with Walthamstow Avenue this season and played against Wycombe in their two league matches. Another player with pace and good control.

**JOHN BAKER:** Dulwich Hamlet's top goal-scorer with over 30 this season. He joined them from Hendon at the start of the season. Good in the air and extremely mobile, Baker's goal tally speaks for itself.

## CLUB NOTES

It is our pleasure to entertain the officials of the Rothmans Isthmian League, when the annual representative match Champions (1973/74) versus the Rest of League is played. For various reasons this game has been held over, but after the events of last week will no doubt have lost none of its flavour. Although he was present at the deciding game for the current season's championship on Saturday, the League chairman, Barry East, is unfortunately not able to be with us tonight, and the presentation of the trophy for this season will be made after the match by the vice-chairman, Mr. Frank Wilson. This being positively our last home game, may we thank you for your so-loyal support, and look forward to seeing you again in August.

## ROTHMANS PEN PICTURES

**DAVE COLLYER:** Woking's regular goalkeeper for several years and no stranger to Loakes Park. Lightning reflexes are Dave's strongest point and Wycombe fans will remember many of his great saves in Wycombe's matches against Woking. Dave was once 'chaired' off by admiring Wanderers supporters after a typical performance against the Blues.

**LEN RAYNER:** Strong tackling right back who has been a regular with Leytonstone this season. Played in both league games against Wycombe this season.

**DAVE LAWRENCE:** Experienced skipper of Bishop's Stortford who can sew up the left side of the field if given the chance. Played particularly well in both matches against Wycombe this season. A member of Stortford's Amateur Cup winning team last year. He was voted man of the match in the final at Wembley.

**RAY EATON:** Another experienced defender who joined Ilford from Enfield at the start of the season. Has toured with Wycombe before and almost signed on for the Blues this term.

**MICK PRESTON:** Sutton's ginger-haired centre half. Strong in the air and safe on the ground, Mick's form made him a regular for Charles Hughes' amateur squad last year, when he took over from John Delaney.

**WILLIE SMITH:** A member of Walton and Hersham's Amateur Cup winning team of two years ago. Played a big part in Leatherhead's F.A. Cup run this season. Inventive from midfield, he is another former England international.

**TREVOR BLAYDON:** One of the most experienced players on the league circuit and one who always commands respect on the field. Formerly with Sutton United, Trevor now plays for Dulwich.
