Good evening football followers and welcome to Southbury Road for the annual match between the Rothmans Isthmian League Champions of last season and a team made up of players from other Rothmans Isthmian League clubs. To the officials of the League and from many of its clubs we extend a very warm welcome and trust that their stay with us will be an enjoyable one and that we all enjoy an entertaining ninety minutes of football.

This is our fourth Champions versus the Rest of the League match and to date Enfield have won two and lost one. The results of all the matches played in this annual event can be found on the next page where readers will see that after the first match was played in 1912, the games did not start up again until 1960.

Billy Miller who has been the manager at Leatherhead for the past twelve years is in charge of the League side tonight, and in addition to those players named in the centre-pages Dave Reid (Leatherhead) Alec Jackson (Dulwich) John Swannell (Leatherhead) and Mal Harkins (Dagenham) are in the League squad.

## ENFIELD STRIKE BEST FORM OF THE SEASON AGAINST TILBURY

After a disappointing start to the season during which the lads have found it hard to hit their best form everything clicked together a fortnight ago at the Stadium in a 3-0 F.A. Cup 1st Qualifying Round replay win over Tilbury. Enfield looked sharper in all departments in this game with Tony Gibson outstanding in his favourite role of attacking full-back, while Roger Day celebrated his 450th appearance in an Enfield shirt with another fine quality performance that makes his selection for the side a must at the moment. DEREK BAKER and TONY GIBSON netted before the interval with KEITH SEARLE completing the scoring in the second half. During the second half Micky Lowe saved his first penalty as an Enfield player.

Team: M. Lowe, M. O'Sullivan, T. Gibson, T. Jennings, B. Wilson,  
R. Day, J. Bishop, E. Reeve, K. Searle, P. McGillicuddy,  
D. Baker. Sub. J. Tone.

## STAINES ARE BEATEN BUT TILBURY GAIN REVENGE IN THE LEAGUE

After taking three valuable points from a 2-1 home win over Staines last Saturday week Enfield crashed at Tilbury three days later by two goals to nil. DEREK BAKER gave us an early lead against Staines with KEITH SEARLE making it 2-0 two minutes into the second half before ARTHUR ROWLANDS reduced the arrears with a fine effort from the edge of the 18-yard box. At Tilbury the home side gained revenge for the F.A. Cup defeat thanks to a goal in each half from VIC COTTER.

v Staines: M. Lowe, M. O'Sullivan, T. Jennings, T. Gibson, B. Wilson, R. Day, J. Bishop, E. Reeve, K. Searle, P. McGillicuddy, D. Baker. Sub. J. Tone.

v Tilbury: W. Carrick, M. O'Sullivan, T. Gibson, T. Jennings, B. Wilson, R. Day (Sub J. Tone), J. Bishop, E. Reeve, K. Searle, P. McGillicuddy, D. Baker.

## NEWS FROM AROUND THE CLUBS

WALTON & HERSEHAM are the prime example when one looks at the harsh realities of a non-league club's fall from the top to the bottom. In 1973 they won the F.A. Amateur Cup at Wembley and were runners-up to Hendon in the League but now they only occupy a middle of the table position in Division Two of the League. To make matters worse they will not be gaining much financial help from Rothmans this season as already they have reached the eight point mark in the Sportsmanship Pool - the first club to do this during the current season with one sending-off and four bookings. The only bright news for the club in the past few weeks is the signing of the experienced Kingstonian defender Alan Kelsall.

SOUTHALL & EALING BOROUGH were given a financial boost recently by the selling of their talented winger Alan Devonshire to West Ham for a sum of £5000. Devonshire was among the most watched of non-league players last season and it seemed at one time that Millwall would be the first to obtain his signature.
