DYLON ISTHMIAN CHARITY SHIELD

Saturday, August 11th 1979

Kick-off 3pm

club notes

Today we welcome to Southbury Road our Isthmian League friends, Barking Football Club. To their officials, players and supporters we would like to extend a warm welcome and know that we can look forward to a hard fought match to win this Dylon Isthmian Charity Shield.

May we offer our late congratulations to Barking on winning the Berger Isthmian Championship last term, by a margin of 12 points. We played Barking three times last season drawing 1-1 at home and winning 3-1 away in the League and drawing nil-nil at home in the London Senior Cup semi-final.

The Dylon Isthmian Charity Shield was first held last season and it is contested by the Isthmian champions and the Hitachi Cup winners. Enfield won the trophy last August beating Hitachi Cup winners Dagenham 2-1 and find themselves trying to retain the trophy this year not as champions but as Cup winners.

ROUND-UP

Enfield scored their second successive win over professional opposition last Tuesday beating Ipswich by two goals to nil. Roger Wade struck another fine goal following a good run by Norman Milne. Ipswich who included David Geddis in their line-up rarely tested Enfields defence and Gary Hookaway, goalkeeper for the second half, had little to do. Eight minutes from the end Enfield made sure of victory with Harding heading on to Steve King who tucked the ball in the corner of the net.

The entertainment at half-time today is provided by the London Bantry Pipers and all members of the band are between 7 and 18 years of age.
