# GEORGE BORG

**Hello and welcome to Southbury Road. Tonight we entertain Aylesbury United in the Isthmian League Charity Shield. It promises to be a very entertaining game.**

Our last three games have brought us two wins and a draw. Our game against Harrow was very solid and convincing 90 minutes of quality football. It was nice to see us continuing where we had left off in the previous game against Carshalton, especially as Harrow were unbeaten before their visit here.

Last Tuesday saw our first Cup game of the season in the Guardian Insurance Cup First Round. Our opponents, Leyton Pennant were extremely physical, but I was delighted with the way we kept our discipline. I was pleased that we recorded a 4-2 victory, considering I shuffled the team around a lot and the over-physical approach of the opposing side.

Saturday's game was a little disappointing. Yeading worked very hard and to be honest we didn't play very well. Having said that, the lads worked exceedingly hard in the last twenty minutes to achieve a deserved draw.

Andy Sayer showed why we brought him with an excellent finish from a Dave Flemming cross.

Enjoy the game and I hope to see you Saturday.

George

# Welcome to ...

**A merger of the town's Printing Works and Night School football teams took place in 1897 and thus Aylesbury 'United' was formed. Nicknamed 'The Ducks' from the world renown Aylesbury Duck, they joined the Spartan League in 1908 having earlier served in the Bucks Contiguous and South Eastern Leagues. In the first year they won the Western Division title and beat Luton Clarence to lift the Spartan Championship outright.**

In 1913-14 Aylesbury lifted the Berks & Bucks Senior Cup, then after the First World War when the Spartan League was extended they won the Division One West title in 1928-29.

Relegation followed in 1933 although a return was made in 1935 by finishing second to Jurgens Purfleet. The 'Ducks' dropped down again in 1938 but bounced back a year later as Division One Champions.

They became founder members of the Delphian League in 1951 and earned national fame by reaching the F.A. Cup First Round Proper. Infact Aylesbury went into the history books as being the only Delphian side ever to reach the First Round Proper. Finishing Runners-up in 1952-53, they went one better twelve months later to win the League Championship.

The Delphian League merged in 1963 with the Corinthian and Athenian Leagues and Aylesbury remained for thirteen years, during which time there Division Two Runners-Up in 1967-68. In 1976 a decision was made to turn Semi-Professional and United were elected to the Southern League Division One South. They were Runners-Up in 1979-80 and a year later an exciting run in the F.A. Trophy took them to the Quarter Finals.

In 1983 Trevor Gould (brother of Bobby) was appointed Manager and in his second year the Club gained promotion to the Southern League Premier Division. However, their Turnfurlong Ground was sold for re-development and they spent a season playing 'home' games at nearby Tring Town and RAF Halton. A worthy eighth placing in the league was capped by winning the Berks & Bucks Senior Cup for only the second time in their history.

Aylesbury gained promotion to the G.M. Vauxhall Conference by winning the Beazer Homes (Southern) League Premier Division title in 1987-88 on goal difference from Dartford, and in the June of 1988 they entertained the full England team in a unique friendly. The new ground's record crowd of 6,031 packed in to see the National side play Non-League opposition for the one and only time.

The step-up into the Conference proved too great and United were relegated after just one season. They joined the Isthmian League Premier Division for 1989-90 and a successful campaign saw them gain their first victory over League opposition when they beat Division Four leaders Southend United in the F.A. Cup 1-0 at Buckingham Road. A year later they became the first Non-League side to feature in a 90 minute live broadcast when their F.A. Cup-tie at home to Walsall was shown throughout Europe on BSkyB.

In 1992 Trevor Gould moved on to a coaching position at Coventry City and the following two seasons fell short of success previously enjoyed by their large support. In the summer of 1994 Steve Ketteridge, a member of the Cup side which defeated Southend, was appointed Manager and optimism returned. Season 1994-95 saw United have one of the best home records in the Division and they eventually finished in fourth place.

But it was in Cup competition where they made the headlines last season. In the F.A. Cup (sponsored by Littlewoods Pools) United fought their way from the First Qualifying Round to the Third Round Proper before going down 0-4 to Premiership Queens Park Rangers at Loftus Road. Their impromptu 'Cup Duck Walk' to celebrate a goal at Kingstorian in the Second Round was shown throughout the world.

To complete a memorable 1994-95 season Aylesbury United lifted the Diadora (Isthmian) League Cup. In a tense and hardfought Final at Marlow FC, the 'Ducks' beat rivals Slough Town 7-6 on penalties after the sides had finished 1-1 at the end of extra time.

### ***Introducing the men from Buckingham Road ...***

Steve Ketteridge: Last season's success was just reward for the enthusiastic Manager in his first year in charge. Appointed in the summer of 1994 following a spell as Coach, Assistant and Manager of St. Albans City. In a long 'midfielder' career he played for Derby County, Wimbledon, Crystal Palace, Leyton Orient, Cardiff City, Barnet, St. Albans and Aylesbury United. Allan Pluckrose: Returned as Player-Coach during last summer, first joined Aylesbury as a player in 1989 with Steve Ketteridge. Combined Services International, has also played for Torquay United, Slough Town, St Albans City, and a spell in German football. Equally effective in defence or midfield.

Goalkeepers: Capped by England at Semi-Professional level, Gary Phillips signed this summer from Barnet. Made over 300 League appearances for Brentford, Reading, Hereford United and Barnet for whom he also served as Manager and Coach. Was their number one when they lifted the G.M. Vauxhall Conference title in 1991. Jon Franklin is a High Wycombe based Fireman who made his Club debut last season. Has played locally for Stocklake, Beaconsfield United and Bucks Fire Service, he was also loaned to Wealdstone during part of last term.

Defenders: Matt Hayward signed summer 1993 having helped Thame United to promotion from the DFL Division Three. Previously won two successive South Midland League titles with both Thame and Pitstone & Ivinghoe. Michael Danzey featured for Aylesbury and Cambridge United last season. Was previously a striker for St. Albans City having began his career as an apprentice then professional with Nottingham Forest. Lennie Brayshaw signed summer 1994 after spells with Hungerford Town, and Lancaster City in the Northern Premier League. A combined Services International. Kristian Sorensen returned this summer after a couple of years at university. Made his senior debut for Aylesbury in 1992 having captained the youth team. His grandad John (in the 1940's) and Uncle Mick (1970's) both played for Sutton United. Gary Simpson signed this summer on loan from Luton Town where he rose from apprentice to professional and has played over 50 reserve games. Steve Shea signed this summer after a spell with Rushden. Former Everton apprentice, has also played for Feyenoord, St Albans, Chesham, Hendon, Hitchin, Staines and Harrow.

Midfielders: Paul Hobbs signed summer 1994 and scored some important goals in last season's success. Previously played for Berkhamsted, Stevenage Borough and Hemel Hempstead. Steve Herd signed December 1993 from Rushden Town. Has had spells with Danish First Division club Silkeborg, and Aldershot when they were in the Football League. Gary Cobb signed March 1995 from Chesham United and can also play at full-back. Former professional with Luton Town, Fulham, and loan spells at Northampton Town and Swansea. Naseem Bashir signed November 1993 from Chesham United where he won a DFL Premier Championship medal. Began his career at Reading before going Non-League with Slough Town and Chalfont St. Peter. Gary Smith signed this summer from Barnet. He began his career with Fulham before spending a time at Colchester United. Went Non-League and has since played for Enfield, Wycombe and Welling United.

Forwards: Cliff Hercules made his senior debut in September 1984 after signing from local side Oving. Has gone on to become the Club's all-time record goal and appearance holder. Represented the F.A. XI and Isthmian League, he passed 500 games and 250 goals last year. Dean Williams signed October 1994 after short periods with Doncaster Rovers, Stevenage Borough and Brentford. By the end of last season he scored 29 goals in 30 (full) + 7 (sub) appearances for Aylesbury. First made his debut for Cambridge United as a 16-year old before spells at St. Albans City, Hemel Hempstead, Chesham United and Wokingham Town. John Caesar signed this summer from neighbours Marlow. Made his debut for them in 1989 and scored nearly 100 goals in less than 300 games after joining from nearby Flackwell Heath. Gained national attention by scoring Marlow's winner against Oxford United in last season's F.A. Cup. Wayne Jones is a former Aylesbury United youth team player who graduated to the first team and made his senior debut against Carshalton Athletic in August 1992.

# THE Pyramid Game

## SHOOTING AT WINSFORD UNITED

Winsford United skipper Elfyn Edwards was dramatically shot in the chest during their recent home match against Marine. Edwards was struck by one of a series of shots which came from the 210 crowd. Spectators spotted the gunman and chased him, however, he managed to escape.

Referee Richard Sutton was forced to stop the game five minutes while Edwards received attention to his wounds.

After his treatment, he refused to be substituted and stayed on pitch to help steer his team to a 1-0 victory in the Unibond Premier League match. United general manager Ernie Welch said a linesman heard three or four shots whistle past him and Edwards felt a sharp pain in his chest, which left a mark. Police are investigating the incident.

## ENTOCK JOINS MAGS

Newcastle United have paid non-league Chorley £25,000 for teenage striker David Entock. The Premier League club may eventually have to pay up to £300,000 for the player as the deal has clauses which increase the transfer fee with the number of appearances he makes for the club. There would be an extra payment also if Entock should ever play for England.

## RECENT ICIS LEAGUE TRANSFERS

Barry Gartnell has moved from Tooting and Mitcham to Carshalton Athletic. Mark Hynes has transferred to Sutton United from Whyteleafe. Jamie Kempster moves from Fisher 93 to Premier side Bromley. Worthing have picked up two new players in Steven Moss from Shoreham and Graham Libby from Petersfield. Chesham United have also picked up two new signings in Paul McKay from Harrow Borough and Gavin McPherson from Boreham Wood. Molesey have released Gary Wilgoss to Carshalton.

## RIDOUT LOAN

Enfield have released John Ridout to Purfleet on a temporary loan.

## THE SAINT IS HEAVENLY AT YEOVIL

Former Enfield striker Martin St. Hilaire has kept his great scoring record going after scoring a hat-trick away to Chertsey Town. St Hilaire put the visitors up after 28 minutes with Chertsey's Sparks equalised eighteen minutes into the second half. St Hilaire finished the game off by putting two more in during the last ten minutes of the game.

The result pulled Yeovil up to eighth position in the Premier Division.

### **ICIS LEAGUE ROUND-UP**

Dulwich Hamlet kept themselves on equal terms with Enfield at the top of the Premier division with a 4-1 away victory at Grays. Odegbami put Dulwich ahead in the 10th minute only for Walker to put Grays back in the picture after 33 minutes. One minute before half-time Whitmarsh put Dulwich back in the lead. Odegbami got his second goal of the game in the 65th minute and Lillington put the result beyond any doubt 10 minutes later. Aylesbury put themselves a little way back off the pacesetters after a 0-0 draw with Walton & Hersham and Hayes took advantage of this by beating bottom club Molesey and putting them on equal points with the Ducks. Newly promoted Boreham Wood went down 1-0 at home to Sutton United. Boreham Wood are currently in the process of upgrading their Broughinge Road ground with new terracing, crush barriers and an upgraded PA system. The club aim to achieve GM Vauxhall Conference grading within the next twelve months. They currently lie 12th in the table.

Hitchin picked up their first point of the season with a 2-2 draw with Worthing. Bromley squeezed a 1-1 draw with Bishop's Stortford, their equaliser coming from a Francis penalty spot kick three minutes before full time after Stortford had been put ahead in the 62nd minute through Braithewaite.

### **GM VAUXHALL CONFERENCE ROUND-UP**

Bromsgrove Rovers surged to the top of the division last week after a 3-0 win over second to bottom club Dover Athletic. Their goals came from Crisp, Smith and Carter. Unfortunately if Bromsgrove were to still be in that position at the end of the season, it would be the third season running that no club gains promotion to the Football League as Bromsgrove's ground is not up to the required standard.

Slough Town, who were promoted from the Diadora Premier Division last season in place of Enfield lost their first game of the season but have won their last four on the trot. Last week they beat Morecambe 2-1 away to put them in second position, one point behind Bromsgrove. Stevenage, league leaders after 3 games slipped to fourth after drawing 2-2 with Gateshead.

At the bottom, Altrincham doubled their points tally for the season with a 1-1 draw with mid-table Kidderminster Harriers. Altrincham took the lead after 10 minutes through Green only for them to lose their lead to a 73rd minute goal by Kidderminster' Deakin.

The biggest crowd of the day (1711) saw Hednesford beat Woking 2-1. O'Connor and Lambert got Hednesford's goals and Clive Walker replied for Woking.

### **UNIBOND AND BEAZER HOME LEAGUE**

Newport are the new leaders of the Beazer Homes League after their 1-0 away win at Cambridge City. Former leaders Rushden & Diamonds dropped to 6th position. At the bottom, Dorchester, VS Rugby and Stafford Rangers have still to score a point. In the Unibond League Guiseley are top on 12 points after beating Leek 3-1 in which Brockie scored two penalties. At the bottom, Droylesden are the only club yet to get of the mark.

# Touchline Excursions

**Last week was League Cup week. The lower division sides obviously relish the idea of having the opportunity of playing the top premiership clubs but this is a feeling that doesn't seem to go both ways. Last Tuesday we entertained Leyton Pennant in the Guardian Insurance Cup, a fixture which I must be honest didn't fill me with a great deal of excitement. There were obviously quite a few amongst you who shared my feelings as there was quite a small crowd at this match.**

But this match had everything; goals, excitement, confrontation and two penalties in which I would have loved to have had the benefit of a TV action replay to see again. Enfield started quite tentatively. Although the players were familiar, some of their positions weren't and as a unit, this was the first time they had together. David May played on the left wing in the first half and I was quite impressed with his versatility although he did get pulled out of position on a number of occasions which is only to be expected playing in an unfamiliar role. The back four were Jimmy Carstairs who was as steady as ever, Billy Goldstone at right back with Andy Kerr and Bob Dowie in the centre. Alongside David May in midfield were Paul Turner who I thought had an excellent game, Danny Adams and Billy Powell. Up front were Paul Cobb and Dave Flemming.

Leyton played a very Graham Tayloresque style of football with two tall centre backs hoofing a long ball to two centre forwards (They even used the Graham Taylor style kick-off, whacking the ball pointlessly to the corner flag). This style gave Enfield quite a few problems in the first half, not that we looked like conceding a goal but because the ball was bypassing the midfield all the time either through Pennants long kicks or our headed returns and the midfield always seemed to far forward or too far back.

The excitement started late into the first half when a scuffle occurred which suddenly involved three quarters of the players on the pitch. To quote an old cliché, it was really handbags at ten paces but Adams received a booking anyway. Not long after this Pennant were awarded a penalty when Referee Gagen judged that Goldstone had tripped a Pennant forward. The kick was converted and Enfield went 1 down.

The second half was much better with George making three changes bringing on Nolan for May, Blackford for Powell and Abbott for Cobb. This transformed the game and all of a sudden Enfield looked in control again. Enfield soon equalised but went 2-1 down almost straight away after some sloppy defending at a set piece. Flemming scored two excellently executed goals after Abbott had scored from the spot.

This game was probably the most entertaining of the season so far, all it needed was a bit of atmosphere. Why not come along to the next Guardian Insurance Cup game, I'm sure you'll enjoy it.

# Welcome from Alan Turvey

**Good evening, it is my pleasure on behalf of all connected with our League to welcome you to tonight's Charity Shield match between Enfield Football Club, the League Champions for Season 1994/95 and Aylesbury United, the League Cup Winners for Season 1994/95.**

As you will be aware, for the coming season we have new sponsors for the League Competition - ICIS Sportswear Limited and from that company we welcome Bill Wilson, the Chairman & Managing Director together with the Sales Manager Steve Gallagher. The League Cup Competition also has a new sponsor - Guardian Insurance Plc. From the National Partnerships Division we are pleased to welcome Peter Abbott, Larry Cattle and Andrew Cudmore.

The Sponsorship Agreement for both ICIS and Guardian Insurance is for a three year period with a further one year option and it is very much hoped that this will be the first of many seasons that we are associated with these two companies. A welcome also to Graham Sharpe, the Media Relations Manager for William Hill Organisation Limited who have sponsored our popular Manager of the Month Competition for many years, together with representatives from Sandoms (Solicitors) who are supporting sponsors of that Competition. We are also delighted to have representatives from our other sponsors and promotional associates.

I have no doubt that tonight's match will be an extremely exciting encounter between two teams who were so successful during last season, both reaching the 3rd Round Proper of the Football Association Challenge Cup.

For some years now this particular match between the League Champions and Cup Winners has been played with the proceeds, after match expenses, allowing many thousands of pounds to be donated to National and Local Charities. Our League and its Member Clubs have long and high traditions and will continue to make every effort to ensure that our supporters get the best possible entertainment.

In conclusion, my thanks to all connected with the staging of tonight's match and in particular to Mr Tony Lazarou, Chairman of Enfield Football Club for his help and contribution.

Best wishes to you all, your support of both our Member Clubs and our sponsors is much appreciated.

Over  
the  
evening

After several unsuccessful attempts to get Danny Adams as a guest in the hut during his last spell at Enfield, we got lucky at the Carshalton game when Danny was our half time visitor. He proved to be popular choice as he kept busy signing autographs and answering questions. Here are some of his answers:-

- Q. What teams have you played for? A. Watford, St Albans and Walton & Hersham.  
Q. Which league team do you support? A. Arsenal.  
Q. Who is your all time favourite player? A. George Best.  
Q. What was your best moment in football? A. Playing at Wembley for Middlesex Schoolboys at age 15.  
Q. What is your favourite food? A. Chinese.  
Q. What music do you like? A. House and Garage.  
Q. Do you have any pets? A. Yes, a springer spaniel called Tessa.  
Q. Do you have any hobbies? A. Playing tennis and clubbing.  
Q. If you could meet anyone, living or dead, who would you most like to meet? A. Claudia Schaeffer.  
Q. What is your favourite TV show? A. The Cosby Show.

Our thanks to Danny for coming to see us. Listen out for announcements of further guests.
