Welcome To Park Lane

Good evening everybody and welcome to tonight's match - the Isthmian League Charity Shield.

The Shield has been played for annually since season 1978/79 between the League Champions and the League Cup Winners. Aldershot Town are the current holders of the Shield.

Tonight we welcome last season's League Cup winners Thurrock. They are of course old rivals and supporters will still clearly remember that we clinched the League title at their ground on Good Friday. Earlier in the season we played an exciting match at Park Lane that finished in a 4-3 win for Canvey.

Thurrock had a good season finishing third in the League and beating Dunstable Town 5-1 in the League Cup final and winning the Essex Senior Cup for the first time. They have also started well in Nationwide South this season, currently 4th in the League after winning at Sutton United last Saturday.

If tonight's match finishes in a draw after 90 minutes there will be 30 minutes extra time and if there is still not a result there will be a penalty shoot-out.

After the match the medals and Shield will be presented by the Chairman of the Isthmian (Ryman) League, Alan Turvey.

On Saturday we are away to Farnborough Town, travel details are at the back of the programme.

Enjoy tonight's match.

Nationwide Conference League

Scarborough 1 Canvey Island 1

Canvey came from behind to earn a draw with a battling performance at Scarborough on Saturday.

The Scarborough keeper Walker made a brilliant save low down to his right to keep out a fiercely struck free kick from Lee Boylan after 12 minutes.

Ben Chenery, who had an outstanding match for Canvey, made two excellent late clearances and Danny Potter made a good save from Tony Hackworth before the same player set up Steve Burton to score from close range after 37 minutes.

After ten minutes of the second half Potter made another fine save and then at the other end Boylan had another free kick go just wide of the post.

Neill Redfearn had a 25-yard shot clip the top of the crossbar, but five minutes later Canvey were level.

On 76 minutes Junior McDougald curled a brilliant left foot shot into the net from just outside the area after a fine run down the left by substitute Ollie Berquez, to leave Canvey unbeaten on their away trips so far this season.

Team: Potter, McGhee, Chenery, Sterling, Joseph, Kennedy, Sedgemore, Duffy, Gregory, Boylan, McDougald. Subs: Berquez, Cowan, Midgley, Ward, Harrison.

Thurrock

The Thurrock Football Club was founded as recently as April 1985 but until the start of last season had played under the name of Purfleet Football Club.

The first competitive game played by the Club was on 24 August 1985 against Canvey Island Reserves in Division One of the Essex Senior League and resulted in a 3-0 win.

The Club's ground forms part of the Thurrock Hotel and at first consisted of two pitches and dressing rooms in the main building. Under this set-up the Club could only compete at Junior level and mid-way through the season the playing area was turned round to give one pitch and the building of dressing rooms started in order for the club to become a self-contained unit away from the main Hotel Complex.

At the end of its first season the Club finished third in the League and was granted Senior Status by the Essex County FA. The next season Purfleet were able to compete in the Senior Section of the Essex Senior League. Their first competitive match as a Senior Club was at home to Witham Town, which Witham won by 2 goals to 0. At the end of the season Purfleet had finished third in the League and were winners of the League Cup defeating Burnham Ramblers 2-0 in the Final.

Planning permission was obtained from the local council for the erection of floodlights and the building of a grandstand. The floodlights went up in January 1988 and the first game under them was an Essex Thames-side Trophy match against Pennant, which the visitors won by 2-1.

An application was made to join the Isthmian League (now the Ryman League) and by the rules of the 'Pyramid' would be conditional on the Club finishing in the top three. Purfleet not only won the League but also achieved the double retaining the League Cup by defeating Canvey Island 2-1. In their two seasons playing in the Essex Senior League Cup, Purfleet had the distinction of never having lost a game.

Election into the Isthmian League (then called the Vauxhall Opel League) was obtained at the League's AGM in June 1988 and the Club's new 300-seater stand was made ready for the start of the season. The first ever-Isthmian League game was in Division Two North on 20th August 1988, at Hornchurch and resulted in a 1-0 win.

At the end of the season Purfleet finished runners up to Harlow Town and were thus promoted to Division One. Life in Division One proved to be beyond the capabilities of the team, and after struggling for most of the year were relegated back to Division Two North.

Season 1990-91 saw the Club have its best run in the FA Vase when it reached the last 32 before going out by 2 goals to 1 at Harwich & Parkeston. Purfleet finished in 7th place in Division Two North and thus ensured a place in the new Division Two following the splitting up of the two Regional Divisions.

Season 1991-92 must go down as the finest in the club's then short history, Champions of Division Two of the Diadora (Isthmian) League and winners of the Loctite Trophy. After losing 2-0 at Witham Town at the end of November, the next 26 League games resulted in 20 wins 4 draws and just 2 defeats. In the Loctite Trophy Final, played at Sutton United, Purfleet came from 2 goals down to defeat Egham Town 3-2.

Full terracing was installed at the Ship Lane end of the ground, which gave covered accommodation for 800 spectators. This has enabled the Club to obtain an "A" Grade Ground Grading. Since then further covered accommodation has been added at the M25 end of the ground. Season 1992-93 saw the Club finish 4th in Division One thereby just missing out on promotion. However it made up for it the following season by finishing as runners-up to Bishop's Stortford and thus gain promotion to the Premier Division. In just nine seasons the Club had gone from junior level playing on a roped off pitch to the Premier Division of one of the country's leading Non-league Competitions. What the Club had achieved in such a short time both on and off the pitch was surely a unique achievement.

In its first season in the Premier Division the Club had to be content with 16th place scoring 76 goals, only four other clubs bettered this total. However 90 goals were conceded at the other end. In a hectic last eight days of the season the club played a Third Round, Semi-final and Final of the Essex Thames-side Trophy together with its last Diadora League fixture. In the final against Chelmsford City at New Writtle Road a 2-0 success gained Purfleet the prestigious Thames-side Trophy.

The following season 1995-96 saw the Club again finish in 16th place in the now ICIS League. However it was in the two national cup competitions where the Club had its best success. It reached the Fourth Qualifying Round of the FA Cup going out at Rushden & Diamonds in a replay. Some revenge was gained as in the FA Trophy a First Round victory was obtained on the same ground. A trip to Macclesfield in the Second Round saw the Club go out 2-1 to the eventual winners.

After a somewhat poor start to the 1996-97 season the Club finished the season in eighth place in the League. However early exits were made from both the FA Cup and FA Trophy. The Club had its best run in the Essex Senior Cup before going out in the Semi-final to a strong Southend United side at Roots Hall. The trophy cupboard was not entirely bare as the Club won the Carlsberg Fair Play Award for the Premier Division.

The start of the 1997-98 season saw the appointment of Colin McBride as manager, taking over from Gary Calder who had been in charge since January 1991. McBride inherited just three players from the previous season's squad and turned to his former club, Essex Senior League side Concord Rangers for quite a number of his players. Purfleet finished in 10th place in the League and were runners-up in the Essex Senior Cup to Dagenham & Redbridge, going down 2-1 in a very entertaining game played at Ship Lane.

The following July West Ham United were once again the visitors for a pre-season friendly and an almost full First X1 attracted a new ground attendance record of 2,572. At the game the Club were very pleased to announce a major sponsorship with the local Lakeside Shopping Centre. The discussion and negotiations leading up to the sponsorship were featured on the BBC Television documentary 'Lakesiders'.

Season 1998-99 saw the Club finish fourth in the League, just being pipped for third spot by local rivals Dagenham & Redbridge on goal difference. The Semi-final of both the Essex Thames-side Trophy and Puma Cup were reached, but rather surprisingly home defeats were suffered in both competitions to teams from lower Divisions within the Ryman League.

The next season, after a poor start, the Club again finished in fourth spot in the League. The finals of the Essex Senior Cup, Full Members Cup and Essex Thames-side Trophy were all reached. However 2-0 defeats were suffered in both the Essex Senior Cup and Full Members Cup to Canvey Island and Croydon respectively. Unfortunately the Essex Thames-side Trophy Final against Canvey Island was never played. While the Club, since its formation has been happy to be located within The Hotel, its aim has always been to have a club house of its own. At the conclusion of season 1998-99 work began on the building of the 'Purfleet Club House', which finally opened for the home game against Canvey Island on 3rd March 2001.

The following season the Club made a disastrous start to the League campaign and did not obtain its first win until mid-November in its thirteenth game. However a very successful second half of the season saw the Club climb to a respectable 11th place. For the second successive season the Club reached the final of the Full Members Cup but once again had to be content with being runners-up going down 3-1 to Gravesend & Northfleet at Stonebridge Road.

Season 2001-02 saw the Club finish in 5th place in the League and for the second time won the Umbro Fair Play Award for the Premier Division. The following season the Club made its best ever start to an Isthmian League Premier Division campaign not suffering its first defeat until the tenth game and until the new year was always up with the leaders. However the Club could not keep up its first half of the season form and had to finally settle for an 8th place finish.

At the end of the season the decision was made to change the name of the Club from Purfleet to Thurrock. The Club want to attract a wider audience and extra sponsorship and believe that by having a name that represents the whole borough will be of help.

Last season the Club gained its highest ever League placing, by finishing third and thus qualifying for the Nationwide Conference South following the Football Association's restructuring of the Non-League game. For the first time in its history the Club reached the First Round Proper of the FA Cup when in front of live Sky Television cameras they held Second Division Luton Town to a 1-1 at Ship Lane. In the replay they gave a good account of themselves before going down 3-1. Another first for the Club was the winning of the Essex Senior Cup, defeating Aveley 3-1 at Roots Hall to take the coveted trophy. Also into the Thurrock trophy cabinet went the Bryco (Isthmian League) Cup in which they defeated Dunstable Town in the Final 5-1.

A Supporter's Notebook

by David Powell

It's been a bit of a mixed week for Canvey. A superb away win at former League side Exeter City gave us the perfect start to the Bank Holiday weekend but unfortunately we lost our unbeaten record with a narrow defeat at home to league leaders Barnet on Bank Holiday Monday. We then travelled to Scarborough on Saturday and picked up a 1-1 draw thanks to an excellent goal from Junior McDougald.

Regarding the Barnet game, after 4 games unbeaten it was a little frustrating watching this game. The refereeing performance was not the greatest and we didn't seem to get too many lucky breaks. The team also looked tired after the long journey to and from Exeter on the Saturday.

Nevertheless not many people would have thought we would only have lost one match after six games especially as we had to play the likes of Carlisle and Exeter.

We just need to turn draws into wins and take our chances when they come along.

The Exeter performance was certainly the best of the season so far. We dominated the first half and played some excellent football. We got a bit of luck after Greggor's header came back off the crossbar and hit the Exeter defender and rolled into the net, but we thoroughly deserved our lead at half time. Despite some fierce Exeter pressure in the second half we held firm for a well earned three points.

Certainly the atmosphere on the coach going home was very buoyant!!

My visit to Exeter was one of the strangest I've experienced. First of all I was asked for ID by the barmaid in the Exeter clubhouse. Now I admit I don't look 25 years' old but I've drunk in bars and pubs all over the country following Canvey and have never had a problem before. Luckily common sense prevailed and I got my beer.

I then nearly got lynched for asking for a 'Cornish Pasty' (not a good thing to do when

you're in Devon!!).

To top things off I was then only charged £6 to get in the ground. The turnstile operator must have thought I was a student even though I left University over four years' ago!!

Just when I thought things couldn't get any more stranger, a mate of mine rung me up to say he was listening to the commentary on BBC Essex and could hear my voice shouting encouragement to the team!!!

Definitely one of the more eventful trips I've been on.

It was nice to get a good result at Scarborough after the disappointment of losing to Barnet. I listened to the commentary on the radio and although the performance was not that brilliant, we did well to produce a battling display against a Scarborough side who should be involved in the promotion shake-up come the end of the season.

We go back to our Ryman League roots tonight with a match against Conference South Thurrock in the Ryman League Charity Shield. This is an annual match played between the winners of the Ryman Premier League and the Ryman League Cup (Bryco Cup).

Thurrock won last season's Bryco Cup beating Dunstable in the final and have made a fine start to the new season in Conference South. They are currently fourth, a point behind early leaders Grays.

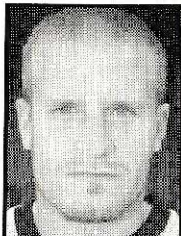

They possess some decent players including former Gull Craig Davidson and should provide stiff opposition tonight.

This match is a welcome break from the league and should see some of the squad players getting a run out.

We have some tricky fixtures coming up with a match away to old foes Farnborough on Saturday but so far it's been a solid start and we definitely look capable of holding our own in this division.

Nationwide Conference National leaders **Barnet** hit **Morecambe** with five goals in the final 29 minutes at Underhill on Saturday after the Shrimps had taken the lead two minutes earlier. The Bees' task was made much easier after Morecambe's Kieron Walmsley was sent-off after only 28 minutes, but on 59 minutes a goal against the run of play from Terry McFlynn gave Morecambe the lead but Simon King equalised two minutes later. It was one-way traffic from then on as Ian Hendon's penalty on 71 minutes, two in two minutes from Giuliano Grazioli and a last-minute strike from former Sutton United striker Nick Bailey wrapped up Barnet's win.

Aldershot Town maintained second spot in the table after a hard-fought win over **Northwich Victoria** at The Rec. Roscoe D'Sane kept his good scoring form going with the opener for the Shots in the 25th minute. However, Vics battled back and pulled level right on the stroke of half-time when Chris Giles inadvertently beat his own keeper Nikki Bull. The 2,644 crowd then saw D'Sane win the game for the home side just past the hour-mark.

In the live Sky Sports lunchtime kick-off, **Carlisle United** were left to rue a string of missed chances as the game finished goalless against **Burton Albion** at Brunton Park.

Hereford United had an indifferent first half at Edgar Street and were never able to recover against **Halifax Town**. The Bulls found themselves behind as early as the 3rd minute when Lewis Killeen gave the visitors the lead. Adam Stansfield equalised on 28 minutes but 7 minutes later the Shaymen were back in front through Ryan Sugden, and then 5 minutes before the break Steve Bushell made it 3-1. Although the home side improved in the second period, the Halifax defence held firm until stoppage time when Denny Ingram put the ball into his own net.

Accrington Stanley were frustrated at the Interlink Express Stadium by **Woking** as they were held to a goalless draw by Glenn Cockerill's men.

Goals from Lloyd Blackman and Sasha Opinel earned **Farnborough Town** a fine win against **Tamworth** at The Lamb. The visitors took an early lead through Blackman's close range finish, and only a great save from Ryan Price stopped Gary Holloway from making it two. Boro made the points safe when Opinel fired home a free-kick after Lee Colkin had fouled Danny Allen-Page.

York City recovered from Monday's disappointment to gain a fine 3-0 win at **Dagenham & Redbridge**. Teenage goalkeeper David Stockdale kept his place in the Minstermen's side and he saw former Grimsby player-manager Paul Groves give his side a 23rd minute lead. The York defence, held firm and young Stockdale did his bit and the visitors hit the Daggers with two sucker punches late on when Richard Dunning bagged a brace in the final four minutes.

Goals from Chris Simms and Ian Fitzpatrick earned **Leigh RMI** their first win of the season against bottom-markers **Forest Green Rovers** at Hilton Park. Simms' early strike came from the first attack of the game, new loan signing Michael Byrne teeing him up to lash in from 25 yards. Greaves stopped a Gareth Stoker effort before Fitzpatrick curled home from distance on 68 minutes to wrap up the victory.

Frenchman Moussa Sidibe was **Gravesend & Northfleet's** hero at Stonebridge Road against **Stevenage Borough**. Dannie Bulman had given Boro a 20th minute lead and the home side rarely troubled the visitors' experienced goalkeeper Andy Woodman. But the second period saw the Fleet on top and they eventually levelled with Sidibe's first with 15 minutes left and the 21-year-old won the game with just two minutes to go of normal time.

Marcus Martin's first goal for **Exeter City** saw them hit back from two down to win against **Crawley Town** at St James's Park. Chris Todd deflected Danny Davidson's shot into his own net in the 11th minute and Charlie MacDonald's penalty made it 2-0 to Town on 23 minutes after Dean Moxey fouled Adrian Deane. Sheldon hammered in a brilliant 25-yard free-kick to pull one back 6 minutes later and keeper Phil Smith then fumbled Gareth Sheldon's corner into his own net with 20 minutes to go. Martin capped a remarkable fightback for the Grecians when he headed in Sheldon's cross to clinch victory three minutes later.

Conference News

Johnson leaves Boro

Former Brighton, Colchester and Canvey Island defender Ross Johnson has left Nationwide South club Eastbourne Borough by mutual consent after playing just one game since arriving in the summer from Worthing.

Johnson, who made 132 appearances for Brighton, had been given a short-term contract but failed to prove he had recovered fully from the operation which ruled him out of the majority of last season whilst with the Rebels.

Manager Garry Wilson said: "It was Ross's own decision really. He was frustrated with his fitness levels and decided enough was enough."

Lyttle signs for Rovers

Tim Harris, the manager of Nationwide Conference National club Forest Green Rovers, announced the signing of Des Lyttle ahead of Saturday's game against Leigh RMI.

The vastly experienced 32-year-old started his Football League career with 46 games for Swansea City before moving to Nottingham Forest where he spent six years making 185 League appearances. He then moved to Premiership club West Bromwich Albion where he played in 76 League games. Last season he played 27 times for Northampton Town.

Forest Green were aware of competition from other clubs to sign him, most notably rivals Burton Albion, and this is seen as an important capture for The Lawn outfit. Lyttle has joined Rovers on a contract until the end of the season and made his debut on Saturday at Leigh.
