# Chairman's Comments

*Good evening,*

*It is my pleasure to welcome you all here this evening to Kingsmeadow Stadium, home of Kingstonian Football Club to witness the Isthmian League Full Members Cup Final between **Dorking Football Club** and **Tooting & Mitcham United Football Club** whom I am sure will give us a keenly contested match in the best spirit of the Diadora Football League.*

*By way of explanation, the Full Members Cup is open to those clubs playing in the Premier and Division One of our league. Unfortunately, the competition has been without a sponsor this season but this has in no way affected the high standard of performance from the games or the level of commitment and competition.*

*Both clubs will be making their first appearance in this final and it should be noted that both have competed in Division One this season, with Dorking last week achieving promotion to next season's Premier Division.*

*I am also pleased to extend a welcome to our friends from County Football Associations and other leagues and of course, all of you who have made the journey to support this match here this evening.*

*My thanks also to Kingstonian Football Club, and in particular their Chairman, Barry Chauveau and Secretary Bill McNully for making the arrangements for the match, their help is much appreciated*

*The level of support for our football is increasing and the standard is improving.*

*Thank you all for your support - please enjoy the game.*

**Alan C. F. Turvey**  
**Chairman and Managing Director**

# THE DIADORA FOOTBALL LEAGUE

The Diadora Football League as we know it today was originally born over 80 years ago when three men of vision saw the need in the London area for a really strong amateur league. Those men, Tom Kirkup, for many years Secretary of the London F.A., George Clarke, Hon. Treasurer of Ilford F.C. and Frank Evans, Hon. Secretary of Clapton F.C. met and sent out invitations to six clubs to attend a meeting at the Winchester Hotel in Old Broad Street to informally discuss the subject.

The meeting met with enthusiasm and soon the representatives had persuaded their committees of the value of such a competition. The late Harry Huband was approached to become Hon. Secretary and the Isthmian League was officially formed on March 8th. 1905 with Lord Kinnaid as President and Percy Timbs as Chairman.

The six clubs that formed the League on that inaugural season were London Caledonians, Clapton, The Casuals, Civil Service, Ealing and Ilford. London Caledonians were the first winners and Clapton were runners-up. It wasn't long before the League started an expansion programme which in due course led to the 85 club set-up of the present season in four separate divisions.

Personalities in those early days were all important, and none more so than Henry Huband who was Hon. Secretary and Treasurer for the first thirty years until 1935 and then President until his death in 1952. In fact, in many Isthmian boardrooms from the older clubs in the competition, his portrait which was presented to clubs after his death still looks out over the modern day running of clubs. During those years, the Isthmian League as far as the South of England was concerned also had a vice-like grip on the Amateur Cup with too many to name winners and finalists drawn from its ranks.

From next season the League will also be able to boast of three clubs who have gone on to embrace Football League membership. Wimbledon now in fact a Premier League club joined the Isthmian ranks in 1921 and were members until 1964. Maidstone United who sadly went out of business at the start of last season, were also members of the Isthmian League between 1959 and 1971 and of course Wycombe Wanderers will next season be competing in the Football League only six years after leaving our ranks.

The Isthmian League under the then Chairmanship of Barry East first embraced professionalism and sponsorship in the early 70's when Rothmans, Berger Paints and Servowarm all took turns at being the league's main sponsor. During the 1980's the present management structure under the guiding hand of present Chairman and Managing Director Alan Turvey transformed the league from two to four divisions and the highly successful sponsorship of Vauxhall Motors was obtained. The league enjoyed two three year sponsorship agreements which were attractive and rewarding for all parties concerned.

The league is now concluding its first two year agreement with the Diadora organisation which has seen the Italian Sportswear Company gain a share of the UK market and become a high profile advertiser on sports grounds around the country. Earlier in the season the league announced a two year extension to the agreement which everyone concerned hopes will be as successful and fulfilling as the last two seasons.

It is during the past decade that the league has emerged from the "amateur" tag that it previously had, and now plays a full part each year in the pyramid of football where it provides clubs with both a platform to rise from, and in the case of the clubs at a lower level, a target of membership to aim at.

In recent years, member club Southall reached the Final of the F.A. Challenge Vase, whilst Yeading went one step better and won the competition in 1990.

# Welcome today

# Dorking

Dorking's origin is very nearly lost in the mists of antiquity. The club was founded as long ago as 1880, and claims to be the second oldest in Surrey - Reigate priory have been granted seniority.

Back in 1910 Dorking surprised everybody with an interest in local soccer, when they fought their way through to the Surrey Senior Shield Final, only to lose to the strong Old Kingstonian side (now Kingstonian F.C.) 3-0.

In 1922 they became founder members of the Surrey County Senior League, their ground being situated in Pixham Lane. Epsom Town and Farnham United Breweries proved to be the strongest sides in the league during the first few years, but Dorking weren't to be denied for long and won the championship in 1928/29 and 1929/30.

The 1930's and early 1940's were a lean period for the club, but in 1948/49, they won the Surrey Senior League Charity Cup, and became the first ever winners of the League Cup.

Once Leatherhead left the Surrey Senior League at the end of the 1949/50 season following four successive league championship wins, Dorking looked to take over number one spot and their results prior to this time suggested they could do this. However other clubs claimed this right before Dorking did win the league championship and not only that, they completed a league and cup "double" by winning the League Cup. They also became the first side from the Surrey Senior League to defeat a professional side in the FA Cup, defeating Folkestone Town 3-1.

Dorking's success really coincided with their moving from Pixham Lane to their present Meadowbank Headquarters at the beginning of the 1953/4 season.

In 1956/57 Dorking joined the Corinthian League, and though they failed to win any honours during their seven year stay, they did win the Surrey Senior Shield in the 1959/60 season by defeating a strong Sutton United side 3-0, they again reached the final the following season.

Dorking joined the Athenian League in 1963, and this was the start of another barren spell for the club, which led to the merger with Southern league club, Guildford City in 1974. They went under the title of Guildford and Dorking United - Guildford second name change, they were known as Guildford United between 1921 and 1927.

The amalgamation was not a success, and after two Southern League seasons the club collapsed, and another club named Dorking Town was formed in 1977. After completing the former club's fixtures for the 76/7 season, they joined the Surrey Senior league for 1977/78 for a single season before moving back into the Athenian League.

The club joined the Isthmian (now Diadora) League at the start of 1981/82, finishing ninth. Another name change occurred for the start of the 82/83 season when the present Dorking title was adopted.

After two seasons of finishing in third place (86/7 & 87/8) the club won promotion to Division One in 1988/89 with 109 goals scored and 100 points obtained.

1989/90 saw the Chicks challenging for a place in the Premier Division at the first attempt, and finally finishing sixth, as well as reaching the final of the Surrey Senior Cup.

Last season Dorking reached the fourth qualifying round of the F.A. Cup, but this season they "broke through" to the competition proper before losing to Plymouth Argyle in the First Round on a Sunday at Meadowbank in front of a capacity crowd of 3,200. This season has also seen the "Chicks" achieve promotion to the Premier Division of the Diadora League where after a long season's battle, they are runners-up to Hitchin Town.

# **Tooting & Mitcham Utd**

Tooting & Mitcham United F.C. was formed in 1932 when two clubs who were local rivals, Tooting Town and Mitcham Wanderers, decided to amalgamate, the idea first being seriously discussed for the first time at a Christmas match in the London League during the 1930/31 season. Tooting were originally formed in 1887 as Tooting Graveney, playing their first matches on a pitch on Figges Marsh; they won the South Western Cup in 1898 and 1900 before gaining entry to the Southern Suburban League. In 1914 they became members of the Athenian League but played only one match before the competition was suspended during the Great War. Tooting Graveney did not re-form after the war but a new Club, Tooting Town, came into being in 1919 and joined the Southern Suburban League before transferring to the London League two years later in 1921.

When they moved to Sandy Lane, which was purchased by Tooting Town in 1922, some financial problems arose due to the close proximity of the Mitcham Wanderers Club whose ground in Streatham Lane was only a few hundred yards away. Mitcham had been formed in 1912. At first they played at Cranmer Green in Division Three of the Wimbledon League and enjoyed considerable success in local football before joining the London League in 1922 when they were granted senior status; they took the Premier Division Championship in 1929 and were runners-up in 1930. In the following season, 1930/31, they reached the Surrey Senior Cup final, only to be beaten by two goals to nil by Kingstonian at Plough Lane, Wimbledon.

On amalgamation, Tooting and Mitcham United remained in the London League but moved upwards into the Athenian League in 1937, however, they found it hard to settle down in a higher grade of football and finished

in a low position in the table in their first two seasons. Although their league form might have been disappointing, it was compensated for by a first win in the Surrey Senior Cup in 1938 when Dulwich hamlet were beaten 2-1 at Selhurst Park. Wartime brought a first win in the London Senior Cup when in 1943 they defeated Dulwich Hamlet 5-4 on Millwall's ground. Tooting have since won the London Senior Cup in 1949, 1959 and 1960. They have won the Surrey Senior Cup on eight occasions, including a hat-trick of successes between 1976 and 1978.

Tooting were Athenian League champions in 1950 and 1955 and were invited into the Isthmian League in 1956. They immediately proved themselves good enough by winning the championship in 1958 and 1960 as well as reaching the F.A. Cup Third Round in 1959 where they lost 0-3 to Nottingham Forest, the eventual winners after a 2-2 draw at Sandy Lane, having defeated Bournemouth and Northampton Town in previous rounds. The club has a fine record in the FA Cup with five first round appearances two in the second round and their best ever run when they beat Swindon in a third round replay before losing to Bradford City at Valley Parade.

During the 1980's Tooting enjoyed only moderate success in the League, generally occupying a mid table position, but season 1988/9 was disastrous for the Club and it resulted in relegation in the first time in their history.

The 1991/92 and 1992/93 season have seen the Club finish in mid-table positions.

## Helping the most important people in football

Football is more than a game of 90 minutes. Every day clubs throughout Britain are working to provide safer, more comfortable facilities for their supporters.

Much of this has been achieved with the help of the Football Trust.

Last season alone the Trust allocated over half a million pounds to improving safety at Pyramid clubs.

The Trust is now expanding even further its help for clubs outside the Football League.

The Football Trust is supporting the game at all levels.
