## The Chairman's Message

### GOOD EVENING

It is my pleasure to welcome you here to the home of Harrow Borough Football Club for this evening's Carlsberg Cup Final between Boreham Wood and Staines Town Football Clubs whom I know will ensure that we witness a keenly contested match in the best spirit of our League.

As you will be aware, this competition is for Clubs that play in the Premier and Division One of our League and was formerly known as the "Full Members Cup" and which has for the second season been sponsored by Carlsberg-Tetley Brewing Limited, whose products will be well known to you. We are indeed indebted to this company for their support.

I am pleased to formally welcome the officials, players and supporters of both Clubs. This will be the first appearance in the Final of this competition for both Boreham Wood and Staines Town.

Boreham Wood have enjoyed much success during the present season and have finished as champions of Division One therefore qualifying for promotion to the Premier Division.

Staines Town have also enjoyed a successful season finishing the season in a high position in Division One and indeed narrowly missing out on promotion themselves.

Our thanks are extended this evening to Harrow Borough Football Club and in particular Chairman Martin Murphy and Football Director Peter Rogers for their assistance in providing the facilities here to stage this evenings final.

In conclusion, I would like to also extend a welcome to our guests this evening from Carlsberg-Tetley, the County Football Associations and Leagues who have taken the time to be with us for this evenings important match.

Thanks are also extended to our Major League Sponsors Diadora UK for the provision of match footballs, in use here this evening.

During the past season this great game of football has certainly come under the spotlight from the media and it is a pity that the good side of the game is not given as much publicity as some of the isolated incidents.

Our own League has attracted much publicity during the past season notably with the experiment carried out on behalf of FIFA with regard to the Kick Ins/Throw Ins Experiment. The League has decided not to take up the option to continue with the Experiment for a further season but do believe that it has been a worthwhile experiment in the overall interest of football.

Hoping that you enjoy tonights game

## **THE CARLSBERG CUP**

The curtain finally comes down on the 1994/95 Diadora League season with tonight's playing of the Carlsberg Cup Final. The competition, originally known as the Full Members Cup and also at one time sponsored by the Loctite company is now five seasons old and tonight gives us our second all Division One final (the previous one was 1992/93).

It is also the third time that a North West London club has staged the final, previously the honour has fallen to both Hayes and Hendon - Harrow complete the trio of "H's" this evening.

Unfortunately the two year sponsorship of the competition by Carlsberg-Tetley Brewing Limited comes to an end this evening, but their Managing Director Mr. Mike Titmus announced after the Carlsberg Trophy match between Metropolitan Police and Collier Row on Tuesday evening that the Company will continue to have links with our competition next season - the format of the link has still to be decided upon, but in any case we can consider it excellent news and look forward to an ongoing relationship.

The Carlsberg Trophy Final became the second of our two League finals to go first to extra time and then penalties, following on from the League Cup on Monday evening. The victors at Boreham Wood on Tuesday after the penalty "shoot-out" were Metropolitan Police 4-3, this coming after a 1-1 draw after extra time. Incidentally, the League Cup resulted in a victory for Aylesbury United by 7-6 after also playing a 1-1 draw after extra time.

## **BOREHAM WOOD F.C.**

Boreham Wood Football, as it is now known, was formed in 1948, following the amalgamation of Boreham Rovers and Royal Retournez.

The Club progressed through the Mid-Herts. League and into the Parthenon League, where it finished Runners-up on three occasions, and Champions once. The next step was to join the Spartan League and again success followed with two runners-up spots in seasons 1963/64 and 1965/66. They then moved on once more, this time to the Athenian League. The status of the Club grew during their Athenian League days and they won the Premier Division Championship by nine points in season season 1973/74.

An application was made to join the Isthmian (now Diadora) Football League in 1974/75, and in 1976/77 the Club won the Division two Championship, by sixteen points. After five seasons in the Premier Division, Boreham Wood were relegated for the first and only time in their history at the end of the 1981/82 season. During the following two seasons the Club finished sixth and fifth, and on each occasion missed promotion by just five points. Boreham Wood have reached the First Round proper of the FA challenge Cup on two occasions. In 1973/74 they played Southend United at Roots hall, losing 3-0 and in 1977/78 they drew 0-0 with Swindon Town at Meadow Park, but lost the replay 2-0 at The County Ground.

In their own domestic County F.A. competitions in Hertfordshire, the Club has many successes, winning the Senior Challenge Cup, the Charity Cup, the Junior Cup, the Intermediate Cup and

the Intermediate Charity Cup.

The Club's Youth Team has done particularly well during the past two seasons, winning the Southern Counties Floodlit Youth League Championship and Cup in 1992/93 and finishing Runners-up and winning the Cup again in 1993/94. Several players have now progressed through from the Youth Team and the Reserves and are now part of the First Team squad.

The 1994/95 season has seen the Club re-emerge as a force in Diadora League Division One. They have won the Championship and are looking forward to once again taking up residence in the Premier Division for next season.

## Our Carlsberg Finalists this evening...

# STAINES TOWN F.C.

The accepted date of the formation of the present club is 1892, although there is evidence of organised football in the area almost fifteen years previously. Three years later they merged with the St. Peter's Institute club and under later names the Club won various honours. The Club named at one time embodied that of one of the Town's major manufacturing companies, the Lagonda car concern but later the Staines Town name re-appeared although the club appears to have ceased activities by 1935. Towards the end of the Second World War the name of Staines Vale was used - perhaps because of county suspension for "Town" but the "Town" name once again emerged after the War.

During those pre-war years a number of various grounds were used but the club's present home at Wheatsheaf Lane was purchased in 1951, and the club have now been in residence for over forty years.

With the Club having made so many starts under so many names, it is perhaps not surprising that it has also competed in many leagues, in the early days they were obviously of a very junior nature, but in 1905 they joined the Great Western Suburban League where the best position they achieved was runners-up in 1912.

After the First War they again played in a number of junior leagues, but once more achieved Great Western Suburban League status before joining the Spartan League where they remained until resigning in 1935.

The post war club appears to have started its career in the Middlesex Senior League which became the Parthenon League in 1951. Two years later they turned their eyes westward and became founder members of the Hellenic League of which they were runners-up in 1956.

They renewed their acquaintance with the Spartan League in 1958 and lifted the Championship two years later. Staines moved to the Athenian League in 1971 and after winning the second division at the first attempt and being runners-up in Division One two years later, they were elected to the new Second Division of the Isthmian League (the current equivalent being Division One). Only two years into their Isthmian career, they were promoted to the Premier Division, but were demoted on ground grading in 1984. However five years later they again won promotion to the Premier Division only for it to be lost in 1993 - their first actual relegation in 63 years.

In the national cup competitions the club has fully played its part without any real glory times although as Staines Lagonda they reached the last sixteen of the FA Amateur Cup in 1923/4 whilst in its replacement, the F.A. Trophy they have never passed beyond the second round stage.

In county cups, the club has competed in both the Middlesex and London Senior Competitions the former, they were winners of last season, when they also completed a "double" by winning the Middlesex Senior Charity Cup. The latter has seen them reach the final twice, without ever lifting the trophy itself.

This is the first Isthmian Final of any description that the club has reached, although they have thrice been a beaten semi-finalist in the League Cup.

They have the distinction of winning the European Amateur Cup-Winners Cup (Barassi Cup) in 1975 when defeating Banco di Roma over two legs. The first being in front of 70,000 in Rome's Olympic Stadium.

The Staines Town mascot this evening is Sam Bartlett.

**STEVE BATTAMS** (Centre Back) A member of the Youth side, initially signed at the end of last season, who was added to the First Team squad after a string of fine performances. A Surrey Youth Representative player.

**STEVE BEEKS** (Midfield) Began at Egham Town, then moved on to Aldershot, where he appeared in the Football League. Subsequently played for Woking and Sutton United before joining Staines in January 1992. He has represented Surrey Youths and Middlesex F.A. and is a professional soccer coach. Was 1993/94 season's top scorer with 26 goals.

**STEVE DARLINGTON** (Forward) First made his mark with Hounslow where he stayed until the merger with Feltham. Also helped West London Schools to the last eight of the English Schools F.A. Cup. Subsequently played for Chalfont St. Peter and then Windsor & Eton. Joined Staines in January 1994 and is a favourite with the Wheatsheaf Lane crowd. Recently called into the Diadora League Representative squad.

**PHIL GRANGER** (Forward) Originally joined the club on a month's loan from Sutton United after having loan spells with Yeading and Purfleet also last season. However, he had made his name as a prolific scorer in Dorking's promotion side the previous season. Began his career with Goole Town, Hull City and Winterton Rangers and has represented both English and British Universities.

**MARTYN LATHAM** (Defender/Midfield) After playing for the Under 18 (Sunday) side progressed through the Youth and Reserve sides and by 1991 was a regular member of the First team. Has a Middlesex Senior Cup winners medal and has also played for Kingsbury Town, Camberley Town and Walton & Hersham whom whence he returned to Staines in October 93. Has Middlesex County honours.

**STEVE LIVEY** (Defender) Has played for a host of clubs including Wimbledon, Addlestone, Kingstonian, Egham and Leatherhead and is now in his second spell at Wheatsheaf Lane which started in 1990. Has represented Middlesex F.A.

**PAUL LUCAS** (Defence) Signed in December 1993 from Egham Town where he helped the club reach the Surrey Senior Cup and Locite Trophy Finals in 1991/2. Has previously played for Cobham, Feltham and Hampton and gained both cup winner's medals with Staines last season.

## The Staines Town Players

He then moved on and around a variety of Middlesex and Surrey clubs before returning to Wheatsheaf Lane with manager Chris Wainwright in July 1993. Also works with the Club's 'Junior Sixes' soccer youth development.

**TRENT PHILLIPS** (Goalkeeper) Signed from Walton & Hersham this season after being a regular in Walton promotion side last term. Began with Staines as a junior in 1985 and had a season with Camberley Town in 1989/90. Has also played in the SE Counties League for Fulham.

**CRAIG REILLY** (Midfield) Played Youth football for Fulham and last season captained the Staines Town Youth Team. Has gained a Middlesex County Youth FA "cap" and featured in the two Staines Middlesex County finals last season.

He moved on to Slough Town and then Egham Town where he was captain, as well as being "Player of the Year" and a Surrey Senior Cup Finalist. He moved on to Walton & Hersham and returned to Wheatsheaf Lane in July 1993.

**JIM WILLIAMS** (Forward/Midfield) Another graduate of the 1988 Egham Town Youth side who during his two years at the club progressed to the First Team. He then played for Bedford in the Parasol League. Joined Staines in July 1993.

**CHRIS WAINWRIGHT** (Manager) Joined the Club in May 1993 having previously been in charge at Egham and Walton & Hersham. Previously as a player, he counted Bohemians in Ireland amongst his clubs. Started his playing days at Staines and was the first Club player to sign a contract with the club. He is ably assisted by **KEITH BRISTOW** and has **JUG STEPHEN** as his trainer.

# THE DIADORA FOOTBALL LEAGUE

This is the Ninetieth season of The Diadora Football League as we know it today and although it cannot claim to be the oldest competitive competition in the land it certainly can claim to be one of the most innovative. Originally formed for the 1905/6 season, three men of vision saw the need in the London area for a really strong amateur league. Those men, Tom Kirkup, for many years Secretary of the London F.A., George Clarke, Hon. Treasurer of Ilford F.C. and Frank Evans, Hon. Secretary of Clapton F.C. met and sent out invitations to six clubs to attend a meeting at the Winchester Hotel in Old Broad Street to informally discuss the subject.

The meeting met with enthusiasm and soon the representatives of the six clubs present - London Caledonians, Clapton, The Casuals, Civil Service, Ealing and Ilford had persuaded their committees of the value of such a competition. The late Harry Huband was approached to become Hon. Secretary and the Isthmian League was officially formed on March 8th. 1905 with Lord Kinnaid as President and Percy Timbs as Chairman.

Much had been made in those far off days of the re-birth of the modern Olympics in Athens in 1896 and as such Greek names were very much the "in thing", thus Isthmian with its Greek connotations became the name of what was to become the senior amateur league in the South of England. London Caledonians were the first winners and Clapton were runners-up. It wasn't long before the League started an expansion programme which in due course led to the 87 club set-up of the present season in four separate divisions. The latest clubs to be welcomed are Canvey Island already assured of promotion in their inaugural season along with Bedford Town who shortly after these notes were written may have accompanied them into Division Two for next season. Slough Town returned after several seasons in the GM Vauxhall Conference and have challenged strongly for the Championship. The League can boast of three clubs who have gone on to Football League membership. Wimbledon now in fact a Premiership club joined the Isthmian ranks in 1921 and stayed until 1964. The former Maidstone United were also members between 1959 and 1971 and of course Wycombe Wanderers are now in the Football League Division Two only seven years after leaving our ranks.

The Isthmian League under the Chairmanship of Barry East first embraced professionalism and sponsorship in the early 70's and was the first league to award three points for a win. During the 1980's the present management structure under the guiding hand of present Chairman and Managing Director Alan Turvey transformed the League from two to four divisions and the highly successful sponsorship of Vauxhall Motors was obtained. The league enjoyed six years of that sponsorship agreements which at the time was the longest running sponsorship in football.

The league is now completing its term of a sponsorship agreement with Diadora UK which has seen the Italian Sportswear Company gain a share of the UK market and become a high profile advertiser on sports grounds around the country. It was noticeable in the last World Cup that several of the competing countries had chosen the Diadora strip for their players and Company have expressed much satisfaction in the way the Sponsorship has been conducted over the four year term.

During the past decade the league has emerged from the "amateur" tag that it previously had, and now plays a full part each year in the pyramid of football where it provides clubs with both a platform to rise from, and in the case of the clubs at a lower level, a target of membership to aim at. Stevenage at the start of the season were the eighth club to rise to the GM Vauxhall Conference through the Isthmian League as part of the F.A. pyramid system following in the footsteps of Sutton Utd, Wycombe Wanderers, Farnborough Tn, Yeovil Tn, Slough Tn, Redbridge Forest and Woking. They have had a most successful season in the Conference and a top five position looks a likely outcome of their first campaign. Other member clubs Dagenham and Enfield have also been members of that competition but not by way of promotion.

In recent years, member clubs Dagenham and Bishop's Stortford won the F.A. Trophy whilst Sutton United were runners-up. Southall reached the Final of the F.A. Challenge Vase, and Yeading went one step better and won the competition in 1990. Next Saturday we hope to add to that tally with Oxford City becoming the third Club whilst in membership of the League to appear in a F.A. Challenge Vase Final with is now sponsored by Carlsberg.
