The League Chairman's Message

Good Evening

It is my pleasure to welcome you all to tonight's Carlton Cup Final between Boreham Wood Football Club and Sutton United Football Club.

As you will be aware this particular competition is for Full Member Clubs of our League. They are those Clubs who play in both the Premier Division and Division One. The Clubs in Division Two and Three, and who are Associate Members of the League play for the Carlton Trophy.

This is the first year of sponsorship by Carlton UK Television Ltd. and we are indeed most grateful to the company and its Management for their sponsorship of the two competitions i.e. Cup and Trophy and indeed their support of our League and its Member Clubs.

Boreham Wood Football Club played in the Final of this competition last season losing after extra time and penalties and will undoubtedly be out to reverse that situation. At the time of going to press, the Club are having an extremely successful season in the Premier Division having been champions of Division One in season 1994/95.

Sutton United were last winners of the Cup in 1991/92 and are a club that have achieved much success over the years in national competitions. It is my pleasure to welcome John Palmer, the Controller of Media and Public Relations for Carlton UK T.V. together with his colleagues, some of whom are likely to have been involved with the big media events earlier in the day regarding the European Football Championships.

In addition we welcome Bill Wilson, the Chairman and Managing Director of our major league sponsors ICIS Sportswear Ltd. together with representatives from both County Football Associations, Leagues and Member Clubs.

In conclusion may I take this opportunity of thanking the Chairman of Purfleet Football Club, Harry South and all connected with the Club for arrangements made in staging tonight's important match which I am sure will be a very exciting dual between two good footballing teams.

Best wishes and thank you for your support.

ALAN C. F. TURVEY
Chairman and Managing Director

BOREHAM WOOD

Boreham Wood Football Club, as it is now known, was formed in 1948, following the amalgamation of Boreham Rovers and Royal Retournez.

The Club progressed through the Mid-Herts. League and into the Parthenon League, where it finished Runners-up on three occasions, and Champions once.

The next step was to join the Spartan League, where the Club finished Runners-up in 1963/64 and 1965/66, before moving on to the Athenian League. Boreham Wood F.C. made rapid

progress in this League and won the Premier Division Championship, by nine points in 1973/74.

An application was made to join the Isthmian Football League in 1974/75 and two years later the Club won the Division Two Championship, by sixteen points. After five seasons in the Premier Division, Boreham Wood were relegated for the first and only time in their history, at the end of the 1981/82 season. During the following two seasons the Club finished sixth and fifth, and on each occasion missed promotion by just five points.

1994/95 was one of the most successful seasons in the Club's history. The Division One Championship was won by an amazing twenty-two points, and promotion back to the Premier Division was achieved. The Club also reached the Finals of the Herts. Charity Cup and the Carlsberg Cup, as well as the Semi-Final of The London Challenge Cup.

Boreham Wood have reached the First Round Proper of the FA Challenge Cup twice, only to lose at Southend United in 1973/4 and 2-0 at Swindon Town in a replay in 1977/78, having drawn 0-0 at Meadow Park. The Club's best performances in the FA Challenge Trophy have been in the last and this current seasons, in both cases they have reached the Third Round.

In domestic football in Hertfordshire they have won many honours in the Senior Challenge Cup, the Charity Shield, the Junior Cup, the Intermediate Cup and the Charity Cup.

The Club's Reserve Team and Youth Team have both been successful in recent seasons, and several players have progressed through them and into the First Team squad.

Having regained Premier Division status the Club have been trying very hard this season, not just to consolidate its position but to challenge for a place in the Vauxhall Conference. As these notes were penned early last week, the Club would have had to win its final game against relegated Worthing 4-0 or more and both Enfield and Hayes would have needed to have lost their Saturday matches for Boreham Wood to be ICIS League Champions.

Our association with the ICIS League through this competition is part of a wide ranging involvement in sport on and off the television screen.

Sport plays an extremely important part in the lives of viewers in the Carlton area, and as the local television company we are involved at the grass roots level with numerous schemes to encourage young people

We have been supporting the Sport Aid Foundation's efforts to help talented youngsters and we were also involved in a community scheme with Leyton Orient Football Club and a sports project for youngsters in Croydon.

On screen, Sport in Question, with Ian St. John and Jimmy Greaves, is as popular as it is controversial, and our soccer coverage extends from the weekly Endsleigh League programme to the European Champions League and the Euro 96 Tournament, which takes place here in June and ends with a Wembley final to crown the top nation.

Tonight we will crown our own champions, so let us hope for an exciting game

SUTTON UNITED

Sutton United came into being in 1898 when two local clubs, Sutton Association and Sutton Guild Rovers merged. They moved to the Gander Green Lane enclosure in 1913 and some fifteen years later won their first major honour - the Athenian League.

After a depressing time in the early 30's they later become one of the top amateur sides in the country and the return to peace in 1946 saw the club bring off their second Athenian championship.

Another dozen or so years were to pass before more success in the form of a

third championship was to come Sutton's way.

In 1963 under Sid Cann, the club reached Wembley for the Amateur Cup Final and although they lost to Wimbledon, some success came in the form of an invitation to join the Isthmian League. Only four years were to elapse before Sutton won the title, and two years later they were back at Wembley, again for a fruitless visit for the Amateur Cup Final of 1969. In 1970 they achieved national fame by playing Don Revie's Leeds United at Gander Green Lane in the FA Cup. After the break up of that side and several years in the doldrums, Keith Blunt became manager and immediately matters improved. U's became the only side to win the Anglo-Italian semi-professional tournament and they returned to Wembley for a third time (alas unluckily again) in the 1981 FA Trophy Final. By this time Barrie Williams was the manager and after winning the Isthmian League title in 1985 and 1986, Sutton accepted the offer to move up to the Conference - finishing in the top three in three out of the first four seasons. Aldershot and Peterborough became victims of the U's in the FA Cup, but the magic memory is the defeat of Coventry City 2-1 at Gander Green Lane.

Sutton lost their Conference spot in 1991 despite winning the Bob Lord Trophy (league cup). They have, since their time back in the Isthmian League continued their FA Cup giant-killing tradition with wins at Colchester United and Torquay United. They have also registered wins in the Surrey Senior Cup Final in 1993 and 1995.

The U's have a tradition of inspiring long service, former goalkeeper Ralph Carr joined from Hayes in the 1930's and won an England Amateur Cap before serving as Club Secretary. He is still a director. Joint Managers Larry Pritchard and Ted Shepherd are two more who have found it difficult to stay away from the Lane. The club was rocked in January this year by the death of popular Chairman Dave Hermitage, himself a former player in the 1960's after a short illness.

Gary McCann (Goalkeeper) After several years at the club as a youth team player, during which time he had trials for several London pro clubs, Gary broke into the first team and made over 50 appearances before moving on to several clubs including Walton & Hersham and Chesham. Recently made his 100th. appearance.

Chris Roberts (Goalkeeper) Signed earlier this season after being released by Cambridge United, previously with Crystal Palace.

Paul Gates (Defender) Consistent player who is at home in any defensive position and can also play in midfield. Signed from Chipstead in 1989, he has now made over 350 appearances and was voted Player of the Year in 1992/93. He has also represented Middlesex Wanderers.

Giles Marchant (Defender) Right Full Back signed in March 1994 from Walton & Hersham, with whom he gained league representative honours. Previously with Wimbledon.

Nigel Golley (Defender) Signed from Whyteleafe in 1982, he has now made over 650 appearances and scored more than 80 goals for the club and was rewarded with a testimonial against Crystal Palace last season. He has won the Football Club and Supporters' Club Player of the Year awards, including both in the same year year in 1992.

Mark Costello (Defender) A graduate of Sutton's Youth Team who won a record number of Surrey youth caps and made his senior debut in November 1990, since when he has made around 300 appearances. Scored only his second goal for the club in the semi-final replay win at Carshalton Athletic.

Chris Green (Defender) Signed from Dulwich midway through last season and is quickly establishing himself as a dominating centre-half. His father, Mike, was at one time player-manager of Torquay United.

Steve Watson (Midfield) Powerfully built midfielder signed from Croydon in October '95, he has quickly adapted to the higher level.

Jimmy Dack (Midfield) On Brentford's books as a youngster, he first joined Sutton in August 1990 from Epsom &

Ewell and made around 50 senior appearances over the next three years. After spells with Crawley and Carshalton, he returned to the club during last summer and celebrated his 100th. appearance for the club with both goals in the 2-1 win at Carshalton on Easter Monday.

David Shepherd (Midfield) Graduated through the youth team to make a dozen first team appearances at Vauxhall Conference level in the late 1980's, and returned to the club towards the end of last season. His other clubs include Whyteleafe and Crawley.

Steve Payne (Midfield) Winger signed in the close season from Crawley Town. Previously with Ringmer, he opened his account with two goals in the win at Hendon and has scored nine times in his 50 appearances.

Martin Lempriere (Midfield) Right sided player signed from Kingstonian in March 1995. Previously with Crawley Town and on the books of Crystal Palace as a youngster.

Dominic Feltham (Forward) Signed in November 1991 after five years in America where he played for Baltimore Blast after earning a marketing degree. Has averaged better than a goal every other game after more than 200 appearances. The leading scorer last season, he was also voted Football Club Player of the Year. Amongst the leading ICIS League scorers again this season with 26 league and cup goals after 27th. April.

Mark Hynes (Forward) Signed at the start of the season from Whyteleafe, with whom he enjoyed three good years after joining from Fisher Athletic. He finished as top goalscorer in Division One in 1993 and was voted Whyteleafe's Player of the Year. He has also played for Croydon, Merstham and Croydon Athletic. Scored twice in the semi-final replay win at Carshalton. Voted Supporters Player of the Year for 1995/96 after scoring 21 times in 47 appearances.

Joff Vansittart (Forward) A former Brighton junior. Joff broke into the Crawley side as a teenager and left the Sussex club for Sutton in the summer. Scored on his U's debut at Bishop's Stortford on the opening day of the season and reached double figures in the league by the end of September. Recently returned to the First Team after injury.

ICIS League Promotion News.....

With the Bank Holiday over this, the final weekend of the ICIS League 1995/96 season our cut-off date for this programme was as early as the start of last week. However, even at that time many of the promotion places had been settled. Working upwards, Horsham, Leighton Town and Windsor & Eton will all be playing in Division Two next season. Division Two Champions are Canvey Island, who will be accompanied by two of Croydon, Banstead Athletic or Hampton. Oxford City and Heybridge Swifts and Staines Town have gained promotion to the Premier Division from Division One. It was likely though that the Premier Division championship would not be sorted out until Saturday afternoon - and even then it could be a case of goal difference being important. The champions will be named from Enfield, Hayes, Boreham Wood or outsiders, Yeovil Town. Ruislip Manor, Safron Walden Town, Harefield United and Cove will all be leaving the ICIS League this season.
