Good Evening.

It is my pleasure on behalf of both the Management Committee and Member Clubs of our League to welcome you all to this evening's 'Full Member's Cup Final', which is competed by the Member Clubs of the Premier Division and Division One. This evening's finalists are Basingstoke Town F.C. and Hendon F.C., former winners of the competition in Season 1993/94.

For seasons 1997/98, 1998/99 and 1999/2000, the competition will be known as "The Puma Cup" as part of the sponsorship package negotiated with PUMA UK, which includes the providing of PUMA Match Footballs, the Official ball of the League, The Safe Hands Award and the Goal Scorer of the Season Award, together with other benefits during the three seasons of the agreement.

We are extremely grateful to PUMA UK for their support of our League and extend a special welcome to Senior Managers from the Company, Paul Gautier, Advertising and Sales Promotion Manager and Mark Freeman, Senior Business Development Manager, Footwear and Equipment, together with other representatives from the Company for this evening's match.

The PUMA brand really does not need an

introduction, because it is a household name in sports equipment and it is indeed a multinational company.

May I extend a special welcome to the Officials, Players and Supporters of tonight's competing teams for what I am sure, will be a keenly contested match. Both clubs have had a most successful Season, both performing extremely well in the Football Association Challenge Cup Competition, defeating Nationwide League sides with outstanding performances. Both clubs are currently in the top half of the Premier Division table and are seeking to improve on those position.

A welcome also to the many other guests with us this evening from the Football Family and I would also express our appreciation to Chesham United Football Club, Chairman David Pembroke and his officials for making the facilities available and for their assistance in all this evening's arrangements.

In conclusion, my thanks to PUMA UK for providing the match footballs for this evening's final and the ball being used this evening is the new top of the range PUMA Cel.

CLIVE GARTELL - Midfield: Rejoined the club in October after a brief spell as manager of Molesey. Originally signed from Dulwich at the start of last season, he previously played over 200 games for Molesey, and has also played for Epsom and Leatherhead. At home in midfield or at the back.

JOFF VANSITTART - Forward: A former Brighton junior in this third season with the club after being signed from Crawley, where he established himself in the first team as a teenager. Among the league's leading scorers last season, he has reached double figures in each of his two seasons at Sutton despite spells out with injury. Leading scorer with 32 League and cup goals this season, he has represented the Ryman League and in November had a two week trial with Oxford United.

ANDY SALAKO - Forward: Signed just before the start of this season from Carshalton, where he was leading scorer in each of the past two seasons. Represented the Ryman League this season.

NASSIM AKROUR - Forward: Algerian born striker who joined the club in the summer after moving from France, where he had played semi-professionally for Olympique Noisy-Le-Sec. An average of two goals a game for the reserves earned him a first team chance in November, and he scored four in his second full senior game, and twice at Dagenham in his first full Ryman League game. Has made a habit of coming on as substitute to score important late goals, including two in the quarter final replay against Romford.

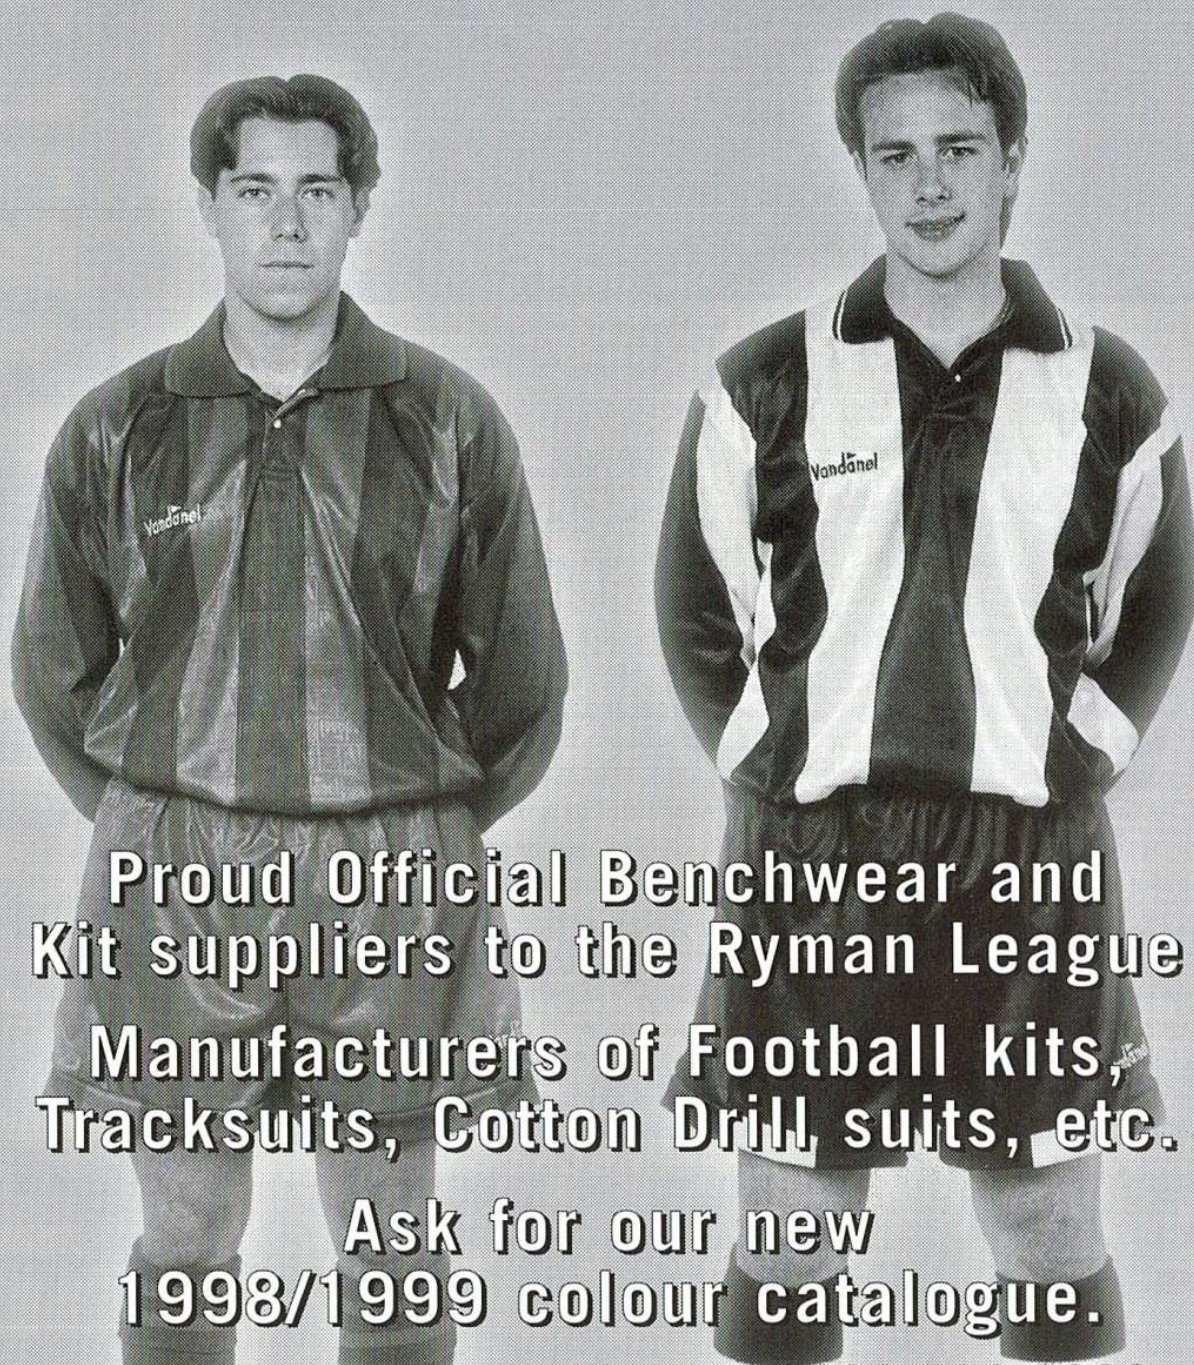

JUNIOR HAYNES - Forward: Signed in January for a four figure fee from Hayes, with whom he had spent two years and won a league championship medal in 1996. An apprentice with Tottenham, he has made Football League appearances for Barnet and has also played for Hendon.

MARK WATSON - Forward: Rejoined the club in March from Welling. Originally signed from local football in 1993, he made sufficient impact to persuade West Ham to sign him two years later. After loan spells at Shrewsbury and Leyton Orient, he spent last season with Bournemouth before joining Welling in the Summer.
