Good Afternoon Everybody,

This afternoon it is our honour and pleasure to stage the first Rothmans Isthmian League Subsidiary Cup-Final, and the challenging teams promise an entertaining match. To League Officers, Officers, Players and Supporters of both Clubs, we bid you a warm welcome to Church Road and we trust we all witness a keenly and sportingly contested game.

Today's competition was first thought of when the second division of the Rothmans Isthmian League was introduced, but was only brought into being this season. The basic idea was to enable Clubs who had lost interest early in the various cup competitions a chance to stimulate support and assure that they were engaged in competitive matches until much later in the season. The first matches in this season's competition were played on Tuesday, 9th March, and the semi-final decided by 3rd May when Slough beat Wycombe Wanderers. It is the intention that

next season, this cup competition will be of a compulsory nature started earlier and on a knock-out basis.

INTRODUCING SLOUGH TOWN

Slough Town made their way into the final by defeating Hampton (Away) 3-1, Maidenhead (Home) 2-0, Harrow Borough (Away) 3-2 and as already mentioned Wycombe Wanderers (Away) 2-1 after extra time. In this they have scored ten goals and conceded four. Representing Slough today will be:—

PAUL BARRON (goal) who joined the Club when Tommy Tranter was there from Borough Road Colleges and had attracted many professional Clubs. I understand that he has now signed for Plymouth and will be full time with them next season.

TIM TURL (Defender), having once played for Slough, left to join Enfield, only to return to his first love

JOHN BEYER (Defender). Now in his third season with the Club and a strong, fast, reliable defender.

DENIS MALLEY (Defender). Signed recently from Guildford, a valuable acquisition.

GORDON BARTLETT (Midfield). A former Brentford player, having joined them from Portsmouth, resides in Greenford.

ALAN GANE (Midfield). Joined the Club this season from Cambridge City, an experienced player and key man in the side.

ROY DAVIES (Midfield), brother of Barry, now with Hayes, equally at home in the role of striker. Never

PAUL LEE (Striker). In his first season with the Club, having joined from Cheltenham, the second highest goalscorer.

TERRY BROWN (Striker). Needs little introduction to the Church Road supporters, having played with Hayes before joining Slough. Leading goalscorer but has been troubled of late with a minor injury.

INTRODUCING TILBURY

Although Croydon have gone through their league season without defeat, they have been pipped on the post for the championship of division two by Tilbury. Our congratulations go to Tilbury who will be all out to complete a notable "double". This season they have also reached the Essex Professional Cup Final, to be played against Southend Colchester and are in the semi-final of the Mithras Cup against Epping.
