## **ENFIELD v HAYES** **7th May 1979**

This afternoon sees the completion of the Isthmian League fixtures for the 1978/79 season, and what better way to finish a campaign than with the Final of the Hitachi Challenge Cup Competition.

On behalf of the League, a very warm welcome is extended to all our visitors to the Wexham Park Stadium, especially the representatives from Hitachi Sales (United Kingdom) Limited and, of course, the officials, players and supporters of the two competing clubs - Hayes FC and Enfield FC. We also extend our thanks to the officials of Slough Town FC for allowing us to use their ground and facilities.

The Isthmian League Challenge Cup Competition was commenced in 1974/75 season as a subsidiary cup open only to Second Division clubs. The initial winners were Tilbury who defeated Croydon in a two-legged final. The following season the competition was open, as an option, to all clubs in the constitution and again Tilbury reached the final, only to lose on this occasion to Slough Town. In 1976/77 season entry became compulsory to all league clubs. Hendon became the third winners when they beat Barking 1-0 on Harrow Borough's ground in a very exciting final.

In 1977/78 season the competition was sponsored by Hitachi Sales (UK) Limited and renamed the Hitachi Cup Competition. It is thanks to the giant Japanese electrical concern that the League Cup Competition has expanded out of all recognition since its inception five seasons ago. Dagenham were the first winners of the Hitachi Cup, achieving a 1-0 victory over Leatherhead at Dulwich Hamlet in another very exciting final.

Hitachi have sponsored the competition again this season to the tune of £6000 in cash and equipment. Details of this seasons awards appear on page 5 of this programme. Back in September, the forty clubs from Divisions One and Two entered the First Round. The Twenty winners clashed in the Second Round to produce ten successful clubs to join the twenty-two Premier Division sides in the Third Round. Harrow Borough were the last of the non-premier Division sides to be eliminated when they lost to Hayes at the semi-final stage.

Enfield and Hayes have already met three times this season. Both league matches ended in 1-1 draws, whilst Enfield gained a narrow 1-0 London Senior Cup win when the sides last met at Church Road in January.

And finally, we hope that the weather will be kind to us and that we shall witness a keen and interesting game in keeping with this competition and that when you leave you will have enjoyed seeing our Hitachi Challenge Cup Final.
