Welcome to the Final

Welcome to Bridge Avenue, the home of Hornchurch Football Club for this afternoon's Bryco League Cup Final between Dunstable Town and Thurrock football clubs.

This is the second season that our League Cup competition has been sponsored by Bryco and we thank Mr Karl Williams for his support of the competition and for hosting a fine lunch for the directors of the competing clubs and the League.

We thank Mr Lee Harding of our programme sponsors this afternoon - Queensway Publishing Limited - for donating the colour in today's souvenir final tie programme.

We also thank our match ball sponsors - Chryso Limited - for their support this season and in providing matchballs for today's Final.

A warm welcome to the supporters officials and

players of the two teams for this afternoon's final tie.

Once again emphasising the strength of our overall League, Dunstable Town play in our Division One (North) and have enjoyed a fine season.

Fifth in the table before Saturday's match at Cheshunt, they have already scored over eighty league goals to date.

The Bedfordshire club have overcome Wivenhoe Town, Uxbridge, Sutton United, Grays Athletic, Harlow Town and Hampton & Richmond Borough to reach today's final.

Their opponents this afternoon - Thurrock - play in our Premier Division and have also enjoyed a good season.

Before Saturday's match they lay fifth in the table, with realistic hopes of a top-three finish.

To reach the final, the Essex club have enjoyed victories over Braintree Town, Kingstonian, Bedford Town, Chesham United and Cheshunt.

If the scores are level at the end of ninety minutes play, there will be extra time played and if the scores are still level there will be penalties on the 'World Cup' basis.

I hope you enjoy the match, Alan C.F. Turvey Chairman Ryman Football League

Negotiations began in early 1997 by the now chairman Steve Kaye to acquire the redundant prime site namely Creasey Park to enable a once famous nonleague club retain their rights for football in the locality.

Finally after great lengths Spartan South Midlands League football returned to the reformed Creasey Park in the summer of 1998 when Paul "Reevo" Reeves and Darren Croft were invited to manage the newly elected club.

Excellent results then saw the side remain in the top four and there was talk of promotion at the very first attempt. However injuries to key players towards the end of January saw the side slip away to finish the season in fifth place.

With hindsight not gaining promotion was a blessing in disguise as the team was clearly lacking in strength and depth.

This situation was looked at the pre-season stage of 1999-2000 season which turned out very fruitful indeed, in fact record breaking.

The first team remained unbeaten to take the div 1 championship the div 1 cup and the Beds F.A. Intermediate cup and if that wasn't enough the reserves did very well taking their championship crown.

At the League A.G.M. that summer the club also received the special award trophy. The first team was again strengthened for the season after 2000-01 and continuing from where they left off the side soon climbed into a top three position where they remained all season, incorporated with a fantastic run in the F.A. Vase the club was running on a high.

With wins in four rounds from teams in higher leagues the "blues " finally went out to Tooting & Mitcham narrowly

1-0 away to end an unbeaten run of 51 matches in all competitions a record for all South Midlands leagues.

For all their achievements outside the league the club was awarded the Houghton Regis Cup. The next season started brilliantly with the first defeat not coming until Cambridge City beat Dunstable with 2 late goals to take the tie (2-3) and proceed to the first round of the F.A. Cup in late September.

The club was then awarded "Team of the month" for September and as we all know what happens next their league form suffered and they ended their campaign in seventh position.

During this period the reserves had made very steady progress and were rewarded with promotion into div 1 as well as winning their respective floodlit cup.

Continuing with their strides through the non-league circles additions were made to the entire club. Dunstable secured the premier title last season and, with the Ryman League their aim, work was taken out by the hard working young committee and at time players to secure what has been nothing short of a miracle.

With acceptance to Div 1 North under their belts the club then went on to win the Bedfordshire Senior Cup claiming the scalp of Ryman Premier side Bedford Town after previously beating further Ryman sides Arlesley and Barton Rovers and yet again that wasn't enough silverware the reserves won and retained the floodlit cup.

To sum it up coming from scratch in 1998 having both sides in their respective highest divisions inside the last 5 seasons has been a great achievement and reflects all the hard work put in on and off the pitch. Early signs show that this was the right way HE BRYCO CUP THE BRYCO CU

forward for the club particularly with their excellent start to this season with no less than 9 debutants.

Meet the players ... PAUL TAYLOR

(Goalkeeper) - Strong reliable goalkeeper developing a reputation for saving penalties. Strong candidate for player of the season.

CHRIS HARVEY (Defender) - Chris is a pacey defender who likes to get forward. He also has a potent 'long throw' in his armoury. Previous clubs Hitchin and Boreham Wood.

STEWART STRANGE (Defender) - A utility player who can revert from midfield to defence, and adapt to which particular system we play. Has experience of playing in the States with Houston Hotshots.

JULIAN OLD (Defender) -Joined Dunstable in July 2003. This well-travelled, experienced defender lists Dulwich Hamlet, Leatherhead, Leighton Town as just some of his previous clubs. Consistently good performances all season.

LORENZO SILVESTRI (Midfield) - Small in stature but not in heart. Hardworking and industrious midfielder. Previous clubs Northampton, Thame, Aylesbury and Hitchin Town.

MARC KEFFORD (Defender) - Marc is a Luton born defender. He is a tall and rangey, left-sided player who can also play in central defence. Previous clubs Berkhamsted and Bedford Town.

BERNIE CHRISTIE (Forward) - A vastly experienced, multi-faceted player. Can equally add pace and strength to an attack or a defensive role. Somewhat of a talisman as he is also a more than useful emergency goalkeeper.

RAYMOND MASSIE (Defender) - Arrived late on the scene this season. Strong no nonsense defender good in the air. Previous clubs Biggleswade and Harpenden.

LEON CASHMAN (Forward) - A Hitchin born midfield player. A product of Hitchin Town and Barton Rovers Youth set ups. Limited opportunities but has pace and vision. More than capable of stepping up.

TOMMY DOYLE (Midfield) - Plays the game simply and is a good link up man. Can operate in a defensive midfield role and is adaptable. Previous clubs Brache Sparta and Barton Rovers.

ANTHONY FRANCIS (Forward) - 21-year old Hitchin born player. He is blessed with pace and power and has played as a left sided and central striker. This young man has the power to excite crowds. A great future is no cliche.

JOE DEENEY (Defender/Midfield) - Previous clubs Luton Town and Enfield. This highly rated youngster has unfortunately missed most of the season through injury but impressive when he did play.

KARL SPRING (Forward) -Bedfordshire born powerful striker. Karl has been employed as a target man but has it in his repertoire to revert to defence. Has the ability to excel in either role. Previous clubs include Arlesey, Rushden and Diamonds and Barton Rovers.

MATT BALDRY (Defender) - Another 20-year old youngster. He has matured this year and is improving not only in ability but confidence as the season progresses. THOMAS HAYES

(Forward) - A young striker discovered in local football. He has pace and skill but despite some niggling injuries, has had a great first season at this level of football.

DEAN WALKER (Midfield) - A hardworking player who added 'steel' to our midfield. He includes Bedford and Boreham Wood in his previous clubs.

JONATHÂN BARNETT (Forward) - Joined Dunstable in July 2003. A very skillful player who has contributed some important goals. Previous clubs Stevenage and Hitchin Town.

GRANT CARNEY (Forward) - Team Captain, a dedicated inspirational leader. A prolific scorer contributing 29 goals in his first season in the Ryman North League which is a tremendous achievement.

NEIL PUGH (Midfielder) -This 20-year old is a product of the Luton Town Youth Team. He plays with his head up and is more than capable of holding his own in a physical encounter. Contributed some important goals.

The Thurrock Football Club was founded as recently as April 1985 but until the start of this season had played under the name of Purfleet Football Club.

The first competitive game played by the Club was on 24 August 1985 against Canvey Island Reserves in Division One of the Essex Senior League and resulted in a 3-0 win.

The Club's ground forms part of the Thurrock Hotel and at first consisted of two pitches and dressing rooms in the main building. Under this set-up the Club could only compete at Junior level and mid-way through the season the playing area was turned round to give one pitch and the building of dressing rooms started in order for the club to become a self-contained unit away from the main Hotel Complex.

At the end of it's first season the Club finished third in the League and was granted Senior Status by the Essex County FA. The next season Purfleet were able to compete in the Senior Section of the Essex Senior League. Their first competitive match as a Senior Club was at home to Witham Town, which Witham won by 2 goals to 0. At the end of the season Purfleet had finished third in the League and were winners of the League Cup defeating Burnham Ramblers 2-0 in the Final.

Planning permission was obtained from the local council for the erection of floodlights and the building of a grandstand. The floodlights went up in January 1988 and the first game under them was an Essex Thamesside Trophy match against Pennant, which the visitors won by 2-1.

An application was made to join the Isthmian League (now the Ryman League) and by the rules of the Pyramid' would be conditional on the Club finishing in the top three. Purfleet not only won the League but also achieved the double retaining the League Cup by defeating Canvey Island 2-1. In their two seasons playing in the Essex Senior League Cup, Purfleet had the distinction of never having lost a game. Election into the Isthmian League

Election into the Isthmian League (then called the Vauxhall Opel League) was obtained at the League's AGM in June 1988 and the Club's new 300-seater stand was made ready for the start of the season. The first ever-Isthmian League game was in Division Two North on 20th August 1988 at Hornchurch and resulted in a 1-0 win.

At the end of the season Purfleet finished runners up to Harlow Town and were thus promoted to Division One. Life in Division One proved to be beyond the capabilities of the team, and after struggling for most of the year were relegated back to Division Two North.

Season 1990-91 saw the Club have its best run in the FA Vase when it reached the last 32 before going out by 2 goals to 1 at Harwich & Parkeston.

Purfleet finished in 7th place in Division Two North and thus ensured a place in the new Division Two following the splitting up of the two Regional Divisions.

Introducin

Season 1991-92 must go down as the finest in the club's then short history, Champions of Division Two of the Diadora (Isthmian) League and winners of the Loctite Trophy. After loosing 2-0 at Witham Town at the end of November, the next 26 League games resulted in 20 wins 4 draws and just 2 defeats. In the Loctite Trophy Final, played at Sutton United, Purfleet came from 2 goals down to defeat Egham Town 3-2.

Full terracing was installed at the Ship Lane end of the ground, which gave covered accommodation for 800 spectators. This has enabled the Club to obtain an "A" Grade Ground Grading. Since then further covered accommodation has been added at the M25 end of the ground. Season 1992-93 saw the Club finish 4th in Division One thereby just missing out on promotion. However it made up for it the following season by finishing as runners-up to Bishop's Stortford and thus gain promotion to the Premier Division. In just nine seasons the Club had gone from junior level playing on a roped off pitch to the Premier Division of one of the country's leading Non-league Competitions. What the Club had achieved in such a short time both on and off the pitch was surely a unique achievement.

In it's first season in the Premier Division the Club had to be content with 16th place scoring 76 goals, only four other clubs bettered this total. However 90 goals were conceded at the other end. In a hectic last eight days of the season the club played a Third Round, Semi-final and Final of the Essex Thames-side Trophy together with it's last Diadora League fixture. In the final against Chelmsford City at New Writtle Road a 2-0 success gained Purfleet the prestigious Thames-side Trophy.

The following season 1995-96 saw the Club again finish in 16th place in the now ICIS League. However it was in the two national cup competitions where the Club had its best success. It reached the Fourth Qualifying Round of the FA Cup going out at Rushden & Diamonds in a replay. Some revenge was gained as in the FA Trophy a First Round victory was obtained on the same ground. A trip to Macclesfield in the Second Round saw the Club go out 2-1 to the eventual winners.

After a somewhat poor start to the 1996-97 season the Club finished the season in eighth place in the League. However early exits were made from both the FA Cup and FA Trophy. The Club had it's best run in the Essex Senior Cup before going out in the Semi-final to a strong Southend United side at Roots Hall. The trophy cupboard was not entirely bare as the Club won the Carlsberg Fair Play Award for the Premier Division.

Over the close-season further ground improvements were made with the installation of a new enlarged directors box and full terracing on the North side of the ground.

The start of the 1997-98 season saw the appointment of Colin McBride as manager, taking over from Gary Calder who had been in charge since January 1991. McBride inherited just three players from the previous season's squad and turned to his former club, Essex Senior League side Concord Rangers for quite a number of his players. Purfleet finished in 10th place in the League and were runnersup in the Essex Senior Cup to Dagenham & Redbridge, going down 2-1 in a very entertaining game played at Ship Lane.

The following July West Ham United were once again the visitors for a pre-season friendly and an almost full First X1 attracted a new ground attendance record of 2,572. At the game the Club were very pleased to announce a major sponsorship with the local Lakeside Shopping Centre. The discussion and negotiations leading up to the sponsorship were featured on the BBC Television documentary 'Lakesiders'.

Season 1998-99 saw the Club finished fourth in the League, just being piped for third spot by local rivals Dagenham & Redbridge on goal difference. The Semi-final of both the Essex Thames-side Trophy and Puma Cup were reached, but rather surprisingly home defeats were suffered in both competitions to teams from lower Divisions within the Ryman League.

The next season, after a poor start, the Club again finished in fourth spot in the League. The finals of the Essex Senior Cup, Full Members Cup and Essex Thames-side Trophy were all reached. However 2-0 defeats were suffered in both the Essex Senior Cup and Full Members Cup to Canvey Island and Croydon respectively. Unfortunately the Essex Thames-side Trophy Final against Canvey Island was never played

While the Club, since it's formation has been happy to be located within The Hotel, it's aim has always been to have a club house of it's own. At the conclusion of season 1998-99 work began on the building of the 'Purfleet Club House', which finally opened for the home game against Canvey Island on 3rd March 2001.

The following season the Club made a disastrous start to the League campaign and did not obtain its first win until mid-November in its thirteenth game. However a very successful second half of the season saw the Club climb to a respectable 11th place. For the second successive season the Club reached the final of the Full Members Cup but had once again had to be content with being

runners-up going down 3-1 to Gravesend & Northfleet at Stonebridge Road.

Season 2001-02 saw the Club finish in 5th place in the League and for the second time won the Umbro Fair Play Award for the Premier Division.

Last season the Club made its best ever start to an Isthmian League Premier Division campaign not suffering its first defeat until the tenth game and until the new year was always up with the leaders. However the Club could not keep up its first half of the season form and had to finally settle for an 8th place finish.

Over the close season the decision was made to change the name of the Club from Purfleet to Thurrock. The Club want to attract a wider audience and extra sponsorship and believe that by having a name that represents the whole borough will be of help. The Club has been very proud of what it has achieved under the name of Purfleet and looks forward to further achievements under its new name.
