welcome to the final

Good evening ladies and gentlemen, and a warm welcome to the Wheatsheaf Park Stadium, home of Staines Town Football Club. On behalf of the Board of Directors of the Isthmian Football League, I welcome you to tonight's Final of the Isthmian League Cup competition, sponsored by Championship Manager.

We are very grateful to Alan Boon, Chairmen of Staines Town Football Club, and all his colleagues for their work, help and support in staging tonight's Final. The facilities and pitch are a credit to the Club and the Ryman Football League. The Club have had an excellent season, and with just three Saturdays left in the season, are almost certain to be Premier Division Runners-up of the Ryman League.

Harrow Borough and Tilbury Football Clubs will contest this season's Final. Harrow Borough have been members of the League since 1975, whilst Tilbury were first members from 1973 to 2004, and then returned after a short gap in 2006. Tilbury won the Cup in its first ever season, when they beat Croydon 3-1 on aggregate in two-legged Final. The following season they were in the Final again, this time losing 4-0 to Slough Town in

the match played at Hayes. For Harrow Borough, this is their first ever Final appearance, although the Club has staged three Finals on its own ground in 1977, 1980 and 1998, when Hendon, Enfield and Sutton United were the respective winners. Both semi-finals were fiercely but cleanly contested, with Tilbury beating Premier Division neighbours Billericay Town 2-0, and Harrow winning 3-1 against Ashford Town (Middx). We do therefore anticipate a good and entertaining match this evening.

I would like to thank Mr Lee Harding of our programme sponsors Queensway Publishing Ltd. for printing tonight's programme and our match football sponsors - Chryso Ltd. - for their support this

season and providing the footballs for tonight's match.

We also thank our four match officials who are officiating at the match tonight, and in so doing, representing all their colleagues who serve us so excellently week-in week-out throughout the football season.

The rules of the competition require extra time to be played in the event of a draw after 90 minutes, and for penalties to decide the result of the match on the night in the event of scores also being level at the end of extra time.

My congratulations and best wishes go out to both sides this evening in this Final. I do hope you enjoy the match.

Alan Turvey
Chairman
Ryman Football League

WEEKEND REVIEW

Premier Division champions Dover Athletic were nearly embarrassed at relegation threatened Heybridge Swifts but escaped with a 1-1 draw. Their nearest rivals Staines Town, also drew, 0-0 at home to Tooting & Mitcham United, but third-placed Tonbridge Angels made no mistake, hammering Hendon 5-1. Sutton United remained fourth after a solitary-goal victory over Dartford at Gander Green Lane, their near neighbours Carshalton Athletic are back in the playoff positions after an identical victory at Carvey Island. Ramsgate fate is almost confirmed after they lost 2-1 at home to Harlow Town, who climbed to 15th with the victory. Margate, however remain deep in trouble following their 3-2 loss at Harrow Borough, who are now almost safe. Boreham Wood's 2-2 draw at Horsham lifted them out of the drop zone at the expense of Hendon, but only seven points separate Hendon from 11th spot. Billericay Town and Ashford Town (Middlesex) are in that group of nine clubs and it was the former who beat the latter, 2-0, at New Lodge. Hastings United surprised AFC Hornchurch 2-1 at Bridge Avenue, while Wealdstone were knocked out of the playoff spots by Maidstone United, 2-1 at the Bournie Ground.

East Thurrock United returned to the top of Division One North, their late equaliser at home to Concord Rangers being their 100th League goal of the season, the first club to reach that mark this season. Aveley fell to second after losing 3-1 at home to third-placed Brentwood Town, but nine points still separate the top two and the field. Waltham Abbey beat Ware 3-0 and Northwood went two better at home to Witham Town and they round out the top five. Redbridge and Wingate & Finchley still have playoff hopes although they both slipped up 1-0, the former at Chatham Town, the latter at home to Leyton. The bottom two are almost guaranteed after Ilford moved 12 points clear of Witham Town with their 1-0 defeat of already doomed Hillingdon Borough at Cricklefield Stadium. Immediately above the Foxes, Waltham Forest moved to within a point of Potters Bar Town after beating them 2-0 away. Maldon Town won 3-0 at Cheshunt, while Great Wakering Rovers got a late winner to see off Enfield Town 2-1. The other match, at Thamesmead Town, where Tilbury were the visitors, ended goalless.

Kingstonian now appear favourites for automatic promotion from Division One South after they won 2-0 at Folkestone Invicta. They are level on points with Cray Wanderers - 4-1 victors at home to Corinthian Casuals two clear of Fleet Town, 2-0 winners at Chipstead, and six points up on both Metropolitan Police and Worthing. The Blues were held to a 1-1 draw by Sittingbourne at

Imber Court, while the Rebels slipped up 2-0 at Ashford Town. The Brickies are still four points behind Worthing and they both have four games to play. Merstham remain seventh despite losing 3-1 at Walton Casuals. At the bottom, Crowborough Athletic suffered their 31st League defeat, 5-1 at Dulwich Hamlet, but Burgess Hill Town moved above Chipstead after they beat Whyteleafe 2-0 at Leylands Park. And there were away wins for Croydon Athletic, 2-1 at Godalming Town, Eastbourne Town, 1-0 at Leatherhead, Walton & Hersham, 2-1 at Whitstable Town.

HORSHAM FC YOUTHS

Tom Hooile was recovering today after suffering a double leg break during Thursday evening's Ryman Youth League fixture between Horsham and Maidstone United. Play was abandoned after the incident that saw the young

Hornets defender taken to Worthing Hospital where he underwent an operation to repair his fibula and tibia. The match itself saw the sides level at 1-1. The League wishes Tom a full and speedy recovery.

RAMSGATE FC

Ramsgate FC is set to launch its own academy in partnership with Sandwich Technology School's new Centre for Football Excellence and Development. Based at the school, the Centre will also become the home of the Academy, which will offer full-time football scholarships to talented male and female players aged between 16 and 18 years. The Centre will also have a strong international dimension through close links with a French excellence scheme based in Lens. There are 22 male and 15 female scholarships available to candidates, who can undertake 1, 2 or 3 year combined football and academic programmes. Ramsgate are thrilled that Gary Owen will be the Centre Director. Gary spent several years coaching in the Chelsea FC Academy working with young players including Chelsea and England under-21, Michael Mancienne. Gary has also managed to persuade a former Chelsea coaching colleague to join him at the Centre. Ramsgate Chairman Richard Lawson confirmed "This is an excellent way to help players realise their football potential at the same time as obtaining non-football qualifications, and even a route into higher education."

Looking to the future Gary added, "It's fantastic to have Ramsgate FC working with us because we have a shared purpose and vision that involves developing youth. There are other similar schemes about but what we are offering is unique. We are not in the business of selling the myth that professional football is an option, for most players that's not the reality so why even talk about it. Our purpose is to identify good players and place them in a technical and educational programme designed to maximise their football ability and their personal development. If students want to study at university, play semi-professionally or take-up coaching and travel abroad, we can provide them with opportunities to do so. One thing for sure is that expectations and standards will be high."

STAINES TOWN FC

Steve Cordery was quick to send Staines Town's congratulations to Dover Athletic after the Kent club clinched the championship last Saturday. The Whites' thumping 6-0 win over Sutton paired with the Swans 1-1 draw at Hastings United meant there was no way they could be overhauled at the top. And manager Cordery made sure he was quick off the mark to say well done as the champagne started to flow at the Crabble.

He said: "I spoke to Andy Hensenthaler as soon as we found out they had won after our match ended all square."

"I telephoned him to send our congratulations. They are worthy champions and a credit to the Ryman League. They just haven't had a bad run and well done to them."

"Over the season I believe you finish where you deserve to and winning the league with a month to spare shows what an exceptional team they are. They have set the standard."

"Well done to them but now we've got to focus on making sure we join them in the Blue Square South next season."

6 - Isthmian League Cup Final - Harrow Borough v Tilbury, Wednesday, 8 April 2009

introducing ...

Roxonian FC was founded in the summer of 1933. The Club spent their first season in the Harrow and District League (playing their home games at a ground on Northolt Road), finishing runners-up in Division 1. They were accepted into the Spartan League, which coincided with the move to Earlsmead.

1938 saw Roxonian finish runners-up in Division 2 (West) but they had to wait for promotion until the following season, as only the champions went up. This was achieved under the new name of Harrow Town. War intervened though the Club continued to play in, first, the West Middlesex Combination, then the Middlesex Senior League. Peace brought a return to the Spartan League until 1958 when runners-up spot enabled the Club to move to the Delphian League. 5 seasons were spent here, until mergers saw Town accepted into Division 2 of the Athenian League in 1963.

In their first season at this level they finished runners-up, denied the championship only by goal difference. However, only 3 seasons were spent in Division 1, whence a name change to Harrow Borough coincided with relegation in 1967. 8 seasons were played as occupants of Division 2, during which it seemed that the club might withdraw from senior football, and only the efforts of a few hardy individuals kept the Club alive.

Negotiations with the local council saw the Club sell its second pitch, now the site of a school, and build a new clubhouse, floodlights and terracing. This progress was matched on the field; Boro' were elected to the Isthmian League in 1975 after having to wait a year for the complex to be completed. 4 years later they won promotion to the Premier Division as runners-up.

The early 1980s saw the Club's most successful spell so far. The Middlesex Charity Cup was won in 1980, the Middlesex Senior Cup three years later. Also in 1983 Harrow Borough reached the semi-finals of the FA Trophy, losing to the eventual winners, Telford United, over two legs.

A year later, the Club's Golden Jubilee was celebrated with a drawn match against Manchester United, Harrow's best FA Cup run so far, losing to Newport County (then of the old Football League Division 3) in the 2nd Round Proper and best of all, winning the Isthmian League Premier Division championship by a staggering 17 point margin.

Under astute manager Micky Tomkys, Harrow had enjoyed continuous success but his retirement in 1986 saw a gradual decline in the Club's fortunes. On three occasions a win in the final game of the season has been required to enable the club to retain their treasured Premier Division status.

1992/93, however, saw a dramatic improvement, with both the Middlesex Senior

Cup and Middlesex Charity Cup returning to Earlsmead. The semi-final of the latter saw Chelsea defeated 4-1. A league placing of 8th was also their best for 6 seasons. This form continued over the next three seasons under the management team of Harry Manoe, with the Club finishing 9th in 1993-94, 10th 1994-95 and 9th again in 1996-97. A dip in the Club's fortunes saw his departure, to be followed by a succession of managers.

A disastrous run of form during the 1999/00 season saw the Club avoid relegation by just a single goal.

Despite an encouraging start to the season to the 2000/01 season, which saw Boro' reach the 1st Round Proper of the FA Challenge Cup for only the second time (losing 0-3 at Wycombe Wanderers), a poor run of performances after Christmas saw the Club finish 4th from bottom again with just 2 points to spare.

2001-02 saw the club commence a long-term plan, targeting youth development. As well as fielding a young side, which managed to retain Premier Division status once more, close partnerships were formed with local youth football clubs. The summer of 2004 saw the formation of an Allied Counties under 18's squad, designed to bridge the gap between youth and senior football.

Under the stewardship of manager David Howell Boro' have continued their youth and community development and they now have links with a number of local youth football clubs and schools.

Season 2006/07 saw Boro' finish in a relegation position only for their Premier Division place to be saved by Lancaster City whose financial difficulties saw them being relegated instead.

On a pleasanter note season 2005-06 saw Boro' win the Middlesex Senior Charity Cup for the 3rd time with a 2-0 success over Enfield Town. Season 2006-07 saw the feat replicated with victory over Brook House 5-4 on penalties following a 0-0 scoreline with that game being played at Staines Town FC.

Enforced cost cutting during the summer saw the Club resigning its membership of the Allied Counties Youth League for the current season, though it is hoped this will only be a temporary measure for one season only.

introducing ...

Tilbury FC was formed in January 1900, they joined the Grays & District League in 1901/2 and were immediately Champions, a feat they repeated in each of the next 4 seasons.

In 1903/4 Tilbury reached the Essex Junior Cup Final but had to wait until 1908/9 before winning the competition by defeating the County's oldest club, Saffron Walden Town, in the final. However, with most local fans going a couple of miles down the road to watch professional, Southern League, football in the shape of the now defunct Grays Thurrock United, finances were perilous, when the Club also lost its home ground, at the end of 1911/12, the Committee suspended playing activities until a new ground and a sounder financial base could be established.

Returning to action in 1919/20, in the South Essex League, Tilbury were immediately successful, winning successive Championships and, in 1924/5, the Essex Junior Cup for the second time. 1925/6 saw Tilbury accept the Essex F.A.'s invitation to enter the Essex Senior Cup, and established two County records. First, they became the only Junior Club ever to reach Round 2, and then the first ever to defeat Senior opposition by beating Walthamstow Avenue 3-2. At the end of the season, Essex F.A. granted Tilbury their Senior Status.

Tilbury joined the Kent League in 1927, after several other applications had been rejected. They stayed for 4 seasons before the impracticalities of continually crossing the Thames forced them to leave. The start of the 1931/2 season saw the Club line up as members of the London League, where they remained until the outbreak of the 2nd World War in 1939. One season in the War-Time South Essex Combination was played, but then the ground was commandeered as an Anti-aircraft Gun site, and the Club disbanded for the duration.

Moving on to their present ground in 1946/7, Tilbury resumed in the London League. In 3 of the next 4 seasons Tilbury were runners-up, and reached consecutive Essex Senior Cup Finals in 1946 and 1947, going down to Leytonstone and Romford respectively. Both games, played at Ilford F.C. Ground, drew crowds in excess of 15,000. Also in 46/7, Tilbury reached the Quarter Finals of the F.A. Amateur Cup, losing away to winners Wimbledon.

In 1949/50, Tilbury fought through to the 1st round proper of the F.A. Cup. More than 28,000 fans saw a 0-4 defeat at Notts. County, who were skippered by the legendary Tommy Lawton. In the previous round, the 5,500 fans that turned up at St. Chad's Road for the replay with Gorleston still constitutes the official ground record.

In 1950/1 Tilbury joined the Corinthian League. Apart from a League Cup Final appearance in 1955/6, it was an unsuccessful 7 year stay before, in 1957/8, they rejoined the London League. They finished 3rd in that season, but in each of the next 4 were runaway Champions, and 3 times achieved the League and League Cup double. However, during this spell pride of place went to their first ever Essex Senior Cup triumph in 1960/1.

Once again at the Ilford F.C. ground, Tilbury faced mighty Walthamstow Avenue. Prior to kick-off, they

were forced to watch as Avenue paraded the F.A. Amateur Cup won at Wembley 3 weeks earlier. If this was meant to intimidate however, it failed. Tilbury went on to win 4 - 1 after extra time.

1962/3 saw Tilbury in the Delphian League, a season decimated by the Big Freeze of that winter. By the time 1963/4 started, this had become Division Two of the expanded Athenian League. Tilbury celebrated by winning the Championship and the Essex Senior Cup. Having just missed promotion from Division One in 1967/8, they went one step better 12 months later by winning the Championship.

Tilbury spent 4 seasons in the Athenian Premier, improving their final position each time, eventually coming 3rd in 1972/3. The 1973/4 campaign saw Tilbury lining up as members of the new Isthmian League Division Two (now Division One). In 1974/5, Tilbury finished 3rd in this Division, just missing out on promotion, but were partially compensated by winning both Essex Senior and Mithras Cups. 12 months later, promotion was achieved. Tilbury won the Division One Championship with a then record 102 points, 4 clear of runners-up, Croydon, who were to remarkably complete their League games undefeated. They also retained both the Essex Senior and Mithras Cups, the full Southend United side being comfortably thrashed 3-0 in the Final of the former, and Cheshunt beaten over two legs in the latter.

Tilbury recovered from a disastrous start to their Premier Division career, and finished in 5th place, still their highest Isthmian placing. Also in that 1976/7 season, they enjoyed two Anglo Italian Barrassi Cup meetings with U.S. Soresina, the trophy being won by the Italians on penalties, after two 1-1 draws, the 2nd leg in Italy also comprising extra time.

In 1977/8 Tilbury achieved their proudest moment to date when, after starting in the Extra Preliminary Round, they reached the 3rd round proper of the F.A. Cup, eventually going down 0-4 to a Stoke City side that included Howard Kendall, Garth Crooks, Denis Smith, Viv Busby and Alec Lindsay, in front of 16,000 plus fans, including almost 2,500 from Thurrock.

A last, to date, appearance in the Essex Senior Cup Final came in 1978/9 but 12 months after the Club was relegated back to Division One amid a financial crisis so severe that it almost died. However, a new committee was formed and after several years of surviving on a day-to-day basis the late 1980's saw the club back on a sound footing. Sadly though, this could not be achieved before further relegation, to Division Two North, in the 1986/7. Tilbury almost made an immediate climb back, but that was to prove a brief respite. At the end of the 1990/1 season they could not achieve the top half finish that would have kept them up, and so dropped into the new Division Three.

This time, Tilbury did bounce back immediately, finishing in 3rd position in Division Three in 1991/2. At the time of promotion, Tilbury were forced to face the realities of the Ground Grading Regulations, and the fact that St. Chad's Road had become run down and dilapidated arena. The club decided that all

resources would have to be directed towards the necessary ground improvements, and gambled that they would be able to hang on in Division Two. That gamble almost paid off. Tilbury hung on until 1997/8, and it was ironic that they should succumb to relegation just when the renovations were almost complete and the burden easing. After finishing 7th in Division Three in 1998/9, Tilbury appointed a former player, Tony Cross as Manager, hoping that the remarkable successes enjoyed by Cross at Intermediate and Essex Senior level could translate into Isthmian success. That hope was to prove well founded. Cross led the side to promotion with a 3rd place finish, and also brought the Club's best ever run in the F.A. Vase. Excellent victories were achieved over Bury Town and Falmouth Town, before a disappointing 4th round defeat away to Cowes Sports.

Tilbury though takes great pride in their off-field progress. Having established themselves in a new and thriving clubhouse in November 1994, the spectacular transformation of St. Chad's Road into a modern, well equipped Stadium has given great pleasure, and brought widespread recognition.

A new 200 seater grandstand has been constructed on the far side of the ground, and this is flanked by two new covered terraces. New pitch and outer perimeter walls have been built and 5 turnstiles entrances incorporated. New concrete standing areas have been laid on the near side of the ground and terracing built behind the Chadwell End Goal, part of which will eventually comprise a covered seating area.

Tony Cross returned to Chadfields following spells at Billericay Town and Great Wakering Rovers and a one-season spell in the Essex Senior League was followed by promotion in the May to the current Ryman League Division 1 North. Last season they finished 18th and Tony Cross departed with ex-Hornchurch treble-winning manager John Lawrence now taking charge along side Paul Marler as his assistant. The season proved tough for the duo and only just escaped relegation with a 3 point win last game of the season.
