Chairman's Welcome

Good evening Ladies and Gentlemen and welcome to the first final of the League Cup now re-named the Alan Turvey Trophy in honour of our President following his standing down as Chairman last June.

I am delighted to say that Alan will be with us tonight and will be part of the presentation party both before the match and at the conclusion of the match.

We are looking forward to an exciting game between Kingstonian FC who have a proud history in the Isthmian League having first joined the League in 1929 and Faversham Town FC who are relative newcomers having joined us in 2010.

Kingstonian FC last won the League Cup in 1996 when they beat Aldershot Town at the Recreation Ground and they were also the losing finalists in 1982.

Faversham Town have not reached the final previously but have distinguished themselves in their six years of membership of the League and this season sees them challenging for a play-off place in the South Division.

The Board of Directors of the League welcomes the players, officials and supporters of both teams and hopes that we shall see an exciting and close encounter.

The third team we welcome is our match officials, Messrs Atkins, Hurst, Nketiah and Davies. We hope that they will be remembered

for their quiet and efficient handling of the game. Let us hope that the players allow them to do that!

The final team I want to acknowledge tonight is the team which has put so much into the staging of this final. They include Paul and Claire Dipre from Carshalton Athletic and the energetic Chris Blanchard as well as our own League Secretary, Kellie Discipline, who has had the added responsibility of sending out our complimentary tickets to all member clubs. We hope that a lot of clubs will have taken advantage of this innovation to provide a bumper crowd for the occasion.

The competition would, of course, not be the same without the financial backing of the Robert Dyas Company which is part of the Ryman Group. In the three years they have been sponsoring the competition they have always provided the support we have requested, both in monetary terms and in physical support on the day, so I hope that you will show your appreciation for the sponsor tonight and give their representatives a great round of applause when they come out for the presentations.

Kingstonian FC History

The Kingstonian club came into being in 1919 as a result of the merger between Kingston Town FC and Old Kingstonians FC. However, the club can trace its origins even further back and celebrated its centenary in 1985; the reason for this is that one of its forerunners, Kingston & Surbiton YMCA FC played its first match on a ground in Bushy Park in November 1885. In 1887 the YMCA changed its name to Saxons FC. Then in 1890 it changed to Kingston Wanderers FC and once again to Kingston-on-Thames Association Football Club (KAFC) in 1893. Unfortunately, in the early 1900s there was trouble in the camp and in 1908 the club split in two with Kingston Town playing at Norbiton Sports Ground and Old Kingstonians on what became known as the "back pitch" at Richmond Road.

The new Kingstonian set-up started life in the Athenian League, a competition that it won in both seasons 1923/24 and 1925/26, playing its home matches at a brand new ground in Richmond Road that remained its home until 1988. In 1929 the Kingstonians, widely known as the K's, accepted an invitation to join the Isthmian League as a replacement for the Civil Service FC, and remained in that league until 1998.

The K's have a credible history and their blue ribbon period of the early 1930's produced players such as Frank Macey, Doug Whitehead, George Lee and the Whittaker brothers achieving in April 1933 its then greatest accolade by winning the FA Amateur Cup which well and truly put Kingstonian on the football map. Wins over Portland United (after a replay), Leyton, South Bank, Dulwich Hamlet, and Whitehall Printeries took the K's through to the final, staged at Dulwich, against Stockton, which resulted in a 1-1 draw. For the replay Kingstonian had to travel to Darlington, but despite going one goal behind after only four minutes, the K's came back to win 4-1 thanks to goals from Gibson, Urpeth (penalty) and Whitehead (2).

In the following season, 1933/34, K's bowed out of the Amateur Cup in a second round replay to Wimbledon at Plough Lane, but went on to successfully win the Isthmian League, a feat they repeated in season 1936/37 and, of course in 1997/98.

In season 1959/60 it seemed as though the Amateur Cup was going to return to Kingston as the legendary Johnny Whing headed K's into the lead against Hendon in the final at Wembley Stadium. Two goals in the last three minutes, though, had the FA officials busily changing the red and white ribbons for green and white ones as Hendon won the cup for the first time. To qualify for the final, Kingstonian disposed of Histon, Letchworth Town, Ferryhill Athletic, Carshalton Athletic, and Crook Town in a semi-final tie played at St James' Park, the home of Newcastle United.

The Kingstonian teams of the early 1960's were arguably as good as those of the 1930's and many trophies were won. After winning the Surrey Senior cup for the 9th time (as Kingstonian) in 1967, the club's successes dried up and despite the endeavours of many managers and countless players, the team went into decline. In

1979 relegation to Division One was suffered, but in 1985 the club bounced back as runners up to Farnborough Town. K's were a mite fortunate as Leatherhead, who finished above them on goal difference, had three points deducted for fielding an ineligible player. Kingstonian remained as members of the Premier Division until the end of the 1997/98 season when promoted to the Nationwide Conference.

The famous Richmond Road ground, which was loved by so many, became increasingly dilapidated and subject to vandalism, so a decision was made to relocate and develop the site for housing - a move that also assisted the club's finances. The last game played there was in January 1988 against Bromley. After one and a half season's ground sharing at Hampton's Beveree ground. K's opened their brand new Kingsmeadow Stadium (on the site of the old Norbiton Sports Ground) in August 1989, when Slough Town were the visitors. After achieving a draw with Peterborough United in 1992, the club recorded a fine FA Cup win at Kingsmeadow by beating Brighton in 1994; they also competed well the following year against Plymouth. In front of 3,495 supporters the K's held Leyton Orient to a 0-0 draw only to lose 2-1 in the FA Cup 2nd Round Replay in 1998. Drawn away to Luton Town in the First Round of the FA Cup in October 1999 saw the K's come in at half time 1-1 only to go down 4-2 at the end.

At the beginning of the 1997-98 season, the club appointed Geoff Chapple as manager. He brought about an exciting change of fortune for the club. In his first season, he took the club to the Isthmian League Premier Division Championship. In the following season, their first in the Football Conference, the club finished a creditable 8th, but they capped it all off by winning the FA Trophy at Wembley in May 1999 with a 1-0 victory over Forest Green Rovers. The following season 1999/2000, in the last FA Trophy Final between the famous Twin Towers, the K's retained their title with an exciting 3-2 win over Kettering Town, giving Chapple his 5th FA Trophy Final win in seven seasons (the other three with Woking). The club also reached their highest position of 5th in the Conference.

However, season 2000/2001 proved to be extremely mixed. The K's made the headlines again with a tremendous run in the FA Cup. A home win against Devizes Town was the start of an incredible run that saw the K's defeat Brentford, Southport and Southend United all away from home. In the Fourth Round, K's were thwarted in the last kick of the game at Ashton Gate as Bristol City scored a very last gasp equaliser before winning the replay at Kingsmeadow in a live televised match. Unfortunately, the club's league form proved to be exactly the opposite, as the K's finished next to bottom and were relegated back to the Ryman Football League.

Season 2001/2002 and it was time again for a change, as the club and Geoff Chapple parted by mutual consent. Kingstonian quickly appointed former Dover Athletic man Bill Williams as their new manager, who had working alongside him former Tottenham Hotspur player Steve Sedgley as his assistant. In late 2001

Kingstonian FC History

Williams departed the club and Sedgley moved up to the position of manager and his assistant was Kim Harris who was promoted up from the position of reserve team manager.

December 2002 saw the sudden resignation of the highly promising Sedgley as manager. The club immediately promoted Harris, a former K's striker, to manager and appointed former Woking man Scott Steele as player/coach. The club had ups and downs over this period but only failed to make the new Conference South following a single goal defeat to Lewes in a Ryman League playoff.

Following a poor start to season 2004/05 Harris decided to call it a day after just four games. Scott Steele was promoted to manager but, despite encouraging good football from his side, was unable to prevent what became an inevitable relegation to Division One. However, good news arrived off the field when local businessman Jimmy Cochrane bought the football club, giving the club a positive outlook for the first time in several years. Steele's resignation followed towards the end of the season when former assistant manager Ian McDonald was brought in along with Stuart McIntyre as his coach with a view to resurrecting the club's fortunes.

The 2005/06 season saw K's move up the table only to miss out on playoffs on the final day of the season, though silverware was achieved following a 1-0 win over AFC Wimbledon in the Surrey Senior Cup Final. McDonald was almost immediately succeeded by McIntyre as manager, whilst the club was jointly bought by Mark Anderson and Malcolm Winwright – the board would be completed by the presence of John Fenwick as chairman from May 2011 to June 2014 and then co-chairman with Anderson and Winwright from then on.

Stuart McIntyre's time as manager was unfortunately short-lived and unsuccessful, and midway through the 2006/07 season he was replaced as manager by former Walton and Hersham manager

Alan Dowson. Dowson and his team immediately transformed the club, and achieved a semblance of stability. There was plenty of expectation for the 2007/08 season, though inconsistency led to the K's missing the play-offs once again on the final day of the season.

The 2008/09 season was successful from start to finish. A run to the Third Qualifying Round of the FA Cup was highlighted by a 4-0 home win over Conference South team Braintree Town, all four goals scored by midfielder Dean Lodge. This performance led to the K's player winning the Performance of the Round award from the FA. But it was in the Ryman League Division One South that the biggest success came, as a very strong start and a storming finish led to Kingstonian winning the division by seven points ahead of Cray Wanderers.

After an absence of four years, the club almost passed straight up through the Ryman Premier Division, recovering from a difficult start to reach the end of the season playoffs. It was Boreham Wood, however, who won the controversial final match. Heartache followed in the following 2010/11 season when a final day collapse at Margate cost another attempt at the playoffs. The following two seasons saw mid-table finishes in the league accompanied by successive London Senior Cup final appearances, before a return to the playoffs in the 2013/14 season, after the club finished runners-up in the league. A semi final defeat against AFC Hornchurch however denied the chance of promotion, in what turned out to be Alan Dowson's last game in charge.

With former K's midfielder Tommy Williams installed as manager, the club again reached the FA Cup Third Qualifying Round, losing 3-2 to a last minute goal against Eastbourne Borough. The league campaign was a roller-coaster, a late challenge for the play-offs falling short in the last couple of weeks of the season.

Faversham FC History

The club's origins go back to 1884, and subsequently entered the Kent League in 1894. The club name however was not really consistent, and turned out as Faversham Town, Faversham Invicta, Faversham Services, Faversham Railway and Faversham Rangers along with others, before being disbanded a few years before the second world war.

Faversham Town reformed after the war, and entered the Kent League in 1947, and moved to their current home, Salters Lane in 1948. The club had a decent amateur side, but found the going tough against some of the professional Kent League clubs. Nevertheless, they won the Kent Amateur Cup in 1957 and 1959.

With the Kent League folding in 1959, the club had spells in both the Aetolian and Greater London leagues. However, the revived Kent league was joined in 1968. Success soon followed, and they were Kent League champions in 1970 and 1971. The Kent Amateur Cup was won three years in a row, 1972, 1973 and 1974.

After a brief flirtation in the Athenian League in the mid seventies, the club came home to the Kent League, winning the Kent Senior Trophy in 1977, repeating this success the following season and being crowned Kent League champions for good measure in a remarkable "double".

The Kent League was won yet again in 1990 season, but league form dipped in the 92/93 season and was to stay that way for several seasons. The team did manage to reach the final of the Kent League Challenge Cup in 2000, but things were in rapid decline. Matters reached crisis point in 2003, when the KCFA suspended the club for non payment of fines, with the club's operators blaming just about everyone for the mess except themselves.

In the following months, the once proud Salters Lane was systematically wrecked by vandals. Meanwhile, the club trustees led by businessman Ray Leader, fought a desperate battle to heal a widening rift with the previous regime over the ownership of the club and ground.

In a separate development, the Faversham Town Independent Supporters Club had been formed, and quickly gained a membership of over 300 paid up members in the town. This was despite the fact the club had no team, no manager, and whose ground had been totally wrecked by vandals and resembled a bomb site! Perhaps the real turning point came when trustees and Independent Supporters committee members got together one evening and declared an alliance to get the club back on its feet. An interim club committee was formed, and the long road to recovery was started.

The revival was slow, but things started to happen. The ownership dispute was finally settled, and access to the ground was obtained. Volunteer workers however were confronted with

completely smashed and vandalised buildings, and grass that reached shoulder height in places on what had been the pitch. A massive clear up operation began, but it was back breaking work. Meanwhile, paperwork was put in order with a new club constitution written and agreed.

The KCFA allowed the club to retain their coveted senior status, subject to several conditions. Local authority grants were applied for and secured, sponsorship deals were obtained, and the club embarked on a range of fund raising initiatives. Slowly but surely, Salters Lane emerged in its former glory, and then went even better with the erection of brand new floodlights. The revival of club and ground from the jaws of death was nothing short of a miracle, with a story that would surely rival the efforts to revive both "The Valley" at Charlton, and Accrington Stanley F.C.

The first season back in 05/06 was in the Kent County League, where the runners up spot was achieved. Having passed various ground inspections, promotion to the Kent League was obtained, and Faversham Town had at last "come home".

The Club returned to winning ways in season 2009/10 doing the double winning the Kent Senior Trophy and being crowned Kent League Premier Division Champions.

Season 2010/11 saw the Club compete in the Ryman League South for the first time finishing as top Kent club in eighth spot. The following season the Club consolidated its Ryman place and finished the season in 17th spot.

Season 2012/13 was the most successful in the Club's history with a third place finish in the Ryman League South and a runners-up place in the play offs. Coupled with this the Club's Under 18s were runners up in their division of the Ryman Youth League and put their names in the Club's record books by reaching the second round proper of the FA Youth Cup.

The 2014/15 Season saw Town make the play-offs again, this time losing out in the Semi-Final on penalties against eventually promoted Merstham. The Under 21s had one of their most successful seasons, winning the Kent Intermediate Cup.
