CHAIRMAN'S WELCOME

Good evening, and welcome to Parkside, the home of Aveley FC for the Final of the Isthmian League Cup between Chatham Town FC and Hashtag United FC.

Let me first thank Graham, Craig and all the directors here at Aveley for continuing to allow us to use their wonderful facilities free of charge, especially as the Club has now risen to the National League. The ATP here is one of the best which was laid by Velocity and we know that it is being upgraded as part of the requirements of Step 2 of the Pyramid. The stadium has been improved over the last 12 months and we are lucky to have such a ground at our disposal. I am sure that everyone here appreciates how much work goes into staging a match like this; the superb facilities as well as the hard work put in by all the volunteers are some of the reasons why we choose Parkside as our favoured venue for the Final of this Competition.

Tonight we will see a new name on the trophy, and I congratulate both teams on reaching the Final. I am delighted to welcome the Players, Management and Officials of both Chatham Town FC and Hashtag United FC for what I hope will be a thrilling Final. This is the first time we have had two Finalists who are in their first season in the Premier Division having both been promoted in the previous season.

The Chats originally joined the Isthmian League (then known as the Ryman League) in 2006 and remained members until 2017 but rejoined us by way of promotion in 2022 and were Champions of our South East Division in their first season back having beaten Ramsgate to the top spot. They are now looking for a third back to back promotion. I want to particularly welcome Kevin Hake who is not only one of the owners of Chatham Town, but is also the First Team Manager who has led from the front since taking over the Club.

The Tags joined the League similarly in 2022 and were Champions of our North Division in their first division having scored 101 goals and 98 points from their 38 matches. The Club were founded as recently as 2016 and are unique in Step 3 being based on membership through the internet with members throughout the world who can follow the Club's successes through their online presence. From Hashtag United we welcome Chairs Steve Carmichael-Brown, Spencer Carmichael-Brown and Derrick Pearson as well as Secretary Darren Crowley and their committee including Spencer Owen who is one the founder members.

We acknowledge the great support we receive from our wonderful sponsors, Velocity, providers of Artificial Turf Pitches, and the competition remains "the Alan Turvey Cup"- named after our former Chair and President who will be forever remembered as a true Isthmian. The Competition is known as the Velocity Cup during the generous sponsorship of Velocity.

Next season we will have some 25 Clubs with Artificial Turf Pitches and well over half of those will have been supplied by today's sponsors. I am therefore most grateful to Joe Boniface and his colleagues Will Buxton and Jonathan Rogers who are joining us at the match. The greatest compliment I can pay them, and their Company, is that we no longer need to ask Clubs intending to install an ATP to get a quote from Velocity, they go automatically to them and the only disappointment we have is that the Football Foundation still do not acknowledge Velocity as an approved supplier. We know from the pitches they have already installed that their work is excellent and Velocity remain our approved suppliers of Artificial Turf Pitches.

I also want to welcome the Match Officials without whom, of course, we do not have any matches at all. The Football Association appoints the Match Officials for this match, and it is always pleasing to see that they recognise the importance of the match by the high level of Officials appointed to it. I am pleased to welcome our Match Referee, Tolu Sangowawa the Assistant Referees Jack Smith and Andrew Crosley together with the Fourth Official Lawrence Torz-Brown, and hope that they enjoy their short stay here at Parkside.

The last, but certainly not the least, team we need to thank is that of our Chief Executive, Kellie Discipline, together with Debbie, Loreta and Michelle for all the hard work they put into arranging our Finals. They are always the unsung heroes and the rest of us just turn up and expect everything to happen. It does not just happen like that so my thanks to all the ladies. Please enjoy the match.

CHATHAM TOWN HISTORY

Chatham were forced to resign from the Southern League during the 1900/01 season, owing to financial difficulties, but they soon rebuilt the club - playing as Chatham Amateurs for a brief spell in 1901 - before winning both the Kent League and Thames & Medway Combination in 1903/04 without losing a single game in either competition. They repeated the feat the following season, losing just three games, whilst also defeating Sittingbourne 3-1 in the Final of the Kent Senior Cup.

The First World War brought an end to football in the Medway Towns, but Chatham were one of the first clubs locally to return to action in 1919 - winning both the Kent Victory Cup and the Chatham Charity Cup (for the eighth time) in a shortened season. They briefly rejoined the Southern League in 1920/21, after the formation of a Third Division for the Football League had taken half its members, but once again withdrew at the end of the season finding that the increased travel costs were a severe drain on finances.

They once again had some success in the F.A. Cup during the 1920s, reaching the Second Round Proper in 1926/27 before losing to Norwich City - who beat them again, this time in the First Round Proper in 1928/29. They also reached the First Round Proper in 1925/26 and 1927/28, losing to Sittingbourne and Kettering Town respectively.

A third spell in the Southern League, starting in 1927/28 almost finished the club. They stuck it out for two seasons this time, but once again the increased expenses - coupled with dwindling attendances - saw them drop back into the Kent League. Things were to get progressively worse, and 1933/34 saw the club take voluntary relegation into Division Two of the Kent League, which they won in 1934/35 without accepting promotion, before opting to revert to Amateur status. Having played in both the Kent League and Kent Amateur League in 1938/39, they decided to play in just the latter competition the following season - only to see all football suspended with the beginning of World War Two. They played just one game that season, beating London Paper Mills 2-0 on 26th August - and would not play again until 1946.

Post War, Chatham won the Premier Division of the Kent Amateur League in 1946/47, which was to be their last honour under that name - having previously dropped the 'United' in 1938. On 7th January 1947 they merged with Shorts F.C., the combined club taking the name Chatham Town at the request of the local Council, and a place in Division One of the Kent League for the following season. There they were to remain until the League disbanded in 1959, whereupon they moved to the newly formed Aetolian League. During this latter period they appeared in the Aetolian League Cup Final in each of the five seasons it was contested, though winning only once in 1962/63. The following year they finally captured the League Championship, as well as the Aetolian/London League Cup and then, when the Aetolian League formally merged with the London League they moved to the Metropolitan League, in 1964/65, in search of stronger opposition.

Although the club were drawing crowds of up to 1,000 playing against strong Non-League opponents as well as sides from Arsenal, Tottenham Hotspur and West Ham United, they lost no time in returning to the Kent League when it was reformed in 1968. Up until their return to the Southern League in 1983, they had won the Kent League on four further occasions, completing the League and Cup double in both 1971/72 and 1977/78.

For a brief period during the seventies they changed their name to Medway F.C., again at the request of the local Council, but happily reverted back to Chatham Town in 1979. In 1980 they achieved their biggest post-war success to date in winning the Eastern Professional Floodlight League, playing against some of the strongest Non League clubs of the day, including Maidstone United, and defeating Chelmsford City in the Final over two legs.

In 1983 Chatham returned to the Southern League for the fourth time, this time staying there until 1988, when having failed to gain re-election they were relegated back to the Kent League - once again in severe financial difficulties, with crowds often in double figures against poorly supported

clubs, as opposed to the much healthier attendances they had enjoyed in the Kent League against more local opposition.

After struggling during their first couple of seasons back in the Kent League, the real turnaround in the club's fortunes came with the appointment of popular former player John Adams as First Team manager, however despite reaching the Third Qualifying Round of the F.A. Cup in 1993/94, taking the club to the Final of the Kent Senior Trophy in 1995/96 and finishing in the top three of the Kent League for three successive seasons, he was dismissed by the club following a disastrous start to the 1996/97 season.

1997/98 was to prove one of the most difficult seasons in the club's history. Problems with a new drainage system meant that only a handful of games could be played at Maidstone Road - which led to a brief return to their "spiritual home" on the Lines, courtesy of the Royal Engineers, as well as a brief ground-share with Gillingham at Priestfield Stadium. The club returned home for the 1998/99 season under new manager Carl Laraman, fortunes improving immediately before in January Laraman left to take up a coaching position at Charlton Athletic. His assistant, Steve Hearn, was appointed player-manager and finally led the club to the Kent League Championship, and promotion to the Dr. Martens League, in 2000/01.

The club enjoyed a good start to their first season back at this level, but a poor run of results at the end of the season led to Steve Hearn's resignation and the appointment of his assistant, Peter Coupland as his successor. After a bad start to the 2003/04 season, Clive Walker replaced Coupland. Things improved dramatically, and a season that had looked certain to end in relegation, ended instead with Chatham in a mid-table position.

The 2004/05 season saw Chatham being placed in the newly formed Southern League Eastern Division. The campaign got off to a promising start, with Chatham sitting as high as fourth in early October, however a poor run of results coupled with Clive Walker's decision to return to his old club Dover Athletic, saw the Chats slip to 16th. Assistant Steve Binks was appointed manager and results improved towards the tail end of the season. Chatham finished the season in 11th place, and was Kent's highest placed club.

Following yet another Pyramid reshuffle, the next few seasons saw the club ping-pong between the Ryman League North and South Divisions with regular mid table positions. Frustratingly the club experienced regular wins against top six and promoted sides but often followed up with defeats to bottom six sides. Season 2006/07 saw Phil Miles - another popular former player - move up to take over as Manager. December 2007 saw Phil stand down due to work commitments with Steve Binks taking over the job again, then to be followed by 1st team coach Alex O'Brien stepping up for the 2009-10 campaign. Throughout this period the club's strong youth policy provided several new established first team players and the club also achieved the coveted FA charter Standard award.

Season 2010-11 saw the club struggle on the pitch with Manager Paul Foley resigning in the final weeks of the season with Player coach Kevin Watson taking over. After achieving some great results Kevin was appointed to his first Managerial position at the age of 30 after four

seasons Kevin resigned following a run of poor results but left the club with a legacy of some very good players for the new incoming Manager Kevin Horlock in October 2015. Kevin stood down at the end of the season due his commitments with Colchester United, Tony Beckingham took over in the Summer of 2016, the club now back playing in Division 1 South of the Ryman League, for their second season, after four seasons in the North, Tony stood down as Manager in September 2016, Darren Anslow took over as Manager, after suffering some heavy defeats, Darren was relieved of his duties in November 2016 and Paul Piggott was installed as Manager.

Despite a number of changes within the squad and some encouraging performances toward the end of the season, the damage had already been done and Paul and his team were unable to avoid the drop and The Chats were relegated to the SCEFL Premier. Despite this, changes at boardroom level revitalised the atmosphere around the club and a number of ground improvements have been undertaken as the first step in what will hopefully be a new era of success for the club.

Following a disappointing start to the 2017/18 season and only 1 win in 8 league games, a management change was again instigated with Paul and his team being replaced in September 2017 with James Collins. James and his team improved the fortunes of the team immediately and within a few games had staved off the threat of relegation. 2 quarter final cup appearances were achieved, losing both on penalties. Despite a disappointing 16th place finish, there was room for optimism as exciting signings during the close season built a team that promised an interesting 2018/19 season.

And so it proved, an exciting league campaign saw the team go close but just fall short with a fourth placed finish but a double cup winning season saw The Chats win their first trophies for 30 years with the Kent Senior Trophy and the SCEFL challenge Cup finding their way back to Maidstone Road.

Vast close season changes saw a 4G artificial pitch laid and yet more improvements to the clubhouse take place, that coupled with links to local businesses and partnerships to develop sporting legacies has made it an exciting time to be part of Chatham Town FC.

Following the resignation of James Collins in October 2019, the club turned to Scott Lindsey to take The Chats onwards.

Scott brought in ex Chats player Darran Smith as his assistant, whilst retaining the experienced Tony Hine as goalkeeper coach. Ex Arsenal Carl Laraman was installed as Director of football and so, yet another chapter in Chatham Town's rich history began.

Winning community club of the year in 2020 was a huge honour for everyone at the club and one on which we hope to build as we feel it is vitally important to connect with people and businesses in the locality and to build a club with facilities that benefit everyone in the community.

Scott Lindsey left the club prior to the 2021/22 season after he was appointed assistant manager at Swindon Town FC. Chairman Kevin Hake took over as manager and guided us to promotion at the first attempt, with a step 5 record goal tally and a record goal difference.

During this season Chatham Town also received the Queens Award for our work in the community of which we are immensely proud as we feel that work off the pitch is just as important and goes hand in hand with the progress on it.

The following year 2022/23 in their 140th year The Chats reached the highest level in their history by becoming Isthmian League Southeast Champions and gaining promotion to Isthmian Premier league. In the same year the club also reached the Isthmian League Velocity Cup semi finals narrowly losing on penalties to eventual winners Aveley and also became runners up in the Kent Senior Cup, again on penalties.

CHATHAM TOWN FC NOTES

Manager Notes

Good Evening and welcome to Aveley's ground for this Velocity Cup Final between Chatham Town and Hashtag United. I hope you've had a good journey here and I am wishing you safe travels home tonight.

Our journey in the cup this season saw us take on a Three Bridges in the third-round, away from home. It was a tricky game which saw us go on to win 4-2 but with the form Three Bridges have been in this season, everyone will know that was a difficult one to navigate. In round four we had a home draw against Basildon United, which saw us progress with a 3-1 victory. I remember vividly we decided to bring on 16-year old Sam Sene-Richardson at half-time as it was 0-0, and he helped changed the game for us. It's brilliant to see such talented Academy scholars taking the next step with our first team as we also handed debuts to Connor Tilley and YJ Ogundipe in that same fixture.

Up next saw the highly anticipated fixture against Billericay Town in the quarter-finals. It was a tough away battle which ultimately ended in a draw and so a penalty shootout was required to determine the winner. We came out on top following some well-taken pens and top saves from Mitch Beeney. Then most recently we booked our spot in the final having defeated Ashford United 4-2 at the Bauvill. We were delighted that we could go one step further this season as it was really difficult to accept last years semi-final defeat against Aveley.

Tonight we expect a really tough battle against Hashtag United. In the two occasions that we've played them in the Isthmian Premier League this season we managed a draw away and a defeat at home, so we know what we can expect. The opportunity to win a trophy at this point in the season means we have the chance to gain momentum and confidence ahead of a crucial end to our season, with the chance to gain promotion to National League South via the play-offs.

Our away support has been absolutely fantastic all-season and I am really looking forward to hearing the noise and getting behind the lads today. Be our twelfth man and I assure you we will be doing our upmost to bring this trophy back to the Bauvill tonight.

Up The Chats.

Kevin Hake

Club Official Notes

The club has come on in leaps and bounds over the past few seasons. We are currently playing at the highest level we have ever achieved in our 142-year history and at the time of writing are well placed to reach the play offs and progress even further with promotion to Step 2 in the Football Pyramid.

Today will be the 4th cup final in 5 years – winning two of the previous 3 – only losing last year's Kent Senior Cup narrowly on penalties.

Our fan base has steadily grown in recent seasons and our attendance records are being broken on a regular basis. Our away following is impressive, and I expect a good turnout tonight.

So, it is a great experience at the moment being a Chats fan, Kevin Hake, our Chairman and Manager along with his backroom staff have assembled another great squad of players who constantly defy the odds with a progression that we could have only dreamed of a few years ago.

We have reached today's Final by beating Three Bridges, Basildon United, Billericay Town and Ashford United and giving some of our youngsters and academy graduates some game time along the way.

Well done to Hashtag United for reaching the final, let's hope today's match is as entertaining as our Isthmian Premier League meetings this season.

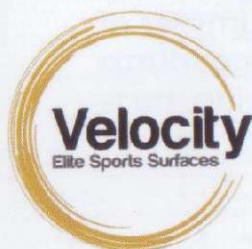

Enjoy the game – Andy Bonneywell -Secretary Chatham Town

HASHTAG UNITED FC HISTORY

Hashtag United Football Club was founded in 2016 by YouTube creator Spencer Owen, initially set up as a group of friends playing a charity match to honour a childhood friend. Over the next two years, Hashtag played friendlies and exhibition matches in an innovative league format devised by Spencer. The team had points targets set for a group of games, and if the targets were achieved, the team would be rewarded by The Chairman and would progress to the next level. The team played in this format across 7 countries against pro football staff teams, fellow YouTube creators, sponsor/brand teams, non-league and Sunday sides.

The squad was bolstered by the addition of YouTube creators Theo Baker and Charlie Morley, and then graduates of the Hashtag Academy talent series which had run on Spencer's channel. Several thousand applicants were whittled down over a series of football challenges which eventually saw 16-year-old Scott Pollock emerge victorious. After impressing for Hashtag, Scott joined Northampton Town, making his senior debut in the 2018/19 season.

During this initial chapter the club also participated in the Next Level 7-a-side YouTube league and were invited to play in front of thousands of fans in the annual Wembley Cup alongside some of their footballing heroes.

In 2018 the club applied for entry into the FA's National League System, looking to make the considerable transition from exhibition team to a competitive club in the 10th tier of English football. They were granted a place in the Eastern Senior League Division 1 (South) for the 2018/19 season and appointed experienced non-league manager Jay Devereux to lead the transition, with home games being played at Haringey Borough's stadium. Despite a tough start, thanks to two long winning runs the team ended the season as champions, ensuring promotion at the first time of asking. The squad for the club's Essex Senior League campaign was further bolstered by the addition of more experienced non-league players and several from the second Academy series including winner Joshua Osude. At the point at which the 2019/20 season was voided, the team sat second with games in hand over the league leaders, and in two cup semi-finals.

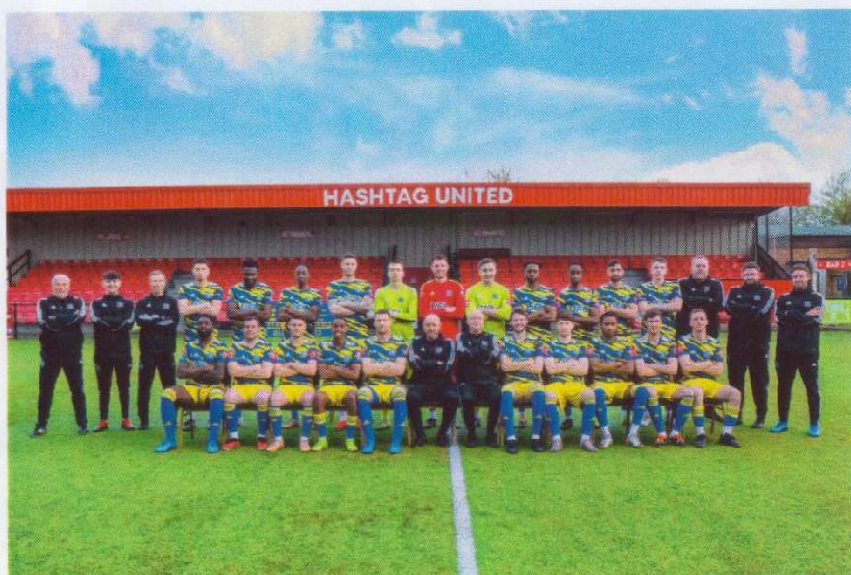

The 2020/21 season was also curtailed, but not before the club had a chance to make a dramatic debut in the FA Cup. A narrow victory over Park View in the Extra Preliminary round was followed by an extraordinary game against Felixstowe & Walton United, which ended in the second-longest penalty shoot out in FA Cup history, The Tags winning 13-12. The following round again saw the team pitched against higher opposition, with the BBC Sport cameras in attendance for the tie against Soham Town Rangers. Another penalty shootout victory followed, setting up a huge challenge against Braintree Town in the Second Qualifying Round. Despite Hashtag taking the lead in the dying minutes, Braintree equalised immediately and then went on to win the shootout, The Tags' penalty luck finally running out.

At the time the league season was suspended, Hashtag sat top of the Essex Senior League, and in May 2021 the FA awarded the club promotion to the Isthmian League Division One North by virtue of their PPG record in 2019-21. After a solid first season where the team finished 8th, they went on a remarkable 21-game winning streak a year later, finishing the league as champions with 97 points. The 23-24 season sees us play in the Isthmian Premier Division for the first time.

During the pandemic, Hashtag merged with two well-established local football clubs, Forest Glade Youth and AFC Basildon. The former, established over the past 30 years, has meant that we can now offer a pathway for boys and girls from the age of 3 to senior football, and counts an Inclusive and a walking football team amongst over 40 operating from our Barleylands site outside Billericay, overseen by co-chairman and Forest Glade founder Derrick Pearson. On the women's side, one of Essex's most successful women's teams (as Basildon Town, C&K Basildon and AFC Basildon) is now playing as Hashtag United FC Women in the FA Women's National League Southern Premier Division, after winning the title in the 22-23 season. In March 2024 they won the FA Women's National League Cup, beating Newcastle United at Kenilworth Road.

Hashtag have also been a successful esports (competitive gaming) team, with professional FIFA players competing at the world's top tournaments.

HASHTAG UNITED FC PROFILES

Josh Strizovic - Position - GK

Josh is on his second spell with the club this season, on loan from Dagenham & Redbridge. His former clubs include Folkestone Invicta and Harrow Borough.

Harry Haysom - Position - CB

Harry was brought into the first team fold in summer 2021 after impressing with the Reserves, and then went on to sweep the board in that year's season's Player of the Season awards and missed out on the club's consecutive appearance record by 1 game. His 22/23 season was hampered by an injury halfway through but he returned to see us over the line and his rapid progress has continued this season. Previous clubs include Leigh Ramblers, Concord Rangers U18

Matthew Wooldridge - Position - FB

Matt impressed at both ends of the pitch during the 2021 Hashtag Academy series (our talent search), where he reached the final 4. He is now our highest appearance maker, played more minutes than any other player in 22/23 and has been awarded the club's Young Player of the Season two years running. Previous clubs include Stanway Rovers, AFC Sudbury and Ipswich Town Academy.

Tom Anderson - Position - CB/MF

A player well-known to management from his early days in non-league, Tom rejoined us in February 2022 after spells at Aveley and Great Wakering Rovers. Counting Tilbury, East Thurrock and Basildon Utd amongst other former clubs, Tom was a member of the Hashtag side awarded promotion from the ESL after the two Covid-affected seasons.

Greg Halford - Position - CB/FB/MF

Greg joined the club in August 2022 and came with a wealth of experience, with over 400 pro appearances as high as the Premier League for clubs such as Wolves, Sheffield United, Portsmouth, Nottingham Forest and Colchester United, where he started his career. Greg made the PFA League One team of the year in 2006. He has also played in every position bar goalkeeper!

Nathan Smith - Position - CB/FB

Nathan joined us early in March 2023 from Concord Rangers, and comes with significant pro experience. He is Yeovil Town's all-time Football League appearance-maker, and won League 2 and the Johnstone's Paint Trophy with Chesterfield FC, where he was MOTM in the final.

Ryan Sammons - Position - FB

Experienced Ryan joined us in November 2023 after a long spell playing over 300 games at East Thurrock. His other former clubs include Grays Athletic, and Ryan also previously represented England schools U18s.

Jermaine Anderson - Position - FB

Jermaine joined in early 2024 from Potters Bar Town. His other clubs include Brightlingsea Regent, Tilbury, Tower Hamlets and Great Wakering Rovers, where he was previously with Tom Anderson.

Percy Kiangebeni - Position - MF

Percy, or PK Humble as he's far better known, joined The Tags in the 2022 close season after starring for Enfield Town in the Isthmian Premier. He brings playing experience up to Step 2, as well as a magnetic personality off the pitch, and when he's not featuring in our content, he can be seen as part of the Filthy Fellas team. Previous clubs include St Albans City and Concord Rangers.

Max Cornhill - Position - CM

Max joined us in summer 2022 from landlords Bowers & Pitsea, where he starred in their historic 21-22 FA Cup campaign. Max brings a huge amount of experience in the centre of the park, having played as high as Conference Premier with Dartford, plus the likes of Chelmsford City, East Thurrock United and Romford.

Misha Djemaili - Position - MF

Utility man Misha joined us in pre-season from Steyning Town, and has previously appeared for the likes of Corinthian Casuals, Ebbsfleet United and Leatherhead. In 2024 he was named as part of the English Universities representative squad.

Sam Cornish - Position - CM

Wingate & Finchley's Player of the Season joined us ahead of our Isthmian Premier debut and counts Colchester United, Maldon & Tiptree and Potters Bar Town amongst other former clubs.

Toby Aromolaran - Position - Forward/Wing

A sentence we never expected to write...but Toby rejoined us early in the 21-22 season after a stint - and a runners-up finish - in the Love Island villa! He initially joined the club in the 20-21 season, notably scoring key goals in our first FA Cup appearances, and has previously played for Tilbury, Coalville Town and Loughborough Uni.

Alex Teniola - Position - Striker

Another familiar face on and off the pitch, Alex "Teniola Time" Teniola joined in the summer of 2022 from Coggeshall Town. Alex also has higher level experience and has played for the likes of Dulwich Hamlet, Tonbridge Angels, Heybridge Swifts, Aveley and Chelmsford City. Off the pitch, he is an accomplished content creator, and will be familiar as a member of the Baiteze Squad.

Sak Hassan - Position - Wing

Sak joined in pre-season after impressing against us for title rivals AFC Sudbury last time out. He has also spent time at Hornchurch, Barking and Redbridge...as well as internationally for Somalia.

Pedro Carvalho - Position - Wing

Originally signed from Bowers & Pitsea, Pedro was a key component of the 22-23 league-winning side, and has recently returned to The Tags after a brief period overseas.

Camilo Restrepo - Position - Forward

Camilo is another recent recruit, joining in September after experience with the likes of East Thurrock and Romford. He is an accomplished futsal player, having represented England, and also Bloomsbury in the Futsal Champions League.

Luke May-Parrott - Position - Forward

Luke joined us in November after a lightning fast start to the season in the Essex Senior League at his former club Woodford Town, where he spent several seasons. He quickly found his feet at this level, bagging goals regularly since.

Farai Tsingano

Farai is the last man standing from our historic 18/19 league-winning side and has been with us ever since, although serious injury has restricted his appearances in recent years.

Jay Devereux - Position - Manager

Jay has had 25 years experience of non-league football, having coached and played at every level of the non-league pyramid. His playing career was cut short due to injury so he moved into coaching with Barking, then managed the reserve side at Dagenham & Redbridge and also Redbridge. He also spent 7 seasons at East Thurrock United as assistant manager, where he helped them to progress to National League South and 2 FA Cup 1st round appearances.

Joe Keith - Position - First Team Coach

In joining Hashtag, Joe reunited with his old East Thurrock United colleague Devs. Joe brings a wealth of experience to the club, having previously also coached at the likes of Aveley, Canvey Island and Tilbury after a playing career including Colchester United, Leyton Orient and Brentford.

HASHTAG UNITED FC NOTES

Manager Notes

It's an honour for us to be taking part in our first cup final.

Our cup run this season has seen us overcome some tight encounters, with a penalty shoot out and late goals, but I have no doubt that Chatham will prove our toughest test. Kevin has built another exceptionally strong squad that looks on course for a phenomenal 3rd straight promotion.

We, ourselves have had a sound first season at Isthmian Premier League level. I have loved the challenge of the step up in quality and constant test of our ability and resolve. It looks as though next season it will be even tougher but this I certainly feel confident that we have something to build on. If we are fortunate to overcome tonight's opponents and lift the Velocity Cup, it will be difficult to argue that our season hasn't been a successful one.

Enjoy the game!

Club Supporters / Club Official Notes

ANOTHER HASHTAG FIRST

I've been writing our own programme notes for over 5 years now and undeniably one of the phrases I've over-used over that time is "history-making". When you're a club as young as we are, and when you've experienced the memories we have, major milestones are naturally the first, and therefore will be forever written in our club history and honours list. In the 6 seasons since our first step in the NLS (less, depending on how you're viewing the pandemic years) some of us here today, from fans to staff and committee, have been lucky enough to have witnessed it all, from our first game to our first goal, first win and today, our first senior men's cup final.

How far we've come since that first (long-awaited) league win; the first league title and promotion, the first FA Cup run, first women's match, first women's, reserves and youth trophies...the list naturally continues, but what's particularly special is this fact that a core group have witnessed it all, together. A lot has been said about how we as a club operate in a different way, with social media to the fore, but at the heart of our success over these early years has been a stable foundation and a consistent presence, all built around what is still a family business. In over 300 competitive games since our bow at Little Oakley in the Eastern Senior League, we've been led - in more ways than one - by a grand total of one manager, Jay Devereux, who'll stand in front of our dugout today. The player who scored our first league goal, Marcus Stamp, will be the one you see filming the boys on the pitch before the game. The fan we gave a lift home after his 4 hour trek to the Essex coast for that first away day is now one of our PA announcers. We're proud to be sharing another first with them, and indeed with all of our fans, staff, players and volunteers today.

We also value our global community, of course, and we know of several fans who'll be flying in for the game today, including one from Australia! When you spend much of your time making videos for social media, whilst you're never short of immediate, and sometimes very excitable feedback, for the most part many of your fans are unseen. Definitely not forgotten or unappreciated, and we pride ourselves on reading every single comment we receive, but however close we try to bring them to the club, the fact is that these fans are remote. Because of this, it feels extra special when you meet someone who has travelled to a game, whether from another country or just down the road, because they've seen one of your videos. So this one's for you, Harrison, Emer, Ciara and every one of our match-going fans, wherever you've come from today. Win or lose, you're part of another chapter of Hashtag history.
