## INTRODUCTION

The Second Volume of the Spartan Football League brings upto date the history and records of the competition to 1950. The first volume which covers the period 1907/08 to 1929/30 has been a success, although I still can not find any of those missing results - hopefully they will come to light when the final volume is published. As in the previous volume some of the results, particularly from the Reserve teams have been very difficult to track down but at least the book now has a complete set of results.

### VOLUME 1 - FEEDBACK

Peter Taylor from St. Albans writes that neither Harold nor Ted Miller ("Star Graduates" - Volume 1) had not played for St. Albans whilst they were members of the Spartan League.

#### Ernest Grimsdell:

Played for St. Albans 1910/11 to 1913/14 and to his knowledge is the only player to be capped by England whilst playing for a club in the Spartan League - 10<sup>th</sup> June and 12<sup>th</sup> June versus Sweden. Turned professional after the Great War and subsequently played for QPR, Guildford, Chatham and Dartford.

#### Arthur Grimsdell:

Younger brother of Ernest who played 8 games for St. Albans City in 1910/11. Turned professional with Watford in 1911 and transferred to Spurs in 1912. Came to prominence after the War when he won 10 England caps and also has appeared as captain. Captained Spurs to victory in the 1921 FA Cup Final at Stamford Bridge.

Was also an excellent cricketer, representing Hertfordshire on several occasions.

## **The Spartan League A Short History 1930/1950**

**Compiled by Philip Heady**

As the 1930s started the Spartan League continued in the format introduced in 1929/30, with a Premier Division, a First Division, and a Division Two regionalised into East and West sections. This set up was to continue up to and including the last peacetime season. Throughout that time the number of clubs in membership remained fairly stable. The Premier Division had 14 clubs, Division One had 14 clubs, and Division Two usually ran with 14 clubs in each section.

### **1930/31 - Hayward Sports win title in debut Premier season**

There were two new clubs to the Premier Division for 1930/31. Hayes, 3<sup>rd</sup> the previous season had joined the Athenian League (the reserve team left Division Two West) while bottom club Staines Town were relegated. Division One champions Hayward Sports (Enfield) and runners-up Hounslow were promoted. Apart from Hayes, Ministry of Health from Division Two in 1929/30 were the only other club not to take part in the 1930/31 campaign. Wood Green added "Town" to their title while Watford Old Boys in Division Two became Watford Spartans.

New to the competition were Waterlows (Dunstable) and Callender Athletic, both starting in Division Two. In addition five clubs brought their reserves into the competition for the first time.

Waterlows (Dunstable) had been founder members and first champions of the eight-club Bedfordshire County League in 1922/23. They were runners-up to RAF Henlow in their final season by which time the competition was known as the South Midlands League.

Callender Athletic had joined the London League in 1925. In their second season they had won Division One by a point from Hendon Town and moved up to the Premier Division, where they finished in the bottom three twice before dropping out. In their first Spartan League season Callender won the Division Two Eastern Section with 49 points, nine ahead of runners-up Lea Bridge Gas and beating the League's previous highest points total by three points - only three points had been dropped all season, all being lost in drawn games.

In the F.A.Cup, Premier Division Crittall Athletic reached the Third Qualifying Round, the farthest of any Spartan League sides, having beaten Colchester Town and Suffolk Senior Cup holders Ipswich Town, they fell at Kings Lynn.

Defending champions Metropolitan Police finished 3<sup>rd</sup> in 1930/31, but took the Spartan League name as far as the fourth Round of the F.A. Amateur Cup, falling to ex-Spartans, Isthmian League Wycombe Wanderers in a replay. Wycombe finished 3<sup>rd</sup> in their league, but also went on to win the Amateur Cup, beating Hayes 1-0 in the Final. In the third round fellow Spartans Maidenhead United had seen their tie against Portland United go to a third replay before losing. In the First Round they had shared ten goals with Ryde Sports before winning the replay. The Police meantime had beaten Nunhead who were seeking to achieve a hat trick of Isthmian League championships - they failed, but their elimination from the Amateur Cup by a Spartan League club was quite a surprise.

Division One club Hitchin Town won the Herts Senior Cup by defeating Leavesden Mental Hospital. Maidenhead United retained the Berks and Bucks Senior Cup and also won the counties' Benevolent Cup.

Haywards Sports (Enfield) were champions in their debut Premier Division season. They were, however, one of the many works sides in the competition and the club disbanded immediately after the remarkable achievement when their ground was built upon. Wood Green Town and GER Loughton were relegated to Division One.

### **1931/32 - Met Police fall 9-0 in F.A.Cup First Round Proper**

Two new clubs to the Premier Division for 1931/32 were the previous season's Division One champions and runners-up, Windsor and Eton and Hitchin Town respectively. The Premier Division, however, ran with 13 clubs for that season. Elsewhere in the competition GER (Loughton) resigned from Division One having played two matches due to financial difficulties, Leagrave & District, one off bottom of Division One, and GWR from Division Two both left. New to the League for 1931/32 were Luton Amateur who went straight into Division One, and RAF Henlow, Bushey United and Henley Town, all joining Division Two. Two reserve sides dropped out.

RAF Henlow had also been founder members of the Bedfordshire County League in 1922/23, being runners-up in 1929 and the following season too when the competition adopted the new title of the South Midlands League. They were champions in their last season before joining the Spartan League. Luton Amateur had joined the same County League in its second season and had been champions in 1929.

Metropolitan Police got to the First Round Proper of the F.A.Cup for the first time in 1931/32. Hitchin Town fell at the last qualifying round, at Hayes, the former Spartan Leaguers who finished runners-up in the Athenian League that season. Hoddesdon Town from Division Two who beat Isthmians St Albans City recorded a notable victory. The Police beat Tooting Town, West Norwood, Carshalton Athletic and Kings Lynn. In the First Round Proper Football League Division Three (South) Northampton Town beat them 9-0.

Maidenhead were League champions and with Hitchin Town, reached the Third Round of the Amateur Cup, the most progress made by Spartan League clubs. Notable Isthmian scalps though were Nunhead and Woking. Hitchin's conquerors, Wimbledon, went on to retain the Isthmian League championship at the season's end, while Maidenhead's, Marine, went all the way to the final where they lost 7-1 to Dulwich.

In Division Two East Bishop's Stortford won the League title ahead of Hoddesdon Town on goal average. It was to be four more seasons before Hoddesdon were to win the title.

Division One champions Hitchin Town beat 10<sup>th</sup> placed Apsley 5-1 at St Albans to retain the Herts Senior Cup, while their reserve team from Division Two lost 3-2 to St Albans City Reserves in the Herts Charity Shield final. Maidenhead United retained the Berks and Bucks Senior Cup by beating Wycombe Wanderers 2-1 at Reading in front of a 10,000 plus crowd. This gave them a hat trick of victories and four wins in five seasons. Colchester Town won the East Anglian Cup.

### **1932/33 - Fourth Championship for Chesham**

New clubs to the Premier Division for 1932/33 were Callender Athletic and Apsley, first and second respectively in Division One and 4<sup>th</sup> placed Wood Green Town who reclaimed a place in the top division just one season after relegation. Egham and Lyons Club were relegated. Division One club Eastbourne Old Comrades did not reappear for this season. From Division Two The Rovers dropped out with Hoxton Manor, Stevenage Town and Harlow Town coming in. Watford Spartans became Watford British Legion.

Hoxton Manor were from the Northern Suburban League. They won the Division Two Eastern Section title with 49 points, 14 ahead of runners-up RAF Henlow to match the highest total of points ever won in a season set by Callender Athletic two seasons earlier - three points were dropped that season, coming from a draw and one defeat.

Stevenage Town were among those clubs who initially suffered when the Herts County League, a competition in which they had often taken part since joining it in its second season, 1899/1900, closed down in 1925. They had gone into the Bedfordshire County League (later the South Midland League) and joined the Spartan League from there.

Metropolitan Police were denied an F.A.Cup competition proper place for a second time, by Ryde Sports who ended the season as Hampshire League runners-up, in the last qualifying round. Ryde were beaten by Margate in the next round. A Spartan League side again eliminated St Albans City, this time Chesham United. Letchworth made the most progress of Division One sides, reaching the Third Qualifying Round where they were beaten by Northants League Bedford Town, who went on to take their League's title at the end of the season.

For the second consecutive season a Division Two championship was to be won on goal average, Maidenhead Reserves taking the title ahead of Chesham United Reserves.

Chesham United lost to Wycombe Wanderers 1-0 in the Berks and Bucks Senior Cup Final played at Maidenhead. Aylesbury United won the Berks and Bucks Benevolent Cup. Division One club Bishop's Stortford beat Division Two Bushey United 3-1 at Hitchin to win the Herts Senior Cup.

#### **1933/34 - Met Police reach Amateur Cup semis**

New clubs to the Premier Division for 1933/34 were Waterloos (Dunstable) and Letchworth Town, first and second respectively in Division One the previous season. Wood Green Town and Apsley were relegated. Egham, after just one season in Division One moved to the Surrey Senior League where they were to finish 9<sup>th</sup> of 15 clubs in their first season. Acton, new to the competition, replaced them. From Division Two Waltham Comrades left and Jurgens (Purfleet), Saffron Walden Town and West Kensington Sports Club came in. Division Two West ended the season one short after Slough Reserves left after 12 games - Slough never again entered their reserve team in the competition.

Jurgens (Purfleet) were from the London League. The Purfleet team were Division Two East champions on goal average from Stevenage Town in their first season. In their short London league career, which was spent in Division One rather than the Premier Division, had seen them finish runners-up to Chelmsford Reserves in 1932 and to Leavesden Mental Hospital in 1933. In their first Spartan League season, they retained an interest in the London League, finishing 5<sup>th</sup> of 16 clubs.

The 1933/34 F.A. Cup saw two Spartan League clubs reach the Third Qualifying Round, but both, newcomers Jurgens (Purfleet) and Hoddesdon Town, were beaten. St Albans City fell to a Spartan League side again, this time Berkhamsted Town, while fellow Isthmians Clapton were beaten by Jurgens. The Amateur Cup saw Metropolitan Police reach the semi-final. The third round saw them beat defending Spartan League champions Chesham United 4-0. Dulwich beat the Police in the semi-final played at Wimbledon. The Isthmians went on to win the trophy for the second time in three years, while they were also league runners-up.

The League's representative side suffered a record defeat in March 1934, losing 10-3 to the Athenian League at Leyton. While they had lost by a seven goal margin once before, in March 1928 in going down 8-1 to the Royal Air Force, they had never conceded double figures.

Chesham United and Wycombe Wanderers came together again in the Berks and Bucks Senior Cup final, but this time the Spartan League side triumphed 3-0 at Reading following a goalless draw at Maidenhead. Aylesbury United retained the Berks and Bucks Benevolent Cup. Hitchin Town won the Herts Senior Cup again, this time at Barnet. Runners-up Hertford Town finished 3<sup>rd</sup> in Division One for the second consecutive season. Hitchin were runners-up in the Herts Charity Cup, losing 4-0 while hosting Barnet.

Mr E. Dunkels, President of Maidenhead United presented a trophy, to be competed for by the winners of the Premier and First Divisions; the first holders were Apsley who defeated their Premier Division opponents Maidenhead United 6-3.

#### **1934/35 - First Championship for Hitchin, won on goal average**

Apsley, Division One champions returned to the Premier Division for 1934/35 together with runners-up Ilkerton Manor. Wood Green Town were relegated while Brentwood and Warley who finished 13<sup>th</sup>, left the competition. Division One clubs Cowley (Oxford) and RAF Uxbridge left while 2<sup>nd</sup> Coldstream Guards and Roxonian joined Division Two. Willesden Polytechnic became Kilburn Polytechnic.

Roxonian were a very new club. Having been formed in the summer of 1933 and spending a season in the Harrow & District League where they finished runners-up in Division One, they joined the Spartan League and moved to their Earlsmead Ground for the new season.

No Spartan League side got past the second qualifying round of the F.A.Cup in 1934/35, although Isthmians St Albans City and Oxford City were knocked out by Apsley and Marlow respectively. There was little success in the Amateur Cup either. But in the London Senior Cup, Metropolitan Police got all the way to the final only to lose to Enfield, Athenian League runners-up that season. Premier Division Club Apsley won the Herts Charity Shield. Division One club Aylesbury United got to the Berks and Bucks Senior Cup final but lost 3-0 to Wycombe Wanderers at Reading. Windsor and Eton won the Berks and Bucks Benevolent Cup.

For the fourth consecutive season a championship was won on goal average, Hitchin Town winning their first ever Premier Division title. Runners-up were Metropolitan Police who had won the 1929 regionalised Division One title from Walthamstow Avenue on the last occasion when goal average was needed to separate the top division's top two clubs. In Division Two East Stevenage finished as runners-up again, one point behind Lea Bridge Gas - the Hertfordshire club had had two points deducted for playing an unregistered player.

The Eastern Counties League comprising 12 clubs was founded for the 1935/36 season and from the Premier Division both Crittall Athletic, the Braintree side who had found that some clubs refused to travel to north Essex during December and January and Colchester Town were among the 12 original members leaving two Premier Division vacancies.

### **1935/36 - Maidenhead reach Amateur Cup semis**

Hounslow were relegated in 1935 leaving three places to be filled. New to the top section were newcomers to the League, Cambridge Town while Jurgens (Purfleet) and Aylesbury United, 1<sup>st</sup> and 2<sup>nd</sup> respectively in Division One the previous season were promoted. Cambridge Town came from the AFA competition, the Southern Amateur League where they had finished 3<sup>rd</sup> in their final season behind champions Hastings and Civil Service to reach the 4<sup>th</sup> Round of the F.A.Amateur Cup. They had originally been members of that League for the last season before the Great War and had always finished in the top half of the table since then.

Elsewhere Staines Town and Acton from Division One left the competition together with Welwyn Garden City (who, by finishing 3<sup>rd</sup> in the Eastern Section had actually achieved their highest finishing position in their eight seasons in the competition), and West Kensington Sports Club (who lasted two seasons only, finishing 12<sup>th</sup> and 14<sup>th</sup>) from Division Two. Amersham Town, returning to the League after six years in the Chesham League and Dagenham Cables joined Division Two.

The Spartan League had another Amateur Cup semi-finalist in 1935/36. Maidenhead United lost 4-1 to Isthmian League Ilford at West Ham at the penultimate stage, Ilford going on to lose to Casuals at the same venue in the final and to finish 3<sup>rd</sup> in their League. In the previous round a ground record attendance was set at York Road as 7,920 saw the tie against Southall, with hundreds looking on from the railway alongside. In the F.A.Cup Hitchin got to the last qualifying round where they lost to Boston United. The Midland League side lost at Crewe Alexandra in the competition proper.

Letchworth Town finished bottom of the Premier Division and were relegated, but beat Leavesden Mental Hospital 3-1 to win the Herts Senior Cup. Barnet beat Hitchin Town 3-2 in the Herts Charity Cup Final. Division One Hertford Town won the Herts Charity Shield. Slough knocked out holders Wycombe Wanderers in the Berks and Bucks Senior Cup and went on to win the competition for the first time for nine years. Windsor and Eton retained the Berks and Bucks Benevolent Cup.

### **1936/37 - Met Police win championship after seven seasons' gap**

New clubs to the Premier Division for 1936/37 were Hoddesdon Town and Lyons Club, returning after four seasons in Division One. They replaced the bottom two in the top division, Apsley and Letchworth Town. Division Two East gained four new clubs, 1<sup>st</sup> Coldstream Guards, Epping Town, Sawbridgeworth Town and White City, while Wendover joined the Western section. Kilburn Polytechnic, Farnham United and Watford British Legion all left the League.

Elsewhere the Herts County League entered its second season following a revival after a seven-year gap. Among new members of that league for 1936/37 were Watford British Legion and Hertford Town Reserves from the Spartan League (they finished 9<sup>th</sup> and 10<sup>th</sup> respectively in the 14 club Saturday section while Bushey United's Reserves finished 13<sup>th</sup>).

Maidenhead's Amateur Cup run, which had ended at the semi-final stage the previous season, was halted at the first round, victors Sutton United eventually being beaten in the semi-finals themselves. In the F.A. Cup Cambridge Town got to the fourth qualifying round, but lost to Ipswich Town in their first season as a professional side. The Southern Leaguers beat Watford in the First Round Proper but then lost to Spennymoor United. Four Spartan League sides appeared in the Third Qualifying Round, the greatest number in the period under review so far.

The League's representative side hit double figures for only the second time when, in January 1937, the Royal Air Force were beaten 12-4. This was the highest number of goals they had ever scored in one game, although the only other time they reached double figures, the winning margin was ten goals, Eton College being beaten 11-1 in February 1926.

Apsley were Herts Senior Cup runners-up losing 2-1 to Leavesden at Watford in the final.

Barnet beat Hitchin for the third time in four seasons to win the Herts Charity Cup, extra time being needed to separate the sides with an eventual 5-4 outcome. Windsor and Eton went down 3-1 to Wycombe Wanderers at Maidenhead in the Berks and Bucks Senior Cup Final. Maidenhead won the Berks and Bucks Benevolent Cup.

#### **1937/38 - Waterloos win second Premier title in three seasons**

Letchworth Town returned to the Premier Division for 1937/38 after just one season in Division One, together with champions Henley Town who had been League members for three seasons. They replaced relegated Hoddesdon Town and bottom club Jurgens (Purfleet) who left the competition. Uxbridge joined the League, going straight into Division One. Welwyn Garden City joined Division Two while the two Coldstream Guards sides left.

The 1937/38 Amateur Cup final was an all Kent affair, Bromley beating Erith and Belvedere. Cambridge Town took the Spartan League interest the furthest that season, losing in a Third Round replay to Aylesford Paper Mills, Kent League runners-up that season. Chesham made the most progress for a Spartan League side in the F.A. Cup, reaching the Third Qualifying Round. There they lost to Southern League Tunbridge Wells Rangers. Earlier in the competition Wycombe Wanderers had been notable Isthmian losers, being knocked out by Slough.

Ware hosted the first ever Reserves section representative game in February 1938, the Middlesex Amateur League being beaten 4-2.

For the second time in four seasons Stevenage were denied a championship on goal average, RAF Henlow taking the Division Two East title with Stevenage second.

Hitchin Town won the Herts Senior Cup yet again. They hosted the final where Leavesden were beaten 4-1. In a repeat of the previous year's Berks and Bucks Senior Cup Final Wycombe Wanderers met Windsor and Eton only for the Isthmians to triumph again. However, Windsor and Eton won the Berks and Bucks Benevolent Cup.

#### **1938/39 - 3<sup>rd</sup> placed Hitchin Town move to the Athenian League**

For the 1938/39 season Marlow, Division One champions after eight seasons in the division and Wood Green Town, who had spent four seasons in the division after relegation from the top flight, were promoted to the Premier Division to replace Aylesbury United and Henley Town. Uxbridge left the Division One after just one season in the competition, while Division Two saw Dagenham Cables leave and Ford Sports, Vauxhall Motors and Upminster join.

Ford Sports were a London League team who retained their place in that competition for 1938/39. They had won the Division One championship in their first season, 1935/36, were runners-up to Briggs Motor Bodies in 1936/37 and were runners-up to Northmet (with Briggs Motor Bodies 3<sup>rd</sup>) the following season. In the final season completed before the war Ford Sports were to win Division Two East of the Spartan League at the first attempt, while finishing 4<sup>th</sup> in Division One of the London League.

Premier Division Cambridge Town were again the League's longest surviving Amateur Cup side, losing at home in front of 4,000 spectators to eventual Isthmian League runners-up, Ilford in the Third Round. Cambridge and Apsley were the only F.A.Cup Second Qualifying Round survivors, but it was the Division One club that survived with eventual Isthmian League champions Leytonstone being knocked out too for Apsley to go into the First Round Proper for the first time. There they met Isthmian League Bromley who beat them only to lose 8-1 at Lincoln in the next round.

In a repeat pairing in the Herts Senior Cup final Hitchin beat Leavesden, but needed a replay to do so. St Albans City beat Hitchin 1-0 in the Herts Charity Cup final. After a gap of seven seasons, Maidenhead won the Berks and Bucks Senior Cup again.

Hitchin Town moved to the Athenian League for season 1939/40. Yiewsley joined Division Two West, while two reserve sides dropped out. The season halted abruptly in September. Several clubs were never to appear in the competition again, while the League was to be exclusively for first teams as from the resumption of peacetime football.

### **1945/46 - Three Division resumption**

The Corinthian League was started in the first post-war season; although participating clubs took something of a risk, as the competition did not have Football Association sanction until the season was under way. Included in membership of the new league were 1938/39 (and 1939/1940) participants Maidenhead United (Spartan League members since 1922) and Windsor and Eton (members since 1929). Additionally, during the war years Slough had amalgamated with Slough Centre to become Slough United and the new club was also founders of the Corinthian League.

Other clubs not to reappear were Premier Division Waterlows (Dunstable) and Callender Athletic, both of who had joined the Spartan League in 1930 and Division Two clubs Eastbourne Old Comrades, Lea Bridge Gas and RAF Henlow. Hoxton Manor from the Premier Division also failed to appear, but merged with another club to emerge as Crown and Manor in the 1946/47 campaign. A further six clubs from Division Two who had participated in 1938/39 and were due to take part in 1939/40, failed to appear for 1945/46, but came back into the League for season 1946/47.

The Spartan League resumed quickly after the Second War but ran as three divisions split Eastern, Western and Central. The first-mentioned ran with nine clubs, with the other two having ten clubs apiece. The respective champions were Cambridge Town, Hounslow Town and Metropolitan Police. There were no reserve teams in the competition. New clubs to the League were Briggs Sports and Hatfield United. Yiewsley, who had joined the competition for the 1939/40 season, also participated in this first post war season, having kept going in league competition throughout the war years.

In the London League 11-club Eastern Division, Spartan League clubs Ford Sports and Briggs Sports finished 9<sup>th</sup> and 11<sup>th</sup> respectively. Both these clubs fielded only their reserve teams in that league in 1946/47.

The F.A. Cup competition proper, with the exception of the Final, was played on a two-legged basis for the first post-war season. This was not to trouble any Spartan League side though, the only two second qualifying round survivors, Letchworth and Cambridge Town being knocked out in the next round.

The Amateur Cup resumed in the September and Aylesbury hit ten, beating Kings Langley 10-1, Harrow Town beating Lyons Club by the same score. Four Spartan League sides reached the First Round Proper, but only Metropolitan Police, who were to finish as Central Division champions made further progress. This came to an end with defeat by Ilford.

Central Division club Ware lost to Chipperfield 4-1 in the Herts Charity Shield Final, while Cambridge Town won the East Anglian Cup.

### **1946/47 - Restoration of Premier Division**

For 1946/47 the competition had a Premier Division with 13 clubs and two regionalised second divisions, East and West with 14 and 12 clubs respectively. Of those clubs which had participated in the first post war season, two, Hertford Town and Hounslow Town were missing. Hertford's ground was unavailable and they were unable to compete, while Hounslow had joined the Corinthian League.

The six clubs to re-join this season and had been members immediately before the war but who had not participated in the first post war season were Harlow Town, Epping Town, Sawbridgeworth Town, Upminster, Hazells (Aylesbury) and Amersham Town. Newcomers for the new season were Crown and Manor (Premier Division), Biggleswade Town, Stansted, Huntley and Palmers, Wolverton (who came in as North Bucks District League champions) and Redford Sports from High Wycombe.

Wolverton Town had been founded originally in the 1880s and played in the Southern League for five seasons. Having left that league they were reconstituted in 1902 and had subsequently had three periods of Northamptonshire/United Counties League membership. The Upminster's Supporters Club were able to boast 750 members by the end of their first season back, having also helped the club by issuing a programme for every home game.

Cambridge Town reached the F.A.Cup First Round Proper again, this time falling to Football League Division Three Swindon Town 4-1. The crowd of just over 16,000 was the biggest Cambridge Town were ever to play before. Southern League Chelmsford City had been beaten in the final qualifying round, while Harrow Town who beat St Albans City acquired a notable scalp.

Two clubs got into the Second Round Proper of the Amateur Cup for the second post war season with the club that were to finish champions, Metropolitan Police going down to London League Tilbury. Cambridge Town lost at Wimbledon in front of a 3,600 crowd, the tie going to extra time. Wimbledon went on to contest the Final where they lost to Leytonstone.

### **1947/48 - Division One Championships won by debut clubs**

For the 1947/48 season the Premier Division was brought up to the familiar 14 clubs. 8<sup>th</sup> placed Chesham United joined the Corinthian League while Crown & Manor, the only Premier Division side not to have played in the 1945/46 season, were relegated. Three new clubs were thus needed. The regional division champions Luton Amateur and Huntley and Palmers were promoted together with western section runners-up Wolverton Town.

Division Two West saw a large number of changes for this third post-war season with Hazells (Aylesbury) dropping out after playing two matches and Willesden, Slough Centre (an offshoot from Corinthian Leaguers Slough United), Headington United and Chelsea Mariners all joining. Apsley meanwhile changed their name to Hemel Hempstead Town.

There was just one change in the Eastern Section with Brentwood & Warley being the only newcomer. They were South Essex League and Cup double winners in 1946/47. The original Brentwood and Warley club had become defunct shortly after losing its Spartan League place in 1934 had restarted in 1939 only to close down again until 1946.

Vauxhall Motors reached the First Round Proper of the F.A.Cup in 1947/48 where they lost to Football League Division Three (South) Walsall by the odd goal in three. They had beaten Midland Leaguers Peterborough United in the previous round. No other Spartan League side got past the Second Qualifying Round.

Four Spartan League clubs reached the Amateur Cup second round. Cambridge Town got to the following round, going down for the second consecutive season to the eventual losing finalists. Barnet lost to holders Leytonstone but retained the Athenian League title.

Hoddesdon Town beat St Albans City Reserves 2-0 in the Herts Charity Shield final.

### 1948/49 - Cambridge Town retain championship

For the 1948/49 season Wood Green Town and Lyons Club were relegated and were replaced with the two regional Division One champions. In Division One, Ford Sports, who returned to the London League and Redford Sports, dropped out after three and two seasons respectively with newcomers being Histon Institute and Rickmansworth Town. Hertford Town came back in after a gap of two seasons. Hatfield United became Hatfield Town.

Rickmansworth Town had had a long association with the Herts County League. That competition had started with six clubs in the first post-war season, with Rickmansworth rejoining for the 1946/47 season when they were runners-up to Chipperfield by a single point in the 11-club Division One, the top division. They were champions; eight points clear of Tabulator Sports, in their last County league season when there were 14 clubs in the division, with their reserves winning the ten club Division Two. The reserve sides of four Spartan League sides were also in Division One, with another in Division Two.

The four Spartan teams who reached the second round of the Amateur Cup were all beaten. In something of a local Derby, Briggs Sports went down to Romford who went on to the first Wembley final where they lost to Bromley. In the F.A.Cup there was another Spartan League First Round Proper appearance, Cambridge Town losing to Isthmian Leaguers Walthamstow Avenue. Avenue had beaten Vauxhall Motors in the previous round and took Oldham Athletic to a replay in the Second Round.

Premier Division Letchworth Town beat Division One Welwyn Garden City in the Herts Charity Shield Final.

### 1949/50

For the 1949/50 season, the last season covered by this review, Bishops Stortford and Pinner were relegated from the top division to be replaced by Stevenage Town and Slough Centre. In Division One the competition lost Headington United, who joined the single-division professional Southern League, but gained Middlesex Senior League champions Wembley.

Cambridge Town were the League's only representative in the Third Qualifying Round of the F.A.Cup that season. Kings Lynn knocked them out having beaten Histon Institute; the League's only other representative, in the second qualifying round. In the Amateur Cup only Cambridge reached the Second Round, the League's smallest representation since 1936/37. But they moved onto the third round to make them the first Spartan League club to do so in the post-war period. There they lost at home to eventual Isthmian League champions, Leytonstone in front of a record 12,000 crowd.

Briggs Sports became League champions in their third season in the Premier Division, securing 47 points from 26 games and in doing so beat the previous highest total points total, 46, recorded in the competition's top division. Hertford Town and Yiewsley won the Division One titles while Hertford Town beat Bishops Stortford in the Herts Charity Shield Final.

The League mounted its first ever foreign representative tour in May and June 1950. Four matches were played in Holland, three of which were lost, but soon there were to be dramatic changes in the status of the League. 1949 had seen the formation of the Metropolitan and District League with Callenders Cable Athletic and Headington United Reserves among the founder clubs. As the shape of amateur football in and around London changed shape 1951 was to see the formation of the Delphian League and no less than nine Spartan League sides were to become founders, including several long-standing members.
