## **INTRODUCTION**

Welcome to the third and final volume of the Spartan Football League that brings to a close nearly seventy years of football of this popular league. I now feel I have achieved the near impossible from when I first had the idea of this project some 10-years ago in collating a total of 21,075 results, although there are still a handful that have yet to come to light.

Over the years the League has had several top Amateur clubs amongst it's ranks and many going on to greater spheres, with Wimbledon and Wycombe Wanderers to name two.

The Spartan League have also provided some good achievements by clubs in FA Competitions and it was fitting that Hoddesdon Town - members since 1925 won the inaugural FA Vase at Wembley in the League's final season before amalgamation with the Metropolitan-London League.

Finally, I hope you enjoy this book as much as I have in compiling it and along with the two previous volumes, I am sure it will prove to be a useful reference guide in years to come.

## **The Spartan League A Short History 1950/1975**

**Compiled by Philip Heady**

This review starts with the Spartan League's sixth post-war season, 1950/51, a season in which the competition was recognisable broadly as the format and membership to that of earlier campaigns. This was all to change and less than ten years later 'Association Football' the respected work published in 1960 edited by A.H Fabian and Geoffrey Green, was able to say that the League 'is not such a power as it used to be between the wars'. The decline in comparative status with other leagues was to continue throughout the period under review.

For the first season, however, 1950/51, there was little change in membership although Cambridge Town, twice Premier Division champions and once runner-up in the last three seasons moved on to the Athenian League for the new season.

Stevenage Town and Hoddesdon Town, the bottom two in 1949/50 were relegated from the top division, with three clubs being promoted from Division One, Yiewsley, Berkhamsted and Hertford Town. Lyons Club, members of the competition since 1924-finished 12<sup>th</sup> in Division One's western section in 1949/50 and did not continue for the new season.

The competition stayed at 42 clubs though with the return of Ford Sports from Essex who had spent two undistinguished seasons in the London League (finishing 6<sup>th</sup> and 11<sup>th</sup> in Division One, the division beneath the Premier Division) and the addition of Abingdon Town from Oxfordshire who had been competing in the Reading & District League and whose Culham Road ground boasted brand new covered accommodation for its first Spartan season.

### **The decade's first season**

In this first season Histon Institute took Spartan interest the farthest in the F.A.Challenge Cup where they lost 3-1 at Eastern Counties Leaguer King's Lynn. Aylesbury, Wolverton and Briggs Sports had all fallen in the previous round. There were 615 entries in the 1950/51 competition, which was the last time an Extra Preliminary Round was needed as new qualification rules were introduced for the following season with entries dipping below 500.

The change came too late for Amersham Town who crashed out at that first hurdle 13-0 at Isthmian League Wycombe Wanderers in front of a 5,000 crowd, the type of attendance figure that was not unusual for the immediate post-war years. It was to be 15 years before Amersham played another match in that competition.

In the F.A.Amateur Cup too, there was notable successes with Brentwood & Warley, who were to finish well down the League in 10<sup>th</sup>, reaching the last 16 where they lost by the odd goal in five to Pegasus who went on to win the competition in front of a 100,000 April Wembley crowd. Metropolitan Police had fallen in the previous round, the Second Round Proper, while Histon Institute, Letchworth Town and Briggs Sports had all participated in the First Round Proper. Outstanding works side Briggs Sports, though finishing five points behind champions Yiewsley, retained the Essex Senior Cup with a 3-1 win against Barking

### **Formation of Delphian League**

But the shape of Home Counties football at this level was to be transformed in the early part of the new decade as new Leagues sprung up to meet the needs of town-based clubs unhappy with, among other things, competition with works sides. The Spartan League was to be the loser in the fight to offer higher standards of competition as town clubs deserted in favour of new competitions.

The changes happened very soon. Yiewsley, new to the top flight immediately won the championship, but 1950/51 was to be their last Spartan season. Along with Aylesbury United (3<sup>rd</sup> in the Premier Division), Berkhamsted Town (7<sup>th</sup>), Slough Centre (9<sup>th</sup>), Brentwood & Warley (10<sup>th</sup>) and Willesden (11<sup>th</sup>), the champions became founder members of the Delphian League. Division One Eastern Section runner-up Stevenage Town and 4th placed Bishop's Stortford, and Western Section champions Wembley joined them there.

The new League also included three clubs from the London League and two more from the Metropolitan & District League. The loss to the Spartan League was, however, enormous. Aylesbury had first joined the competition in 1908, its second season. Berkhamsted had first participated in 1922, with Bishop's Stortford had uninterrupted membership since 1929.

As well as losing nine clubs to the new competition, Welwyn Garden City, Biggleswade Town and Pinner all left the competition. Of these Pinner had the longest Spartan League membership, having joined in 1929. They had been experiencing difficulties in sustaining football at this level and moved to the Southern Amateur League.

### **End of regionalization**

So, after six seasons with elements of regionalization, the League reverted to a two-table arrangement for 1951/52, a Premier Division and a Division One. Six clubs moved from the regionalized Division One up to the top division, Hemel Hempstead Town, Histon Institute, Hoddesdon Town, Marlow, Upminster and Wood Green Town. The remaining clubs formed a single Division One while 1951/52 also saw the formation of a compulsory membership Reserve Section.

Briggs Sports were 1951/52 champions with Wolverton Town & BR as runner up, while Vauxhall Motors Reserves won the Reserve Section, reflecting the works side bias of the League. The League's representative side lost 8-3 to the Corinthian league at Chesham in the early winter, the last time this particular fixture was played.

Only eleven Spartan league sides qualified for entry to the F.A. Challenge Cup. Of these the top two got further than any other Spartan Club, Briggs losing a 2<sup>nd</sup> Qualifying Round replay in a Derby match against Romford, while Wolverton won at Potton United in that round only to fall 5-1 at Southern League Bedford Town in the next.

In the Amateur Cup Briggs Sports stormed through to the last eight but were beaten by eventual losing finalists, Athenian League giants Leyton. Letchworth Town were the only other Spartan side to reach the competition proper. Briggs completed a hat-trick of County Cup victories beating Romford 1-0 in the final attended by over 13,000 people.

At the end of the season Premier Division Upminster became Hornchurch and Upminster and joined the Delphian League for that competition's second season along with Hemel Hempstead Town, making it eleven Spartans lost to the new competition in just two years.

### **Rare Championship for non-works side**

Despite the loss of two clubs, the top division was increased in numbers for the next season with no club being relegated and the first three in Division One, Ware, Polytechnic and Ford Sports, being promoted. Ware celebrated their entry into the top flight with further covered and seated accommodation for 400 spectators at their Buryfield ground.

Newcomers to the competition, joining the Premier Division direct were Tufnell Park Edmonton. Tufnell Park had been a member of the Isthmian League in 1951/52. The Club had lost its ground soon after the war and temporarily re-located to Cheshunt but the club had eventually dropped in league status to sustain its existence. In 1950 however, the Club incorporated Edmonton Borough FC and changed its name, also securing a 21-year license to use the Barrass Stadium in Edmonton, North London.

Henley Town, bottom of Division One in 1952, having been bottom of the Division One Western section the previous season, dropped out. They had been members since 1931 but now moved to the Great Western Combination. The League was, therefore both loosing clubs to stronger competition at the top, while loosing others at the other end, among other things, because of waning interest in the League from the spectating public.

Bletchley Town joined Division One for 1952/53 when the Division ran with 13 clubs, the whole competition having 29 clubs all told. Bletchley joined from the South Midlands League where they had been champions in 1951. That competition, while benefitting from a large number of clubs, suffered, very much like the Spartan League, from a loss of its more successful clubs throughout the 1950s.

1952/53 saw Premier Division newcomers Ware win the championship with former champions, Briggs Sports and Metropolitan Police second and third. Ware's crucial game according to Steve King's *'An Intention to Play'* was at home against Ford Sports on 1<sup>st</sup> May where a 2-0 deficit was turned into a 3-2 victory with a hat trick-completing goal in the last few minutes. Crowds at Buryfield were averaging a thousand a time by this stage, although the Hertfordshire club had to settle for runner-up in the Challenge Cup to Briggs who beat them 3-0 in the final.

Bletchley meantime won Division One and were promoted with Hatfield Town. Harlow Town were Division One Challenge winners with the champions as runner-up. Letchworth Town and Polytechnic were relegated from the top division.

Briggs Sports, in another local Derby lost 7-1 in a second replay to Delphian Leaguers Dagenham in the F.A.Challenge Cup 1<sup>st</sup> Qualifying Round. Wolverton won their second replay to become the only Spartan in the 2<sup>nd</sup> Qualifying Round then to lose to Athenians Hitchin Town 6-2. No Spartan League club got past the First Round Proper of the Amateur Cup.

### **Formation of the Hellenic League**

For the new campaign, 1953/54, no Premier Division clubs were lost to other leagues. From Division One, however, Abingdon Town, Amersham Town and Leighton Town all became founder members of the Hellenic League. This new competition comprised 16 clubs, mainly comprising former members of the Oxfordshire Senior League. Sawbridgeworth Town left to join an expanded Division One of the Herts County League while Stansted moved to Division One of the London League.

Tring Town of the Great Western Combination came in to bring the number of Spartan clubs up to 25 all told and these were arranged with 16 in the Premier Division and the nine remaining clubs playing in Division One with a 16-match league competition and a challenge cup competition played on a League format of 16 games.

The continuing drain of membership saw the 1953/54 season as the last season with two divisions. The top flight was won by Metropolitan Police with Briggs Sports second and Vauxhall Motors third, re-emphasising the relative power of the works' clubs. The Division One League championship was won by Letchworth Town with Tring as runners-up, while Epping Town won the Challenge Cup competition on goal average from Letchworth.

The League did better than for many years with two clubs through to the F.A.Challenge Cup 3<sup>rd</sup> Qualifying Round, but both Tufnell Park Edmonton (against Hitchin) and Briggs Sports (against Southern League Chelmsford City in front of a 6,000+ crowd) lost. The 5-0 2<sup>nd</sup> Qualifying Round replay victory by Briggs Sports over Isthmian league Ilford was, however, a notable Spartan achievement.

More spectacular still, however, was the extraordinary progress made by Briggs Sports in the F.A.Amateur Cup. A win at Isthmians St Albans City was followed by the Third Round Proper defeat of Bromley of the same League who went on to win that year's championship. Cup holders Pegasus were beaten in front of 6,500 in the next round and Briggs went into the hat with Crook Town, Bishop Auckland and Walthamstow Avenue. And while fellow Essex side Walthamstow ended up playing Crook at Tottenham, Briggs had to travel to Newcastle to meet the Northern League giants. 54,000 saw the northerners win 5-1. Crook, however, won the Trophy, winning in a second replay.

### **Single table championships**

There were changes in membership for the following season. Not only was the Delphian League seen as a better league and a target for Spartan League sides, but the former Middlesex League had widened its scope too in search of better teams and had renamed itself the Parthenon League in 1951.

The 1953/54 season was the last for Premier Division clubs Hatfield Town (who as bottom club were not re-elected and joined the Parthenon League), and Tufnell Park Edmonton (who joined the Delphian League). Tring Town and Letchworth Town were promoted to the top flight with the remaining Division One clubs leaving the competition

Chelsea Mariners and Luton Amateurs disappeared from senior soccer with other Division One clubs finding homes elsewhere - Epping Town and Saffron Walden Town (Parthenon League), Harlow Town (London League Premier Division), Polytechnic (who moved to AFA soccer, the Southern Amateur League) and Rickmansworth Town (Hellenic League). Bletchley Town meanwhile changed their name to Bletchley Town & WIPAC in response to a sponsorship deal with local employers Wico-Pacys

Some of those leaving had been long-standing Spartan League member and this huge loss of clubs left a single league competition for the following season, a Senior Section, with a Reserve Section alongside.

Metropolitan Police retained the championship in 1954/55 with Briggs Sports as runners up. The champions, Hoddesdon Town and Wolverton Town all lost 2<sup>nd</sup> Qualifying Round F.A.Cup ties to end Spartan League interest for the season. Briggs Sports were the League's only representative in the Amateur Cup Competition Proper, but they went out at the first hurdle. 12<sup>th</sup> placed Ware followed the well-worn path to the Delphian League for the next season with Bletchley going to the South Midland League. Welwyn Garden City who had spent the intervening four seasons in the London League rejoined and the league ran with 15 clubs for 1955/56.

The London League too had experienced a turnover of members during the early fifties as the competition restructured to meet the needs of the post-war period. Welwyn's four finishing places being 8<sup>th</sup> of 15, bottom of 16, 11<sup>th</sup> of 14 and 7<sup>th</sup> of 12 as the number of teams in the Premier Division fluctuated once reserve teams were excluded and the competition was reduced to a Premier and a First Division, the second division having been dropped. By 1956 that League was reduced to a single senior section.

## **Dominance by Briggs Sports**

Briggs Sports moved from Victoria Road, Dagenham (where the lease was then offered to Dagenham FC) to Rush Green Road, Romford for the 1955/56 campaign when they won the championship after a gap of four seasons. They also reached the 3<sup>rd</sup> Qualifying Round of the F.A.Challenge Cup where they lost by the odd goal in three to Athenian League Leyton. They also reached the Second Round Proper of the Amateur Cup, the only Spartan club to do so.

Briggs also won the prestigious London Senior Cup beating Eton Manor, Clapton, Walthamstow Avenue and Kingstonian (at Wimbledon) on the way to a final at Ilford. Opponents Wembley had come through the qualifying competition to get to the final, but the last hurdle was too much and the Spartan Leaguers won 3-1. Meanwhile Vauxhall Motors won the Bedfordshire Senior Cup for the third time since the War.

The League visited the Channel Islands and won all three of their games against island representative teams in what was to be their last Easter Tour. Letchworth Town joined the Delphian League at the end of the season and were not replaced.

Briggs Sports retained the championship title in 1956/57 in a table of 14 clubs. They also won the newly instituted Senior Challenge Cup in which they defeated Huntley and Palmers. They recorded a 4-0-revenge victory over Leyton in the F.A.Challenge Cup but were then beaten by Romford. Only Wolverton got to the 3<sup>rd</sup> Qualifying Round and there they lost at Hellenic League Dunstable.

In the Amateur Cup Briggs again carried Spartan interests the farthest, but it was Bishop Auckland who brought their run to an end in a single goal victory in Essex in the Third Round Proper – Isthmian League Hendon had been a notable Briggs scalp earlier in the competition. Briggs retained the London Senior Cup beating Corinthian Casuals 3-0 in a final tie played at Highbury. They also played in the London Challenge Cup that season having qualified as London Senior Cup semi-finalists the previous season. The four amateurs plus reserve-strength sides from the Capital's Football League teams contested this. Briggs beat Fulham at the third attempt before losing at West Ham.

For the following season, 1957/58, Boreham Wood and Rayners Lane joined the competition as it expanded to 16 clubs. Marlow and Wolverton got to the F.A.Challenge Cup divisional finals (3<sup>rd</sup> Qualifying Round), but only Wolverton got through to the 4<sup>th</sup> Qualifying Round. There they lost to Peterborough United 7-0. The Midland League side were about to secure their third consecutive championship on a title winning run of five consecutive firsts that would carry them into the Football League.

Northern league Crook Town ended Briggs Sports's Amateur Cup trail in a second Round Proper game in County Durham. But it was Vauxhall Motors who went the farthest in 1957/58 reaching the last eight where they lost to Ilford. Histon had been an unexpected participant in the First round Proper where they fell to Delphian League Wokingham Town.

In the London Challenge Cup that season Briggs beat one of the amateurs Bromley, before going down to Fulham.

Briggs Sports won their third consecutive title in 1957/58 after which Harrow Town moved to the Delphian League and Ford Sports, whose reserves conceded 175 goals that season, moved to the Essex Business Houses League. Staines Town (from the Hellenic League) and Ruislip Manor (from the London League where they had finished 4<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> in the last three seasons of a 12 season tenure) came in to keep the League at 16 clubs.

## **The Fifties come to a close**

Briggs Sports won their fourth consecutive championship in 1958/59, securing a League and Cup double for the second consecutive season. For the next season, however, they sought a fresh competition and became founder members of the Aetolian League along with many members of the former Kent League that closed down when most of its members joined the expanding Southern League. During the summer they merged with former Spartan Leaguers Ford Sports to become Ford United, a reflection of the integration of the two car industry companies.

Fourth placed Hertford Town also left, following others to the Delphian League. Only Vauxhall Motors got past the 1<sup>st</sup> Qualifying Round of the F.A.Challenge Cup. They eventually fell in the 3<sup>rd</sup> Qualifying Round to Hitchin Town.

The 1958/59 F.A.Amateur Cup saw Briggs Sports get as far as the last eight again. And yet again it was to be a Northern League side, which ended their interest, Crook scoring three times without reply in Essex and going on to win the competition in front of a 60,000 crowd. The size of the crowd showed that capacity Wembley crowds for the Amateur Cup Final were a thing of the past as the public's interest in the amateur game suffered from other distractions where many other leisure activities were available.

The win by Briggs over Salts in the Third Round Proper turned out to be the very last win for a Spartan League side in the Amateur Cup Competition proper, there being only a dozen further appearances in the Competition proper over the final 15 years of the Amateur Cup's existence.

In addition to the loss of Briggs Sports, at the end of the 1958/59 season Hertford Town joined the Delphian League. Welwyn Garden City, whose reserves had conceded 170 goals in 30 games returned to County League football

## **Losses continue with movement between competitions**

New to the competition for 1959/60 were Molesey from the Surrey Senior League (which was to become a rich source of members for the Spartan League) and Bletchley Town who had spent the intervening four seasons in the South Midlands and Hellenic Leagues, the competition thus operating with 14 clubs.

Wolverton Town got the farthest in the F.A.Challenge Cup, losing a 3<sup>rd</sup> Qualifying Round tie 3-2 at Corinthian Leaguers Letchworth Town. In 1<sup>st</sup> Qualifying Round Hoddesdon had beaten Isthmians St Albans City but they had the misfortune of visiting rampant Athenian Leaguers Enfield in the next round where they conceded fifteen goals without reply. There were no Spartan League sides in the Amateur Cup competition proper, a situation repeated the following season.

Staines Town won the League in 1959/60, which was the last for Metropolitan Police, the League Cup winners, who joined the Metropolitan League, Histon going to the Delphian League, and Bletchley Town turning professional and moving to the United Counties League.

New to the competition for 1960/61 were Petters Sports, Crown & Manor and Kingsbury Town to bring the League up to 15 member clubs again. Only five Spartans entered the F.A.Challenge Cup for the 1960/61 competition, all bar Vauxhall Motors falling at the first attempt. The Luton-based side lost to Hitchin again in the 2<sup>nd</sup> Qualifying Round.

### **First championship for Vauxhall Motors**

Vauxhall Motors won the championship for the first time in 1961, having been members since 1938. They also won the Bedfordshire Senior Cup again. Wolverton Town & BR left at the end of the season to reduce the participating clubs for 1961/62, a 14 club competition won by Petters Sports in their second season. Vauxhall Motors reached the 2<sup>nd</sup> Qualifying Round of the F.A.Challenge Cup, the only Spartan to do so – but they went down 7-0 to the professionals of Southern League Cambridge City, away, in front of a 5,400 crowd.

The number of clubs in the League increased to 16 the following season, 1962/63, with the addition of Cheshunt from the Aetolian League and Chalfont St Peter who had finished one off bottom 12<sup>th</sup>, and 5<sup>th</sup> in their two-season membership of the now 13-club London League. The first-mentioned promptly won the competition, which was badly hit by the winter's adverse weather conditions. Indeed the Senior Challenge Cup was cancelled.

In the F.A.Challenge Cup, and long before the bad weather kicked in, five Spartan League clubs entered but between them they managed not a single goal! Ruislip Manor attracted a 2,000+ crowd to their Grosvenor Vale ground for an Amateur Cup tie against Isthmians Tooting and Mitcham United, although there was no Competition Proper success for any Spartan side.

The membership number went up to 18 the following season, 1963/64 with the addition of three times Surrey Senior League champions, Croydon Amateurs, and Willesden who had been Aetolian League founder members in 1959. Croydon were debut-season champions, the second consecutive season that had occurred. In the F.A.Challenge Cup however, the four Spartans who participated failed to win a game.

### **Athenian expansion**

For the 1963/4 season the Athenian League expanded its membership into three divisions. Much of the Corinthian League membership formed Division One, while many of the Delphian League membership formed Division Two, both competitions closing down. Those clubs, which already comprised the Athenian League, formed the Premier Division. The Athenian League's expansion then offered the greatest threat to the strength of the Spartan League.

The pull of the Athenian League, offering unparalleled opportunities for advancement was too much for the Spartan League and both Cheshunt and champions Croydon Amateurs left at the end of the 1963/64 season to join that competition. Cheshunt's Reserves had swept all before them that season winning the Reserve Section and the Reserve Section Challenge Cup in that trophy's first season. Surrey Senior Leaguers Hampton (1964 champions) and Addlestone came in as replacements.

As if to confirm the League's declining status 1964/65 saw another dismal F.A.Challenge Cup performance with no wins for the third consecutive season.

### **Hampton Rule**

Ambitious Hampton not only won the championship in their first season, but also dominated the competition for their seven seasons of membership. Their reserves too secured silverware in repeating Cheshunt's winning double of the previous season.

1964/65 bottom club Ruislip Manor and long-standing members Marlow moved to the Athenian League at the end of the season to be replaced, for 1965/66, by Banstead Athletic and Leavesden Hospital, 7<sup>th</sup> in the 16 club Herts County League Premier Division the previous season.

Hampton retained the championship in 1966. That campaign started without Boreham Wood who became the fifth Spartan side to join the Athenian League in three seasons and Willesden, but with Berkhamsted Town returning after a gap of 15 seasons. Willesden joined the Greater London League, a competition started in 1964 on the amalgamation of the London and Aetolian Leagues.

Huntley and Palmers recorded the first Spartan League victory in the F.A.Challenge Cup for some little while when they beat Athenian League Aylesbury United in a replayed 1<sup>st</sup> Qualifying Round tie. They lost to Isthmian Leaguers Oxford City in the next round.

Hampton won their third consecutive championship in 1967. In the F.A.Challenge Cup the five Spartan League participants managed one goal between them and no victories. At the end of the season Leavesden Hospital returned to the Herts County League, the competition they had left two seasons earlier, and long-standing members Wood Green Town, who lost their senior status, dropped out. The number of competitors was increased to 18 by the addition of Leighton Town (who joined as South Midland League champions), Egham Town and Chertsey Town.

### **Tring break Hampton stranglehold**

After 15 seasons of trying Tring Town secured their first championship in 1968. While Hampton were beaten into second place but did get to the 3<sup>rd</sup> Qualifying Round of the F.A.Challenge Cup. Having beaten Southall and Hemel Hempstead, they were drawn at home to Isthmian big names, Walthamstow Avenue. And while the Spartan League side scored four times, the illustrious opponents got five. Hoddesdon beat Finchley but lost in the 2<sup>nd</sup> Qualifying round.

For the 1968/69 season the previous season's bottom club Petters Sports, who had managed five points from five draws in their 34 league games dropped out, their reserves finishing one off bottom but with 129 goals conceded. They were replaced by Feltham, another Surrey Senior League side, whose five years of membership had seen their best finish being as runner-up in 1966 when they also won the League Cup and the League's Charity Cup.

Vauxhall Motors not only won the championship but also reached the 3<sup>rd</sup> Qualifying Round of the F.A.Challenge Cup where they lost to Ware. They had beaten fellow Spartans Hoddesdon Town in the previous round, the same stage having seen the departure of Addlestone. There had been eight Spartan League participants, the highest number for ten seasons as standards of facilities among member clubs improved and Cup entry became possible.

For the 1969/70 season there was no change in membership. Hampton won the title, but it was Hoddesdon Town who claimed the best F.A.Challenge Cup record, going out in a 3<sup>rd</sup> Qualifying Round replay to Metropolitan League side Braintree & Crittall Athletic in front of a 600+ crowd.

17<sup>th</sup> placed Rayners Lane joined the Parthenon League again and were replaced by Bracknell Town for the 1970/71 season. Hoddesdon Town won the League and Leighton Town got the farthest in the F.A.Challenge Cup, losing in the 3<sup>rd</sup> Qualifying Round at Isthmian League St. Albans City. Bracknell Town got to the F.A.Amateur Cup First round proper but there their Larges lane ground saw a record crowd of 2,500 for the 0-2 defeat by Newquay. In April 1971 saw the League's last representative game against the Isthmian League Reserves representative side, ending a 15 match sequence stretching back to 1954 and of which the Spartans had won only two.

### **Losses to the Athenian League: more gains from Surrey**

For the 1971/72 season several clubs departed. Hoddesdon Town won the 1971 championship for the first time after 45 years of continuous membership. The champions stayed with the Spartan League but the next three in the 1970/71 table, respectively Staines Town, Hampton and Addlestone, all moved to the Athenian League. Bottom club, Reading based Huntley and Palmers, left the competition and reverted to junior football.

New to the League for 1971/72 were Farnham Town, three times Surrey Senior League winners, twice runner-up, and twice League Cup winners, and Harefield United who had just won the Middlesex Senior League title for the third consecutive season, giving them five championships in seven seasons.

Egham Town won the championship. Defending champions Hoddesdon were second and they also got farther than any other Spartan League club in the F.A.Challenge Cup, reaching the 2<sup>nd</sup> Qualifying Round where Walthamstow Avenue beat them 2-0. This season saw Spartan League entry in the Cup reduce to five clubs again.

There were two newcomers for the 1972/73 season, Farnborough Town, Surrey Senior League runner-up, and Amersham Town, back for their fourth period of Spartan League membership. With the remaining clubs all staying on, membership was up to 18.

Farnborough won the title though lost to Hampshire rivals Alton Town in the F.A.Challenge Cup. Vauxhall Motors reached the 3<sup>rd</sup> Qualifying Round where they lost to Isthmian League Bishop's Stortford.

For the 1973/74 campaign Molesey became Athenians but there were two new clubs, Camberley Town, who as Camberley and Yorktown had been Surrey Senior League founder members in 1922 and members ever since, and, returning after a gap of three seasons, and another returnee, Rayners Lane. Farnborough retained the championship. Only four Spartans played in the F.A.Challenge Cup, Egham recording the only win, a notable 2-0 defeat of Isthmian League Barking.

The Spartan League's final season before further dramatic changes at this level of Home Counties football was 1974/75, the final season covered by this review. Luton-based Vauxhall Motors, members since 1938, did not appear for this last season, opting, along with Leighton Town for the United Counties League instead. Meantime Egham Town joined the Athenian League. There was, however, one newcomer, Frimley Green, yet another Surrey Senior League side.

Farnborough won the third championship on the trot and all but reached the 3<sup>rd</sup> Qualifying round of the F.A.Challenge Cup, taking Isthmians Tooting and Mitcham United to a 2<sup>nd</sup> Qualifying Round replay before bowing out. By this time, however, there were just three Spartan League entrants in the competition.

### **And finally, a Spartan League Wembley winner**

But here was to be one final twist to the Spartan story before the League disappeared forever. The newly constituted F.A.Vase was to have not only a Spartan League club in the final, but a Spartan League member's name on the Vase itself as the first winners, a tribute to a League that had started nearly seventy years earlier and had reflected the changes in the amateur game throughout that period.

It was to be the unlikely shape of Hoddesdon Town, members since 1925 and with a modest one championship to their name and, fittingly, the League's longest serving Club, whose name will forever be recorded as the Vase's first winners. Their journey started on 26<sup>th</sup> October 1974 with a Round One 2-1 win at home against Epping Town from the Athenian league Division Two. The competition had attracted entries by most Spartan League sides and both Hoddesdon Town and Farnborough Town went into the draw for the Sixth round, the last eight. They were drawn together.

Farnborough had been League champions for the past two seasons, each time beating Hoddesdon into second place, and they were to complete their title hat-trick come the end of the final League campaign. Hoddesdon had let a two goal lead slip to lose 3-2 in the clubs' last encounter and so the Hertfordshire hosts may have feared the worse. However victory went to the home side and a win and a draw in the two-legged semi-final against Leicestershire's Friar Lane Old Boys sent the Spartan Leaguers off to Wembley. Epsom and Ewell from the Surrey Senior League were their opponents, but a 9,500 Wembley crowd saw Hoddesdon pull off a 2-1 victory to lift the silverware.

## **Amalgamation**

Meetings had taken place during 1975 with the Metropolitan-London, South Midlands and Surrey Senior with regard to amalgamation, whilst correspondence had also been sent to the Athenian, Rothmans Hellenic and Herts County.

The Athenian League replied that the matter would be considered in due course, the Herts County League were not interested, and the Rothmans Hellenic had offered an amalgamation with their second division only. This had been refused.

At a Special meeting called on 3<sup>rd</sup> February 1975 to further discuss a proposed amalgamation, the Surrey Senior League by a small majority rejected the proposal, The South Midlands League unanimously rejected amalgamation whilst the Metropolitan-London League had favoured amalgamation. The Athenian League deferred their decision.

At a separate meeting the views of each current Spartan League club were then given and after much discussion an amalgamation with the Metropolitan-London league be preceded with providing there were sufficient number of clubs in each division.

It was agreed that name of the new league would be the London-Spartan Football League and the constitution for its inaugural season based on 1974/75 league positions was as follows:

### NOTE

A = Denotes match abandoned (see following page)

**NOTE**

The Division One Challenge Cup match between Chelsea Mariners and Polytechnic was abandoned after 80 minutes following a disputed penalty awarded to Polytechnic, which resulted in two Chelsea Mariners players being dismissed from the field of play. The remainder of the Chelsea Mariners players refused to continue and the match referee subsequently abandoned the match. The Spartan League Management Committee later allowed the result to stand at the time of abandonment.

## NOTE

Due to severe drainage problems to Leighton Town's Bell Close Ground, the Egham Town game was staged on a makeshift pitch at the adjoining Cricket Ground and the Boxing Day match against Vauxhall Motors was played at Pages Park, which was only a public park. At the start of 1968 the home matches against Petters Sports, Crown & Manor, Chertsey Town and Banstead Athletic were played on a nearby Recreation Ground. By the end of March the Bell Close ground was available and used until the end of the season.
